## ENGLISH LANGUAGE INSTITUTE PLACEMENT TESTING

Required for correct level placement for ESL I–V classes as well  
 as for ESL Speaking and Listening, ESL Reading, Writing &  
 Vocabulary, and Civics for United States Citizenship.

If you are new to the English Language Institute at Schoolcraft  
 College and you want to take one of these classes, you must take  
 an ELI Placement test.

The ELI Placement test will determine exactly the class or  
 classes that are best for you. You will be tested on your listening,  
 comprehension, reading, grammar, writing and speaking  
 abilities. Tests are free and take about two hours to complete.  
 They are offered by appointment only. Several test dates are  
 available approximately one month before classes start. You must  
 make an appointment to take a test  
 by calling 734-462-4436.

*No testing will be available  
 after classes start, so please  
 plan ahead!*
