

PROGRAM DESCRIPTION

The Nursing Career Ladder Curriculum (NCLC) offers options for practical nursing (PN) and registered nursing associate degree in applied sciences (RN-AAS) education. Students are admitted into the associate degree program and are eligible to apply for licensure as a licensed practical nurse (LPN) following successful completion of the PN program requirements at the end of the first academic year. Students who continue and successfully complete the AAS program are eligible to apply for licensure as a registered nurse (RN). Michigan licensed practical nurses (LPNs) may apply for advanced placement into the second year of the RN-AAS program.

The Nursing Career Ladder Curriculum (NCLC) is rigorous and challenging. It requires a high level of student commitment and mastery of content in many academic areas. Essential information about the Nursing Career Ladder Curriculum:

- Nursing courses are offered during the day/afternoon at the Livonia campus. First year courses are scheduled throughout the year with 7-week courses except for the nursing pharmacology course, which is a 12-week course. The optional PN course at the end of the first year of the nursing program is available during a 4-week summer session (the PN course is optional for RN students). To complete the RN-AAS degree, the second-year courses are scheduled into four 7-week sessions.
- In addition to course theory, laboratory and clinical practice are required. Computer use and computerized testing are required for each course. Students will need to have a computer device for home and on campus use that meets the requirements as provided at the time of entry. Courses typically include one day of theory with two days of clinical. Clinical sessions are offered on day or afternoon shifts with potential weekend rotations. The clinical days may not be sequential days of the week and will vary based on clinical site availability. Students must meet all requirements as designated by the department, college, and clinical agencies.
- Nursing courses must be taken in sequence or assigned rotation. A minimum grade of 80% in each nursing course and satisfactory clinical performance is required for progression to the next nursing course.

The PN and RN-AAS programs are approved by the Michigan Board of Nursing and have received additional national Accreditation Commission for Education in Nursing (ACEN). For more information on MI-Board of Nursing approval and licensure please contact:

- *LARA Department of Licensing and Regulatory Affairs*
Bureau of Health Care Services
Board of Nursing
611 West Ottawa Street
P.O. Box 30670
Lansing, MI 48909-8170
517-335-0318
bhcsinfo@michigan.gov
www.michigan.gov/LARA
- The nursing associate degree and practical programs at Schoolcraft College at the Livonia campus located in Livonia, MI are accredited by the:
Accreditation Commission for Education in Nursing (ACEN)
3343 Peachtree Road NE, Suite 850
Atlanta, GA 30326
404-975-5000
<http://www.acenursing.org>
info@acenursing.org
The most recent accreditation decision made by the ACEN Board of Commissioners for the associate and practical nursing programs is Continuing Accreditation.

Completion of program requirements provides students with eligibility to take the NCLEX-RN or NCLEX-PN exams. Students who wish to be licensed in another state should check the National Council of State Boards of Nursing website <https://www.ncsbn.org/14730.htm> to clarify requirements in that state.

Preparing to apply to the Nursing Career Ladder Curriculum (NCLC)

1. Apply to Schoolcraft College
2. Send official transcripts
3. Meet with Academic Advisor
4. Complete BIOL 236 or BIOL 237 with a minimum of 3.0/B 80% or higher. (If doing the BIOL 237-238 sequence, the BIOL 238 may be completed after student application received.)
5. Complete one of the following math courses: MATH102, 111, 113, or higher with a minimum of 2.0/C
6. Achieve minimum scores on TEAS entrance exam and request ATI send official scores to Schoolcraft College
7. Attain a 2.5/C+ or better cumulative grade point average

Applying to the NCLC

8. Complete NCLC application with Academic Advisor

Accepted to the NCLC and prior to starting the Nursing program:

9. Complete PSYCH 201 with a minimum of 2.0/C
10. Complete BIOL 238 (if you choose the BIOL 237 & 238 combination instead of BIOL 236) with a minimum of 3.0/B (80% or higher)

Begin NCLC

Preparing to Apply to the Nursing Career Ladder Curriculum (NCLC)

