College and Beyond, Collegiate Skills, Learning Resources

Do you want to make the most of the learning opportunities college presents? Do you want to be a better student and learn some new skills that will help you be more comfortable with learning? At Schoolcraft we offer a range of courses that can help you increase your learning potential and foster your success. Collegiate Skills courses can help you hone your note taking, reading, word power and critical thinking skills as well as create your electronic portfolio, an important tool for job seeking. Learning Resources focuses on skills that help maximize use of digital information and College and Beyond gives you important tools for success in college and beyond—time/task planning, study techniques, exploring attitudes and much more.

WHY CHOOSE A COURSE IN COLLEGE AND BEYOND, COLLEGIATE SKILLS OR LEARNING RESOURCES?

Because...

You’re unsure of your thinking, listening, reading or note-taking skills.
You want to maximize your learning potential and future success with enhanced life skills.
You have a learning disability and want the skills to balance life with academic demands.
You could benefit from learning more about digital resources.
You want credits that may count toward your associate degree.
You want to earn credits that may transfer toward a four-year degree.

College and Beyond courses are identified by the prefix CAB.
Collegiate Skills courses are identified by the prefix COLLS.
Learning Resources courses are identified by the prefix LR.
