*Take this opportunity to strengthen your test taking confidence...*

The GED test can be the first step to newfound personal success. If you completed some high school, but did not graduate, prepare to succeed by learning the GED test format, gaining some helpful test-taking strategies and taking sample GED tests. There will be a light review of English, writing, reading, and math, but if you require in-depth instruction in any of these areas you may be interested in our "Back to the Basics" class offerings.
