Music 2010-2011 CATALOG

Do you make music or just enjoy it? Either way, we have something for you. Courses in Music Theory and History will help you appreciate music as a form of art; Applied Courses will help you be a part of the form by enhancing your musical abilities. The offerings are extensive, so be sure to scan them carefully whether you dream of being an opera singer, rock star or someone who just carries a good tune in the shower. Remember to check with the Music Office for information about our numerous Performing Arts Groups. And be sure to see information on certificate and degree programs in Recording Technology.

WHY CHOOSE A COURSE IN MUSIC?

Because...

- You want to be a professional musician.
- You want to enhance your appreciation.
- You want to do more than take notes in class—you want to make them.
- You want credits that may count toward your associate degree.
- You want to earn credits that may transfer toward a four-year degree.

Music courses are identified by the prefix **MUSIC**.
