Scholarship Application Form

KOC Scholarships, as established by Art and Diane Rockall, are awarded each summer to qualified KOC students. Application forms are reviewed by the CEPD staff responsible for children's programming. Award decisions are made on a case by case basis as funding allows. Criteria considered are the family's financial need and the child's interest in attending the KOC program. Only one scholarship per family can be awarded. Students who received a scholarship in summer 2011 are not eligible, however siblings or other family members are. Information submitted on the application form is strictly confidential. All applications must be received in the CEPD office by May 1st.
