

Medical Assisting Certificate

Information and Application Packet 2021-22

Program Description

The medical assisting program is designed to prepare the student for entry-level employment as a medical assistant. “The curriculum is designed to prepare competent entry level medical assistants in the cognitive (knowledge), psychomotor (skills) and affective (behavior) learning domains” (Commission on Accreditation of Allied Health Education Programs). The program is designed to coordinate classroom and laboratory experience with practical experience in a healthcare facility such as the physician’s office. Medical assistants are multi-skilled allied health professionals who perform a wide range of roles in physicians’ offices, clinics and other healthcare settings. They are proficient in a multitude of clinical and administrative tasks and are widely viewed by doctors as vital members of the healthcare delivery team.

- Classes are offered during the day with some courses offered in the evening on a limited basis. Most classes generally meet one or two days per week in Health Professions classrooms/laboratories.
- In addition to classroom and laboratory experience, the program includes an office practicum in a healthcare facility.
- Students who successfully complete all program courses qualify for a Certificate of Program Completion and are eligible to take the Certified Medical Assistant (CMA) examination conducted by the certifying board of the American Association of Medical Assistants.
- The Medical Assisting program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB).

Application Requirements

The Medical Assisting (MA) Program requires an application (attached to the end of this packet). To be admitted to the program the student must complete the following:

1. Apply to Schoolcraft College	Apply to Schoolcraft College on-line at www.schoolcraft.edu
2. Transcripts	It is recommended you request official undergraduate transcripts from <u>all</u> colleges and universities previously attended. Transcripts must be sent directly from the issuing college or university to Schoolcraft College. To confirm that transcripts have been received, contact the Answer Center at 734-462-4426.
3. Academic Advising and Assessment	This program requires minimum assessment levels or course work in the areas of math, reading and writing. Students should have placement scores (Computer Placement Test, ACT, or SAT) submitted prior to meeting with an academic advisor. Students with prior college-level work or a degree may be exempt from placement testing. The Computer Placement Test (CPT) is taken in the Testing Center. ACT or SAT scores must be less than three years old. Contact the Academic Advising at 734-462-4429 to make an appointment.
4. College Prerequisite Coursework	Complete BIOL 105 or equivalent. Complete Basic Anatomy and Physiology with a grade of 2.0/C or better. Complete HIT 104 or equivalent.