1. Apply to Schoolcraft College	Apply to Schoolcraft College on-line at www.schoolcraft.edu
2. Transcripts	It is recommended you request official undergraduate transcripts from all colleges and universities previously attended. Transcripts must be sent directly from the issuing college or university to Schoolcraft College Records Office. To confirm that transcripts have been received, contact the Answer Center & Help Line at 734-462-4426.
3. Advising	<p>The nursing program requires minimum assessment levels of course work in the areas of math, reading, and writing. Students should meet with an academic advisor to develop an academic plan. Students with prior college level work or a degree may be exempt from general college placement testing. Students who have submitted ACT or SAT scores that are less than three years old to the Records Office may also be exempt from assessment testing. Contact the Academic Advising Center at 734-462-4429 to make an appointment to discuss an academic plan and preparation for the TEAS (nursing entrance) exam.</p> <p>Nursing students should possess and maintain the following to be able to adequately communicate, make decisions, manipulate equipment, perform procedures, and provide indirect or direct quality care for clients in a variety of healthcare settings:</p> <ol style="list-style-type: none"> 1. Sufficient intellectual, psychological, and emotional capabilities 2. Sufficient capacity to concentrate for sustained periods of time 3. Sufficient communication skills 4. Sufficient visual acuity 5. Sufficient auditory perception 6. Sufficient gross and fine motor coordination 7. Sufficient physical abilities and strength required to push, pull, transfer, or move objects up to approximately 35 pounds utilizing safe patient handling techniques 8. Sufficient physical stamina to remain standing for prolonged periods of time <p>Students potentially needing accommodations may review further information at http://www.schoolcraft.edu/dss/disability-support-services. Students may also schedule an appointment with Disability Support Services at 734-462-4330 regarding options to ensure equal access to programs and activities.</p>
4. Anatomy & Physiology College Prerequisite	<p>Complete BIOL 236 <i>Human Anatomy & Physiology</i> with a minimum grade of <u>3.0/B (80% or higher)</u>. - or -</p> <p>Complete BIOL 237 <i>Principles of Human Anatomy & Physiology 1</i> with a minimum grade of <u>3.0/B (80% or higher)</u>. (prior to application) <u>and</u></p> <p>BIOL 238 (prior to starting NCLC See #10 below) <i>Principles of Human Anatomy & Physiology 2</i> with a minimum grade of <u>3.0/B (80% or higher)</u>.</p> <p><i>Students should meet with an academic advisor to determine the biology courses recommended for students planning to pursue a BSN in the future. There are no expiration dates for acceptable BIOL courses.</i></p>
5. Mathematics	<p>Select one Mathematics course from the following list (must be completed prior to application, see #5 below):</p> <p>MATH 102 <i>Technical Mathematics</i> with a minimum grade of 2.0/C. MATH 111 <i>Applications-Utility of Math</i> with a minimum grade of 2.0/C. MATH 113 <i>Intermediate Algebra for College Students</i> with a minimum grade of 2.0/C. OR higher Mathematics course with a minimum of 2.0/C</p> <p><i>Students should meet with an advisor to determine courses that satisfy academic goals and future BSN program requirements. Math 102 does not transfer towards a BSN degree.</i></p>

