

EARN AN ENDORSEMENT WITH YOUR SCHOOLCRAFT DEGREE

Global Endorsement

Students who understand the global forces shaping their lives and the lives of people worldwide are better positioned for success in the 21st Century. This understanding can come only from exposure to a variety of cultures and from the study of the interdependence of all peoples and nations.

To make this global literacy available to all students, the Schoolcraft College International Institute offers a Global Endorsement. You can earn the endorsement by choosing 15 credits of specific global coursework (from Fall 2006 on) in your associate degree. There are 80 different classes across 22 academic disciplines, that make it easy for you to find courses that simultaneously meet your degree requirements and contribute to the global endorsement.

All sections of the courses listed below fulfill requirements for the Global Endorsement.

Service Learning Endorsement

Schoolcraft College offers a Service Learning Endorsement, which afford hands on experiences which many employers view favorably. Linking academic courses to volunteerism benefits both students and the community. Through Service Learning, you will master course objectives, apply new learning skills in guided service opportunities and make a difference in the world. Volunteering with a community organization, unlike other types of homework assignments, enhances your learning

through real-world experiences and application. To receive a Service Learning Endorsement, you must complete a minimum of 15 credit hours of classes designated as Academic Service Learning courses taken after spring semester 2008. To qualify as an Academic Service Learning course, students must spend a minimum of 15 hours of course time during the semester preparing for service, doing work internally or with one or more community organization, and assessing learning outcomes.

Here are some service partners and service projects our faculty work with:

- Friends of the Rouge: Fall Bug Hunt and Water Monitoring
- Detroit Association for the Education of Young Children: Hines Elementary School
- A School for My Village: Building a School for HIV-AIDs Orphans in Uganda
- NorWayne Red Wagon: Early Childhood Literacy Project
- Dawn Farms: Substance Abuse Rehabilitation and Education

All sections of the courses listed below fulfill requirements for the Service Learning Endorsement.

- HUM 190 Individual Humanism—An Honors Colloquium
- SOC 290 The Individual and Community—An Honors Capstone Course
