CLASSES FOR
PRESCHOOL THROUGH
HIGH SCHOOL SENIORS

BAKING PASTRY
DINOSAUR DIG
CAMP SCRUFF
FUN & GAMES

ART, SCIENCE, MATH,
CAREER EXPLORATION,
RESCUE READY, WRITING,
COMPUTER CAMPS & MORE!
Welcome to Kids on Campus Summer 2019!

Each summer we are delighted to welcome children of all ages to Kids on Campus (KOC). The energy, excitement and enthusiasm that the kids bring can be felt around the entire campus.

Our goal each summer is for kids to have a fun, educational and safe experience at Schoolcraft. To help achieve that goal, we have created a new parent handbook. The handbook has all your child’s camp and housekeeping information in one convenient location. See the KOC Parent Handbook for answers to your frequently asked questions and for our program rules and guidelines. Visit schoolcraft.edu/koc to print a copy, or call 734-462-4600 to have a copy mailed to you.

We are looking forward to Kids on Campus 2019. While here, if there is anything we can do to improve your family’s camp experience, please contact the Kids on Campus Headquarters at 734-462-4600.

Kids on Campus

Open House

Tuesday, February 12

6–7:30 pm | VT 500

VisTaTech Center

- Meet many of the instructors
- Ask questions
- See class demonstrations
- Visit the campus
- Learn how to register

For additional information call 734-462-4448.

Scholarships

Through the generous contributions of The Rockall Fund, a limited number of scholarships are available to those families requiring financial assistance. If you are interested in applying for a scholarship for your child to attend a KOC class or camp, complete and submit a KOC scholarship application form along with your student’s registration form, to the KOC Coordinator, Continuing Education, no later than May 1. For more information, email cepd@schoolcraft.edu or call 734-462-4448.

Registration opens at 8:00 AM, Wednesday, February 13. Some camps fill quickly. Check WebAdvisor or call for availability.
Before & After Care

Day Camp students, grades 1-9, will engage in supervised activities which include—but are not limited to—arts, crafts and games. Available only for camps that meet 7/8 – 8/9.

Before & After Care spots are limited and fill quickly! REGISTER EARLY!

Kids on Campus Showcase

Parents—
You are invited to see the terrific projects and wonderful artwork your children have created. Celebrate with your children, their classmates, instructors, siblings and other parents.

Date: The last day of each camp session: Friday, July 12, 18, 26, August 2, and 9

Time: 2:30 PM

Location: In the Classroom

We look forward to seeing you there!
Parents are encouraged to visit any or all classrooms to observe the activities and instructors in the summer Kids on Campus program.
Due to the nature of the camp, some open house times vary.
Please confirm the time with your child.

Please bring a bag lunch to camp each day.
Preschool Adventures

Preschool Adventures - Great Science Discoveries: Ages 3-5
Preschoolers have a natural desire to investigate. Engaging children’s senses allows them to sort and classify, handle, observe, and build and ask questions—all necessary in developing scientific minds. Make your child’s first memories of scientific experiments super fun and meaningful with activities like: Bugging Out, Digging with Dinosaurs, Bubbles, Water and Fun, Making Sense of Our World, Mighty Magnets, Zooming with Velocity, Simple Machines, Color Crazy, Space Explorers and Secret Agents. Register in the child’s name. Cost includes both adult and child. One child per adult.

CES 8511 $85
1 week MTWRF July 22
Sec. 939873 LA140
10 am-12 pm B. Krajenke

Kindergarten Prep

Get Ready for Kindergarten This Fall
Be the best prepared Kindergarten student in town! Join us as we learn and explore through the art of play. Focus on math, literacy, fine motor activities and social and emotional skills that will build a foundation for a successful year of Kindergarten. This class is designed for children entering Kindergarten in the fall.

CES 20042 $85
1 week MTWRF July 22
Sec. 939857 LA140 1-3 pm B. Krajenke

Add Before & After Care to your child’s schedule for a full day of fun on campus!
See page 3.

Entering Grades 1 & 2

New Abracadabra-Magic Camp: Grades 1 & 2
Prepare to amaze and astound your friends and family with card tricks, illusions, disappearing objects and more. Develop a magician character, props and costumes while learning the secret art of magic. Complete your camp and watch your confidence soar with a one-of-a-kind magic show starring you!

