RETURNING RIDER BASIC RIDER COURSE (RRBRC)

A one day course designed for the experienced but unlicensed rider to become licensed and legal. Many experienced, licensed riders use this course as a refresher and skills tune up. Topics include: braking, counter steering, turning, speed judgment, and other techniques necessary for the experienced rider to operate a motorcycle skillfully and safely. Each student must provide their own motorcycle. Scooters will be allowed in this class. Sharing is not allowed. The cycle must be titled, properly registered, and display a valid license plate. Each student must provide proof of insurance and the bike must pass a safety inspection. Successful completion allows a student to waive the Secretary of State riding skills test.
