### English as a Second Language 2012-2013 CATALOG

At Schoolcraft College we believe it is important to provide everyone with an opportunity to pursue their educational goals. With that in mind, we offer several courses to assist those students for whom English is not their native language. By developing strong communication, speaking, listening, reading and writing skills in the English language, students will have a strong foundation for success in all other areas of study. *Note: All of the English as a Second Language courses require a placement test prior to registering. For more information please contact your counselor/academic advisor.*