CES 3750 $229
1 week MTWRF July 8
Sec. 939851 LA475
9 am-3 pm Staff

Ocean Adventures: Grades 1 & 2
Stir up some ocean commotion! Dive under the ocean and learn about the creatures that call it home. Discover why the water is salty, how waves form, and what is at the bottom of the ocean. See why oceans are so important to us and how you can help to care for the ocean and all its creatures.

CES 8532 $229
1 week MTWRF July 8
Sec. 939839 LA460
9 am-3 pm M. Gearns

Sec. 939882 LA460
9 am-3 pm L. Craig

Blast Off! Space Camp: Grades 1 & 2
Become an astro-kid for a week! Board your Schoolcraft classroom space ship and take a voyage into outer space. Working with your fellow astronauts and your ship’s captain, discover the sun, moons, planets, stars, the universe and so much more. Through hands-on experiments and cool art projects investigate cosmic explosions, space travel and what it takes to become a real astronaut. Don’t get left behind.

CES 8534 $229
1 week MTWRF July 29
Sec. 939801 LA465
9 am-3 pm M. Gearns

Sec. 939899 LA465
9 am-3 pm M. Gearns

Be a Superhero: Grades 1 & 2
Calling all superheroes...we need your help to save the day! Do you know any everyday superheroes? See what makes a superhero so special. Once you know, use your imagination and become a superhero yourself. Have fun creating a name, superpower, costume and super gadgets earning you a special superhero pin! Finish your adventure by writing a story about your hero and taking part in a superhero parade.

CES 3716 $229
1 week MTWRF July 22
Sec. 939886 LA460
9 am-3 pm L. Craig
Safe & Self Defense Olympics: Grades 1 & 2
Where can you have mega-fun, where your team never loses and where your prize lasts forever? The Safety Olympics! Discover events like self-defense, first aid, stranger awareness, what to do in a school emergency, the meaning of 911, as well as other topics guaranteed to earn you a safety gold medal.

CES 0989  $229
1 week MTWRF July 8 9 am-3 pm
Sec. 939881 LA470  L. Pratt

1 week MTWRF July 15 9 am-3 pm
Sec. 939893 LA475  L. Pratt

1 week MTWRF Aug 5 9 am-3 pm
Sec. 939893 LA475  L. Pratt

If you were to tell a friend about Kids on Campus (KOC) what would you say?

“It was cool” - Kyle B.
- Dinosaur Detective
NEW HOCUS POCUS: GRADES 3 & 4
Abracadabra, hocus pocus, presto! Take a magician’s code then learn the secrets behind card tricks, coin tricks, how to use sleight of hand and more. Create your own magician persona, props and costumes. Be prepared to amaze and delight your family and friends with a fantastic show that will leave them saying, “how did they do that?”

CES 3751 $229
1 week MTWRF July 22 9 am-3 pm Staff
Sec. 939854 LA475

NEW THE ART OF APPRECIATION: GRADES 3 & 4
Why wait for a special occasion or holiday to show family, friends, neighbors, community helpers and even pets how much you appreciate them? Create cards, notes, keychains, flower pots, lunch bags for Meals on Wheels, no-sew fleece blankets for an animal shelter, candy gifts and more. Create your own “Appreciation Box” to store your gifts. Visit a group on campus to see how a little appreciation can make someone’s day. Bring an empty shoebox to the first day of camp.

CES 3749 $229
1 week MTWRF July 22 9 am-3 pm
Sec. 939805 LA330 K. Reid

NEW ART EXPLOSION!: GRADES 3 & 4
Three...two...one...ka-boom! Be a part of the art explosion! Once the dust settles, create cool art projects. Try your hand at pencil and charcoal drawings; create giant paintings; dabble in watercolor and weave using a cardboard loom. On the last day burst on the scene with all your art ammunition and ignite delight in your family and friends.

CES 3600 $229
1 week MTWRF July 8 9 am-3 pm Staff
Sec. 939819 F370

1 week MTWRF July 29 9 am-3 pm Staff
Sec. 939834 F370 A. Dent

1 week MTWRF Aug 5 9 am-3 pm Staff
Sec. 939848 F370

“EXPRESSIONS” KIDS CHOIR CAMP: GRADES 3-6
A fun-filled musical week with something for everyone who likes to sing, perform and make friends. No experience is needed, just a desire to have fun learning to perform a musical! Through games, activities and fun exercises, you will develop proper singing techniques, your own musicality, improved diction and more! Be a part of this wonderful quality choral music experience taught by Schoolcraft’s Collegiate Chorale director.

