Global Endorsement - 2012-2013 CATALOG

Students who understand the global forces shaping their lives and the lives of people worldwide are better positioned for success in the 21st Century. This understanding can come only from exposure to a variety of cultures and from the study of the interdependence of all peoples and nations.

To make this global literacy available to all students, the Schoolcraft College International Institute offers a Global Endorsement. Students earn the endorsement by including 15 credit hours of global coursework, taken Fall 2006 or after, in their associate degree. There are 82 different classes across 21 academic disciplines, making it easy for students to find courses that meet degree requirements and contribute to the endorsement.