Preparing to Apply to the Nursing Career Ladder Curriculum (NCLC) Continued

<p>6. Admission Exam</p>	<p>The ATI TEAS Exam (Test of Essential Academic Skills) is a multiple-choice exam that must be taken using the online version. The TEAS Exam includes:</p> <ul style="list-style-type: none"> ○ 31% Reading: Key Ideas & Details (15%), Craft & Structure (9%), Integration of Knowledge & Ideas (7%) ○ 16% English and Language: Convention of Standard English (6%), Knowledge of Language (6%), Vocabulary Acquisition (4%) ○ 31% Science: Human Anatomy & Physiology (21%), Life & Physical Science (5%), Scientific Reasoning (5%) ○ 22% Mathematics: Number & Algebra (16%), Measurement & Data (6%) ○ Minimum TEAS Exam scores required: Composite: 60% (Adjusted Individual Total Score), 68% Reading, 60% English, 60% Math, 50% Science. <ul style="list-style-type: none"> • As of September 1, 2022, all TEAS testing used for application must be completed in person, on campus at the Schoolcraft College Testing Center. • Successful TEAS score results are valid for a maximum of 2 years. • Four (4) TEAS attempts are the maximum number of attempts allowed for application to Schoolcraft’s program (includes any exams taken at other institutions and Schoolcraft since 9/1/2022.) Any exam results taken at other sites (of the 4 attempts) will not be accepted for application. • Students may take the TEAS a maximum of 2 times within a 12-month period. Students may not take a third attempt until the first test attempt expires (Ex: TEAS #1 on September 5 and TEAS #2 on February 10. TEAS #3 cannot be taken until the next September on or after the 5th). • If the student does not pass a TEAS exam, the ATI website has study materials and practice exams available. The Schoolcraft College Learning Support Services Department also provides free personalized TEAS prep plans for success through one-on-one and group formats. To inquire about support for the TEAS, please contact teasprep@schoolcraft.edu (734-462-7330). • The highest successful score on each section of the TEAS Exam will be accepted from the two attempts within the 12-month period. Students must complete all sections of the TEAS exam to the best of their ability on each attempt for scores to be accepted. • The Composite score must be 60% or higher on at least one of the two attempts and the lowest composite score for the other attempt of these two attempts must be within a 55-60% range or higher. <p>Students who may need academic testing accommodations should meet with Disability Support Services Office (734-462-4330) prior to taking the TEAS exam to determine potential accommodations. TEAS Exam attempts at Schoolcraft College must be scheduled in advance. Fees paid are non-refundable and non-transferrable. Students needing to change testing dates will need to pay the full fee. Obtain more information regarding the TEAS exam: https://www.schoolcraft.edu/testingcenter/teas</p>
<p>7. Cumulative GPA</p>	<p>Attain a 2.5/C+ or better <i>cumulative</i> grade point average for all nursing program supportive and prerequisite courses.</p>

Applying to the NCLC

<p>8. Apply to the NCLC</p>	<p>This program requires students to complete a specific list of requirements listed in the application packet before being officially admitted into the program. Students are listed in a pre-program code while the application requirements are being met. The full program start date and implementation of program code may be dependent on space availability. The Nursing Career Ladder Curriculum Program (NCLC) application is attached to the end of this packet (Attachment A).</p> <p>Complete the student portion of the application and meet with an academic advisor for academic planning and to sign off on the application. The academic advisor will submit the application packet to the Admissions and Welcome Center. Applications are reviewed on a continual basis and students will receive an acceptance letter via email from the Admissions Department which states the year and cohort the student will be able to start the nursing program. Students who do not respond to correspondence by deadlines will be cancelled by the Admissions Department.</p> <p>All required prerequisites must be completed (with final course grade on transcript) prior to submitting application.</p>
------------------------------------	---

Acceptance to the NCLC and prior to starting the Nursing Program

- The order of acceptance of qualified applicants will be based on the date the College receives a **valid** application. An application is **valid** only if **all** the requirements listed in this document have been met.
- Any incomplete applications received from a student will be returned. Applications may be resubmitted when all the requirements have been met.
- In the event more than one qualified student applies on the same day, the applications will be ordered based on the highest cumulative grade point average in the prerequisite/supportive courses.
- Accepted students will be emailed an information packet from the nursing department to Schoolcraft College email only. Information will be emailed approximately two months prior to the start semester. Students are responsible for maintaining current contact information for all college communications. Students should get their college email forwarded to their primary email so as not to miss any communications.
- Students may defer their admission only one time, otherwise, the student will need to reapply and meet the application requirements at that time.
- Students who do not meet nursing department deadlines or have been accepted to the program and then are “no call, no show” to start the program, will be cancelled and not eligible to reapply to the program in the future.
- After August 1 for fall start cohorts, and after October 1 for winter start cohorts, preference will be given for students to be pulled up to spots vacated, with students who have completed the NURS 104 Nursing Pharmacology course or the NATP 115 Nursing Assistant Course OR are currently enrolled in either course and have current passing status.

