

International Traffic in Arms Regulations Compliance (ITAR)

Thursday, August 4, 2011, 8:00 AM to 3:30 PM
VisTaTech Center
18600 Haggerty Road,
Livonia, MI 48512

This program provides in-depth information to enhance and update the knowledge of businesses and individuals engaging in, or considering entering into, defense contracting and service support. Participants will receive a foundational understanding of ITAR regulations and walk away with a comprehensive overview of the essential elements of defense export controls.

Information covered includes:

- ITAR's regulatory framework
- ITAR registration
- Commodity jurisdiction
- Licenses: Types & applications
- Agreements
- Exemptions
- Establishing compliance programs and best practices
- Technology control plans
- Physical security methods
- Trends within ITAR
