The Schoolcraft College Summer Sports Camps are designed to improve the techniques and skills of each participant through a fun environment. Campers are grouped according to their age and skill levels. Our experienced staff takes great pride in helping the campers improve all facets of their game. Some of the most dedicated and knowledgeable coaches in Michigan supervise the campers, working to help each participant become a “total player,” one skilled in the game’s fundamentals. Coaches work with players individually and collectively to ensure progress.

Our program is the perfect opportunity to receive expert instruction in the individual techniques necessary to become a great player. Coaches stress the fundamentals and finer points of the sports. We encourage the campers to work hard, make friends and, most importantly, have fun at Schoolcraft College Summer Sports Camps.