9. Introductory Psychology Supportive Course	Complete PSYCH 201 <i>Introductory Psychology</i> with a minimum grade of 2.0/C before starting the nursing program or by the end of the first year of the nursing program.
10. Anatomy & Physiology College Prerequisite	Complete BIOL 238 <i>Principles of Human Anatomy & Physiology 2</i> with a minimum grade of 3.0/B (80% or higher) if the BIOL 237/238 sequence was selected.
11. Optional COLLS 130 Course	To provide students an opportunity to develop the skills necessary for the demanding field of nursing education, the College offers a nursing specific section of COLLS 130 (<i>Applied Learning Theory for Nursing Majors</i>). This course provides instruction on reading efficiency and speed techniques, learning/study strategies, and critical thinking/test taking skills using nursing materials and concepts. Students can contact Academic Advising at 734-462-4429 for more information.
12. Hepatitis B Vaccine	Students who do not have the Hepatitis B vaccine three shot series already completed, should begin the series while waiting to start the nursing program.
13. CPR Course for Healthcare Professionals	Students should wait to complete an American Heart Association Basic Life Support course for Professional Healthcare Providers until approximately 2 months prior to starting the nursing program. Students need to complete a course that includes an in-person demonstration of the performance skills (adult, child, infant and AED use). 100% online courses are not accepted.
14. Other Nursing Program Requirements	Students will be emailed additional information about Orientation sessions and other health/clinical/program requirements approximately two months prior to student’s program start date. Correspondence will only be sent to Schoolcraft College email.

REQUIREMENTS PRIOR TO NCLC PROGRAM REGISTRATION AND BEGINNING THE NCLC

(Requirements subject to change. Students will be sent emails with requirements to Schoolcraft College emails only.)

- Participate in a mandatory NCLC Student Orientation session.
- Schedule and meet with the Nursing Resource Instructor for a personal interview to discuss educational goals, learning techniques/strategies, and recommendations for success in the program by nursing department deadline dates.
- Complete all health/clinical placement requirements and provide documentation including a health questionnaire/physical exam (dated within the last 12 months from the fall start of the nursing program), TB testing, immunization records including Measles, Mumps, Rubella (MMR), Tetanus, diphtheria, Pertussis (Tdap), Varicella (chicken pox), Hepatitis B, flu vaccine (in season), COVID vaccine, a negative urine drug screen on first attempt (marijuana use is still prohibited), and pass a criminal background check by nursing office deadline dates provided in the emailed packet. Drug screens may need to be repeated throughout the program as required by clinical agencies. Students will also need to meet any other future health/clinical/agency requirements as specified by the agencies.
- An authorization to register is only issued by the Nursing Office upon completion of the any specified requirements. Further questions may be addressed to the Nursing Office by contacting nursing@schoolcraft.edu or 734-462-4401.

Begin NCLC

SAMPLE SCHEDULE OF COURSES

Admission Prerequisites and Supportive Courses*

BIOL 236**	Human Anatomy & Physiology with a minimum grade of 3.0 (80% or higher)	5
PSYCH 201***	Introductory Psychology with a minimum grade of 2.0	4
Mathematics****	Select one of the following, or higher Math course, with a minimum grade of 2.0	4
MATH 102	Technical Mathematics	
MATH 111	Applications – Utility of Math	
MATH 113	Intermediate Algebra for College Students	
	Total Credits	13

First Year – Fall Semester
First Year - Winter Semester

NURS 104*****	Pharmacology for Nurses	3	NURS 107	Medical Surgical Nursing	4.5
NURS 105	Foundations in Nursing Practice 1	4	NURS 108	Surgical Medical Nursing	4.5
NURS 106	Foundations in Nursing Practice 2	4.5	English Communication ⁺	Select first within a set of General Education English Communication courses with a minimum grade of 2.0. ENG 101- English Composition 1 recommended	3
Humanities	Select General Education Humanities course with a minimum grade of 2.0. HUM 106 - Introduction to Art & Music recommended	1		Total Credits	12
	Total Credits	12.5			

First Year—Spring Session

NURS 128	Maternal-Child Nursing 1	5
	Total Credits	5♦

First Year—Summer Session (Optional for ADN students but required if student wishes to complete the Practical Nursing Certificate for eligibility to take the NCLEX-PN exam)

