If you are planning a future in nursing, the TEAS (Test of Essential Academic Skills) is an important step in the process. Prepare for the test by learning about the format of the test and strategies for the mathematics, reading, English and science portions of the test. Practice exams are included. NOTE: It is strongly recommended that only students who read at college level enroll in this workshop. A reading assessment will be given at the first class meeting.

**TEAS (TEST OF ESSENTIAL ACADEMIC SKILLS) PREP WORKSHOP**