CES 3719 $229
1 week MTWRF Aug 5 9 am-3 pm J. Drake
Sec. 939897 F310

ACTING ADVENTURES: GRADES 3 & 4
Have you ever tried to stalk like a lion or strut like a king? Have you ever pretended to be someone totally different from yourself? Want to try? Come on an acting adventure. Have fun doing pantomime, improvisation and storytelling. Learn how to plan sets, props and costumes. Be part of an informal production on the last day for friends and family. Lights, camera, action!

CES 3619 $229
1 week MTWRF July 8 9 am-3 pm Staff
Sec. 939812 LA440 K. Glatz

1 week MTWRF July 15 9 am-3 pm Staff
Sec. 939820 LA440 K. Glatz

ALL-STAR CHESS - GET IN THE GAME: GRADES 3 & 4
Team up and learn to make all the right moves. Get the skills to spring into chess action to do openings, traps, strategies and cunning tactics. Be part of exciting competitions, tournaments and contests where you’ll rule. Become a chess all-star!

CES 7242 $229
1 week MTWRF Aug 5 9 am-3 pm L. Haddad
Sec. 939874 LA410

Add BEFORE & AFTER CARE to your child’s schedule for a full day of fun on campus!
See page 3.
SOCIAL AWARENESS & WELLNESS

EVERYTHING SPORTS – IT’S ALL ABOUT the TEAM: GRADES 3 & 4
Get your game on with a week of team sports! Each day will be chock-full of sports activities: soccer, basketball, flag football and volleyball are just a few of the sports you’ll try. Have fun playing and learning the fundamentals of each sport while gaining valuable lessons in leadership and teamwork. Get healthy and become an MVP for life.

CES 9883 $229
1 week MTWRF Aug 5 9 am-3 pm
Sec. 939885 PE100 P. Timm

MATH

MATH MANIA: GRADES 3 & 4
Get wild and crazy about math! Hold onto your hat and play your way into the world of probability, statistics, story problems and graphing. You’ll pick up new math tricks and skills while exploring higher level thinking. Have fun discovering why math rules.

CES 8457 $229
1 week MTWRF July 29 9 am-3 pm
Sec. 939824 LA360 K. Brenner

CAREER EXPLORATION & COMMUNICATION

BE A KID-PRENEUR! GRADES 3 & 4
Be the CEO of fun! Let your imagination run wild as you dream up an idea for a business. Take your brain off road and choose a cutting edge product or service that you are passionate about. Working with a business partner, you’ll launch your own invented business and sell your product or service to your fellow kid-preneurs. Game-on!

CES 1696 $229
1 week MTWRF July 8 9 am-3 pm
Sec. 939800 LA140 Staff
1 week MTWRF July 15 9 am-3 pm
Sec. 939813 LA140 Staff

CHANNEL SCHOOLCRAFT TV NEWS: GRADES 3 & 4
Make TV news happen! See how a TV news show comes to life both in front of and behind the cameras. Important world and local information, the weather and sports are always a click away on the remote. Build a news set, write the stories, do the interviews and report your findings. On the last day do a LIVE broadcast for your family and friends.

CES 7442 $229
1 week MTWRF July 22 9 am-3 pm
Sec. 939856 LA160 Staff
1 week MTWRF July 29 9 am-3 pm
Sec. 939862 LA160 Staff

KID WRITERS – JOIN the CLUB!: GRADES 3 & 4
Write, illustrate and publish your own book! Let your imagination run wild as you dream up a main character, give them life and breath and a story in which to live. Kick it up a notch and actually create your one-of-a-kind character in puppet form. Help organize and display your published work of art at the class book fair.

CES 7333 $229
1 week MTWRF July 8 9 am-3 pm
Sec. 939823 LA330 K. Reid
1 week MTWRF July 15 9 am-3 pm
Sec. 939828 LA330 K. Reid

SCIENCE & ENGINEERING

NON-STOP SCIENCE EXPERIMENTS: GRADES 3 & 4
All the time is the right time to explore science! Using the scientific method do lots of mind-blowing, kid-tested experiments that answer everyday questions. See your world as a ginormous, fun-filled playground-laboratory. Roll-up your sleeves, put on your safety glasses and get ready to answer the question WHY?