NURS 139	Advanced Concepts in Practical Nursing (Required course if student wants to attain the Practical Nursing Certificate with eligibility to take the NCLEX-PN exam. Students may continue to finish the ADN degree requirements during second year. Students who do not wish to take the NCLEX-PN exam do <u>not</u> have to take this course.) This course is NOT an option for students starting the associate degree nursing program in the winter semester.	3
	Total Credits (Practical Nursing PROGRAM TOTAL = 43.5 credits)	3♦

Second Year – Fall Semester
Second Year – Winter Semester

NURS 205	Advanced Medical-Surgical Nursing	4.5	NURS 246	Psychiatric Mental Health Nursing	4
NURS 248	Maternal-Child Nursing 2	5	NURS 250	Advanced Concepts in Registered Nursing	4.5
English Communication ⁺	Select second within a set of General Education English Communication courses with a minimum grade of 2.0. ENG 102 - English Composition 2 recommended	3		Total Credits	8.5♦
	Total Credits	12.5		Registered Nursing PROGRAM TOTAL = 63.5 CREDITS	

*COLLS 130 Applied Learning Theory for Nursing Majors is a suggested elective for pre-nursing students to develop study skills and success strategies.

**Students may also take the BIOL 237-238 Anatomy and Physiology course sequence which may be preferred for BSN programs.

*** PSYCH 201 Introduction to Psychology is a supportive course not a prerequisite course and may be taken later as long as it is completed by the end of the first year.

****Mathematics -Students should meet with an advisor to determine courses that satisfy academic goals and BSN program requirements.

*****NURS 104 Nursing Pharmacology may be taken the semester prior to starting the nursing program or with the first nursing course semester for those accepted to the NCLC. The nursing office will email students with registration information for this course. Nursing students must achieve an 80% or higher in all nursing courses including NURS 104 Nursing Pharmacology. Students who are unsuccessful in or withdraw from NURS 104 prior to the start of other nursing courses must repeat the course. Students who are unsuccessful with any two nursing courses, including NURS 104, may not continue in the nursing program.

♦Students should work with an advisor if more credits are needed per semester to qualify for financial aid.

+Please check Schoolcraft General Education requirements to determine course options.

PLEASE NOTE: The NCLC program and application requirements are subject to change based on Board of Nursing regulations, curricular changes, Institutional policy and program needs. Students are responsible for checking for any admission updates.

Nursing Career Ladder Curriculum Application

This application is required for the Nursing Career Ladder Curriculum Program. Review and meet **all** requirements on this application. (Program requirements are subject to change.)

- 1) Completion of **all** sections of this application *with* signatures from an academic advisor. The academic advisor will submit the application to the Admissions and Welcome Center.
- 2) Applications are accepted on a continuous basis. In the event several applications are received on the same day, the student with the highest GPA for the prerequisite courses will be admitted first.
- 3) Applications from a non-qualified student are returned and may be resubmitted after the admission requirements are complete.

Section I: To be completed by Student

Demographic information on this application **must** match the information on record in the Registration Center Schoolcraft College.

Name

Last Name	First	Middle	Former (If Applicable)

Address

Number	Street	Apt.	City	State	Zip + 4 Digit Code

Cell Phone () _____ **Home Phone** () _____

Schoolcraft Email _____ **Personal Email** _____

Birth Date _____

Month / Day / Year

SC Student ID # _____ **Social Security Number** (Last 4 digits): _____

It is the policy of Schoolcraft College that no person shall, on the basis of race, color, national origin, gender, age, marital status, creed, or handicap, be excluded from participating in, be denied the benefits of, or be subjected to discrimination during any program or activity or in employment.

Section II: To be completed with Academic Advisor

THE ITEMS IN SECTION II ARE REQUIRED. MEET WITH AN ACADEMIC ADVISOR TO OBTAIN APPROPRIATE INITIALS/SIGNATURES.

Preparing to Apply to the Nursing Career Ladder Curriculum (NCLC) – Steps 1-7

1. Apply to Schoolcraft College www.schoolcraft.edu (Completed prior to NCLC application.)

2. Send Transcripts to Records Department screcord@schoolcraft.edu (Completed prior to NCLC application.)

3. Meet with an Academic Advisor (eadvice@schoolcraft.edu or call 734-462-4429 for appointment). Take a college assessment test unless you are exempt (approved by an academic advisor).

