Performance Based Motorcycle Course (PB)

A one day course designed for the experienced but unlicensed rider to become licensed and legal. Many experienced, licensed riders use this course as a refresher and skills tune up. Topics include: braking, counter steering, turning, speed judgment, and other techniques necessary for the experienced rider to operate a motorcycle skillfully and safely. All students will take a skills riding test covering the riding exercises used in the Secretary of State Motorcycle Skills Test. Each student must provide their own motorcycle. Sharing is not allowed. The cycle must be titled, properly registered, and display a valid license plate. Each student must provide proof of insurance and the bike must pass a safety inspection.

- Multiple locations
- National curriculum
- Low cost
- Professional, certified coaches

WHO should take this Motorcycle Safety Course?

- Those who own their own bike and want to improve their riding skills.
- Those who are experienced but unlicensed and want a motorcycle endorsement.
- Those who want to refresh their rider skills.

The motorcycle safety education courses offered by the agencies above are conducted with funds received through U.S. DOT/Federal funding administered by the Office of Highway Safety and Planning and the Michigan Department of State.
