### Art and Design 2012-2013 CATALOG

The urge to create.

You had it when you were a kid. Do you still have it now? Do you like to draw? Does your imagination extend beyond your eyes? Can you look at a stone and see a sculpture? We offer courses in Art and Design that range from painting and basic drawing to ceramics and sculpture. If you'd rather dive into the work of others, swim in a sea of colors, follow the influence from one generation to another, you can do that too. Art History and Art Appreciation may heighten your sense of wonder. This might be the elective—or the career—you're looking for.

### WHY CHOOSE A COURSE IN ART AND DESIGN?

**Because...**

- You love it.
- You want to improve your skills or explore your talent.
- You want credits that may count toward your associate degree.
- You want to earn credits that may transfer toward a four-year degree.

**Art and Design courses are identified by the prefix ART.**
