

Coding Specialist

Information and Application Packet 2022-2023

Program Description

The Coding Specialist program will prepare a student to review and analyze health records to identify relevant diagnoses and procedures for patient services in the inpatient, ambulatory and/or ancillary setting. The student will practice translating diagnostic and procedural phrases utilized by healthcare providers into coded form. In the program, students apply the following skills:

- Coding of inpatient diagnoses and procedures using International Classification of Diseases ICD-10-CM and ICD-10-PCS.
- Coding of ambulatory setting procedures and services using Current Procedural Terminology (CPT).
- Reading and interpreting health record documentation to identify all diagnoses and procedures that affect the current inpatient stay/outpatient encounter visit.
- Applying approved coding guidelines to assign and sequence the correct diagnosis.
- Applying procedure codes for hospital inpatient and outpatient services.
- Use of industry coding software such as encoders.

Application Requirements

The Coding Specialist Program requires an application (attached to the end of this packet). To be admitted to the program the student must complete the following:

1. Apply to Schoolcraft College	Apply to Schoolcraft College on-line at schoolcraft.edu/apply .
