

# Three-Wheel Basic Rider Course

If you have minimal experience or are unlicensed operating a three-wheel motorcycle, this course is for you. Develop your basic riding skills as you learn proper turning, shifting and braking. You have approximately 12 hours of instruction; 4 in the classroom and 8 on the range. Students must furnish their own three-wheel motorcycle and protective gear including:

- DOT-approved helmet
- Boots that cover the ankle
- Full-fingered gloves
- Long pants
- Long-sleeved jacket or shirt
- Eye protection
- If needed, rain gear.

*Only \$25 per person per class!*

The cycle must be titled and properly registered as a motorcycle in the student's name and must display a valid motorcycle license plate. ALL students must provide proof of insurance for their bike, and the bike must pass a safety inspection. Upon successful completion of this course, the Secretary of State will waive the riding skills test required for a cycle endorsement. However, expect a short written test to be given at the time of endorsement application. You must be at least 15 years of age to take this class. If you are under 18 years of age, your parent or legal guardian must sign a waiver that will be given to you the first day of class. The waiver must be signed and returned to the instructor before you will be allowed to ride a motorcycle on the range.

<u>CES #</u>	<u>Section #</u>	<u>Location</u>	<u>Dates</u>
