

COMMUNITY COLLEGE GUARANTEE PAYMENT POSTPONEMENT REQUEST *FOR 2025 HIGH SCHOOL GRADUATES ONLY*

This form is for students who have had a completed 2025-26 FAFSA sent to Schoolcraft, and want to register for Fall 2025 classes, but have a future 2025 High School graduation date scheduled prior to August 25, 2025.

For an immediate hold, please turn this form in to the Financial Aid office in person.

STUDENT NAME**STUDENT ID NUMBER**

I understand that my class(es) will be held temporarily for the Fall 2025 semester only. This hold only waives the upfront payment requirement on tuition and fees and does not make funding available at the bookstore.

I realize that I am financially responsible for all charges and that they must be paid in full by the indicated semester date to remain enrolled. Payment must be in the form of approved financial aid and/or cash, check, or credit card.

It is my responsibility to drop from all my classes if I am unable to pay for them. It is also my responsibility to know the dates that apply to my classes.

Dates can be found here: <https://www.schoolcraft.edu/registration/dates-and-guides/academic-dates/>

I understand that if I become ineligible for financial aid or if financial aid does not cover the entire cost of registration, then I am responsible for any balance owed to the college.

I understand that if I do not complete my file by submitting any and all required documentation, I will be responsible for the entire balance of tuition, fees, and books billed to my account.

I understand that communication goes to my SC email and Ocelot Access.

I understand that I will NOT be awarded Community College Guarantee until I have submitted proof of my High School Graduation (**the preferred method is by submitting final high school transcripts through Parchment**).

THE PRIORITY DEADLINE FOR TRANSCRIPT SUBMISSIONS IS AUGUST 1st, 2025.

I understand this form will NOT be accepted if Schoolcraft does NOT have my 2025-26 FAFSA on file with all Verification completed (*if Verification is required*).
