Dear Parents,

The Continuing Education and Professional Development Department of Schoolcraft College, with financial support by Art and Diane Rockall, is pleased to announce our Kids on Campus Scholarship opportunity.

Attached is the application for the 2012 Kids on Campus Scholarship. Please complete the application, along with the registration and emergency information form. These forms can be found on page 19 of the Kids On Campus schedule, or on our website at www.schoolcraft.edu.

All applications must be received in the Continuing Education and Professional Development office by **May 1st, 2012**. Please make sure that all three forms are included when applying, or your application will be considered incomplete, and will not be reviewed.

Students who are awarded scholarships and their families will be contacted by mail after the May 1st deadline where further details will be shared. Thank you for your interest in the Kids On Campus program.

Sincerely,

The Staff of the Continuing Education and Professional Development Department
