**Request for Dependent Student to Receive**  
**Unsubsidized Loans Only**

**Student Name** \_\_\_\_\_ **Student ID #** \_\_\_\_\_

You indicated on your 2023-2024 Free Application for Federal Student Aid (FAFSA) that you have special circumstances regarding your family situation and therefore you did not provide parental information. Under the Higher Education Opportunity Act (HEOA), effective August 14, 2008, dependent students may be eligible to receive only Federal Direct Unsubsidized Loans if the parents have ended financial support and refuse to file the FAFSA.

This request only applies when the parent refuses to complete the FAFSA. Unsubsidized loans cannot be awarded to a student whose parents refuse to submit verification documents or cease support after providing information on the FAFSA.

**If you did not provide parental information on the FAFSA due to an abusive family environment, neglect, or abandonment by the parents, please contact the Financial Aid Office regarding a potential unusual circumstance override.**

If your parents are unwilling to complete the parent section below, please provide a third-party letter, on official letterhead, (from a teacher, counselor, clergy member, court, etc.) describing the student's relationship with the parent. The statement must include the signer's relationship to the student, the signature of the person writing the statement, and the contact information for the person writing the statement.

**Parent:** Check and initial the statement(s) below that apply to you:
