DEPENDENT Verification Worksheet 2011 - 2012

Your financial aid application was selected for review in a process called “**verification**.” In this process we will be comparing information from your FAFSA to copies of your and your parent(s) 2010 Federal tax forms. Under the financial aid program rules (CFR Title 34, Part 668), the college has the right and obligation to ask you for this information before we can award you financial aid.

If there are differences between your application and your financial documents, we may need to make corrections to your Student Aid Report. In most cases we can do this electronically. We cannot process your financial aid application without these documents.

What you need to do:

1. Complete this worksheet.
2. Attach **copies** of you and your parents’ **SIGNED 2010 Federal tax forms, (including Schedules C, E, and F if applicable), W-2s**, and all other appropriate financial documents. Call the IRS at 1-800-829-1040 to request a tax transcript or W-2 summary if you do not have a copy. If your parents filed separately, provide a copy of each parent’s return.
3. If student or spouse paid child support, please provide documentation. Acceptable documentation is either the final paystub for 2010, listing child support payments, or proof of payment from the Friend of Court.
4. Submit the completed worksheet and documents to the Office of Financial Aid. You may fax the information to 734-462-4527. Call the Office of Financial Aid if you have questions regarding this process.
