

Michigan Rider Education Program (Mi-REP)

Reciprocity for Out-of-State Motorcycle Rider Training Courses

In Michigan, a student who completes and passes the Motorcycle Safety Foundation (MSF), Basic Rider Course (BRC), or the Returning Rider Course (RRC) is granted a “waiver” to taking the Rider Skills Test (RST) and the Secretary of State (SOS) Branch Office knowledge test when applying for their Motorcycle Endorsement (CY) on their driver’s license.

The following training curriculums and courses are approved as waiver substitutes for motorcycle rider training courses offered in Michigan when seeking an endorsement. The listing below shows the training curriculum provider, specific training course, and the provider’s website.

Individuals who have successfully completed one of the courses listed below and wish to obtain their cycle endorsement on their Michigan driver’s license, **MUST** provide a valid certificate of completion from the provider of the course. The certificate of completion must include a certifying/authorized signature and the date of the course completion (which must be **one year or less** from the date of the endorsement application).

Waiver Substitute Courses

Curriculum Provider	Training Course	Website
Idaho Star	Basic I (BIC)	http://idahostar.org
Team Oregon	Basic Rider Training (BRT)	https://team-oregon.org