Student:

- has taken assessment test or
- is exempt: has prior college level work, prior degree, or ACT/SAT less than 3 years old

Academic
Adviser
Initials Date

4. BIOL 236 or (BIOL 237 and BIOL 238) BIOL 237 is needed for application acceptance and BIOL 238 must be completed prior to the beginning of the program (see #10 below). Students who do not have BIOL 238 completed prior to Fall semester, will not be allowed to start the program. Check GPA scale from institution. There is no time limit restriction on biology credits for nursing admission.

- has successfully completed BIOL 236 (3.0/B (80% or higher) or ⇒
- has successfully completed BIOL 237 (3.0/B 80% or higher) (If BIOL 237 is a qualifying class; BIOL 238 (3.0/B 80% or higher) must be completed prior to beginning the program. BIOL 238 sign-off is #10 below)
- has successfully completed _____ at _____ with a grade of _____

Academic Adviser Initials Date

--	--

5. MATH 102, 111, 113, or higher with a minimum grade of 2.0.

Students should meet with an advisor to determine courses that satisfy academic goals and BSN program requirements. Math 102 does not transfer towards a BSN program.

- has successfully completed MATH 102, 111, 113, or higher. (2.0/C or better) ⇒
- has successfully completed _____ at _____ with a grade of _____

Academic Adviser Initials Date

--	--

6. NURSING ADMISSIONS TEAS EXAM Achieve the required minimum scores on the online TEAS Exam (Test of Essential Academic Skills) within two attempts per 12 months. Highest scores in each section on the two attempts will be accepted. Maximum number of overall attempts allowed is four (4) attempts. (See page 4: Admission Exam criteria.)

Students must complete all sections of the TEAS Exam with maximum effort on each attempt plus continue to meet the composite 60% with all attempts. Minimum scores required are:

Minimum Scores: **Composite 60% (Adjusted Individual Total Score), 68% Reading, 60% English, 60% Math, 50% Science.**

Academic Adviser Initials Date

- has achieved the minimum scores on the TEAS Online per requirements:

--	--

1 st Attempt	Date:	Composite:	Reading:	Math:	Science:	English:
2 nd Attempt	Date:	Composite:	Reading:	Math:	Science:	English:

7. CUMULATIVE COLLEGE GPA Attain a 2.5/C+ or better cumulative grade point average for all supportive and prerequisite courses.

Student:

Academic Adviser Initials Date

Has a 2.5/C+ or better cumulative grade point average for all supportive and prerequisite courses.

--	--

Applying to the NCLC - Step 8

8. Complete this NCLC application with an Academic Advisor. Student will receive an email from the Admissions Department upon acceptance.

Accepted to the NCLC and prior to starting the Nursing Program – Steps 9 and 10

9. **PSYCH 201** or equivalent. Complete Introductory Psychology course with a minimum grade of 2.0/C.

PSYCH 201 may be completed after acceptance to the NCLC and must be completed by the end of the first year of the nursing program.

has successfully completed PSYCH 201 (2.0/C or better) ⇒ has successfully completed _____ at _____ with a grade of _____

Academic Advisor Initials	Date

needs to complete PSYCH 201 or equivalent prior to starting the NCLC.

10. **BIOL 238** (if taking the BIOL 237 & 238 sequence instead of BIOL 236). Complete Principles of Human Anatomy and Physiology course with a minimum grade of 3.0/B (80% or higher).

BIOL 238 may be completed after acceptance to the NCLC but must be completed prior to starting the nursing program.

has successfully completed BIOL 238 (3.0/B 80% or higher) ⇒ has successfully completed _____ at _____ with a grade of _____

Academic Advisor Initials	Date

BIOL 238 does NOT APPLY as student has taken BIOL 236 (see #4 above)

needs to complete BIOL 238 or equivalent prior to starting the NCLC.

Section III: Application to be signed by student. Advisor will email application to nursing@schoolcraft.edu
