

Dear Parents,

The Continuing Education and Professional Development Department of Schoolcraft College, with financial support by the Rockall Fund and Continuing Education Community Outreach Fund, is pleased to announce our Kids On Campus Scholarship opportunity.

All applications must be received in the Continuing Education and Professional Development office by **May 1st, 2019**.

For your application to be complete please include:

- KOC Application Form
- KOC Registration and Emergency Form

The KOC Registration and Emergency Form can be found in the Kids On Campus schedule or on our website [www.schoolcraft.edu/koc](http://www.schoolcraft.edu/koc).

So that we can share the excitement that KOC brings to campers with our donors, recipients of a scholarship are required to share their experience in some way. Examples of ways a camper can share their experience include: taking a photo of something they completed in camp and telling about their experience, a letter summarizing the camp they participated in and what they learned, an art piece, or a video from camp. Completed projects should be turned in on the last day of camp to the KOC Headquarters in the Biomedical Technology Building, room 167 or in Before and After Care, in the Liberal Arts Building room LA440.

Students who are awarded scholarships and their families will be contacted via e-mail after the May 1<sup>st</sup> deadline with additional details. Thank you for your interest in the Kids On Campus program.

**Important Notes:**

- Some camps fill quickly and cannot be overloaded. If your child is awarded a scholarship for a camp that is full you will be contacted via e-mail. Please be prepared with a first, second and third camp option.
- If your child has his/her heart on a camp that may fill, the only way to secure that spot is to pay for the class and get a refund if your child is awarded a scholarship.
- Applicants who are selected to receive a scholarship will be required to provide proof of financial need before they receive a scholarship.

Sincerely,

The Staff of the Continuing Education and Professional Development Department

## Scholarship Application Form

KOC Scholarships, as established by the Rockall and Continuing Education Community Outreach Funds, are awarded each summer to qualified KOC students. Application forms are reviewed by the CEPD staff responsible for children’s programming. Award decisions are made on a case by case basis as funding allows. Criteria considered are the family’s financial need and the child’s interest in attending the KOC program. Only one scholarship per family can be awarded. Students who received a scholarship in summer 2018 are not eligible, however siblings or other family members are. Scholarships are also not available for employees who receive a Schoolcraft Tuition Grant. Information submitted on the application form is strictly confidential. All applications must be received in the CEPD office by May 1st.

Parents or Legal Guardian: Please complete the following information.

**Student Information**

---

|      |       |        |
|------|-------|--------|
| Last | First | Middle |
|------|-------|--------|
