3-WHEEL BASIC RIDER COURSE

If you have minimal experience or are unlicensed operating a three-wheel motorcycle, this course is for you. Develop your basic riding skills as you learn proper turning, shifting and braking. You have approximately 12 hours of instruction in one (1) weekend; four (4) in the classroom and eight (8) on the range. Each student must provide their own three-wheel motorcycle. Sharing is not allowed. The cycle must be titled, properly registered, and display a valid license plate. Each student must provide proof of insurance and the bike must pass a safety inspection. Successful completion allows a student to waive the Secretary of State riding skills test.
