

MRS/LEO PAYMENT POSTPONEMENT REQUEST

This form is for students who have completed the 2026-27 FAFSA, had it sent to Schoolcraft College, and want to register for 2026-27 classes.

Student Name _____ **Student ID** _____

Check the box next to the semester this form is for:

☐ **Fall 2026**

☐ **Winter 2027**

☐ **Spring/Summer 2027**

I understand that my class(es) will be held for the checked semester only. This hold only waives the upfront payment requirement on tuition and fees and does not make funding available at the bookstore.

I realize that I am financially responsible for all charges and that they must be paid in full by the indicated semester date to remain enrolled. Payment must be in the form of approved financial aid and/or cash, check, or credit card or third-party payment.

It is my responsibility to drop all classes if I am unable to pay for them. It is also my responsibility to know the dates that apply to my classes.

Dates can be found here: <https://www.schoolcraft.edu/registration/dates-and-guides/academic-dates/>

I understand that if I become ineligible for financial aid or if financial aid does not cover the entire cost of registration, then I am responsible for any balance owed to the college.

I understand that if I do not complete my file by submitting any and all required documentation, I will be responsible for the entire balance of tuition, fees, and books billed to my account.

I understand that communication goes to my SC email and Ocelot Access.

I understand this form will NOT be accepted if Schoolcraft does NOT have my 2026-27 FAFSA on file with all Verification completed (*if Verification is required*).