CES 8533 $229
1 week MTWRF July 29 9 am-3 pm
Sec. 939843 F150 A. Jackson
1 week MTWRF Aug 5 9 am-3 pm
Sec. 939877 F150 A. Jackson

PHYSICS FUN!: GRADES 3 & 4
Better understand the world around you in this interactive play land. Discover the world of physics and laws of motion through exciting experiments and games. Build and launch a paper airplane, connect an electric circuit, play with white light, and explore the universe. Learn while you play!

CES 8461 $229

• Please bring a bag lunch to camp each day.

HAVE QUESTIONS? Check out our KOC Parent Handbook – schoolcraft.edu/koc.

For more information visit SCHOOLCRAFT.EDU/KOC or call 734-462-4448
NEW ART AROUND the WORLD: GRADES 5 & 6
Pack your easels for an art filled trip around the world. Become inspired by new cultures and natural wonders while creating works of art representing each of the seven continents. Explore watercolors, mask making, folk art and more. Discover the beautiful diversity in our world through the universal language of art.

CES 3752  $229
1 week MTWRF July 22 9 am-3 pm
Sec. 939831 F470  K. Brewer

THREE MORE CAMP DATES:
1 week MTWRF July 29 9 am-3 pm
Sec. 939832 F470  K. Brewer

SCRAPBOOKING: GRADES 5 & 6
Let your creativity take flight! Start with the basics of scrapbooking: necessary tools, organization and focal point. Next, learn about layout design and element placement. See how to enhance your scrapbook with creative writing and decorative pen techniques. Finish your project with stickers and punch art design. Requirement: bring at least 10 photos and any small mementos you would like to include in your design on the first day of camp. Note: additional photo needs will be discussed on day one of camp. All other supplies will be provided.

CES 3737  $229
1 week MTWRF July 22 9 am-3 pm
Sec. 939887 LA400  N. Gordon-Hines

DIGITAL ART - GET WIRED: GRADES 5 & 6
Go way beyond paint brushes, crayons and colored pencils and work with the newest art form, digital art. Create your own masterpieces using basic software including Adobe Photoshop Elements and online tools. Start by learning design and art elements while improving your computer skills and stretching your creative horizons. Push your limits as you bring your own existing photos to an extreme level of art using collage, digital enhancement, layering and more!

CES 3702  $229
1 week MTWRF July 8 9 am-3 pm
Sec. 939837 AS220  P. Marabeas

KIDS WITH CAMERAS: GRADES 5 & 6
Whether you have been taking photos for a while, or are just picking up a digital camera for the first time - we want you! Open up a whole new world that screams “never bored.” Start by learning photography basics. Then add some tricks and tips and get wild and creative. Everyday you’ll go on photo shoots filling your world with amazing new experiences. Learn to use Photoshop Elements to improve your photo images. Bring a digital camera to camp each day.

CES 3669  $229
1 week MTWRF July 15 9 am-3 pm
Sec. 939825 AS379  T. Griffin

MASTER the STAGE! ACTING CAMP: GRADES 5 & 6
If having fun is your favorite thing to do, then this camp is for you. Turn your creative side loose as you do script writing, improvisation, movement and creative dramatics. Don’t worry if you have no experience, everyone is welcome. Complete your theater experience with your acting debut - an informal production for family and friends on the last day.

CES 3700  $229
1 week MTWRF July 29 9 am-3 pm
Sec. 939858 LA440  K. Glatz

BECOME A POTTER: GRADES 5 & 6
Pinch, coil, roll, slam and twist your way into making clay-art! Learn studio courtesy and safety, and how to mix and use different types of clay. Explore hand-building and firing methods and find out lots of ways to decorate and glaze your pieces. Enjoy a whole week to plan, make and finish your own ceramic treasure. Note: due to firing and glazing, the majority of your projects will not be available until two-three weeks after camp; you will receive an email when they are ready.

CES 3633  $249
1 week MTWRF July 8 9 am-3 pm
Sec. 939836 AS220  P. Marabeas

CHESS - GET YOUR GAME ON: GRADES 5 & 6
Get your chess game together as you learn to open, trap, strategize and do tactical maneuvers that will leave your opponents in the dust. Get amped up and take part in awesome competitions, tournaments and contests that will showcase your game. Go the chess distance!

CES 7336  $229
1 week MTWRF July 22 9 am-3 pm
Sec. 939866 LA410  L. Haddad

Add BEFORE & AFTER CARE to your child’s schedule for a full day of fun on campus! See page 3.

HAVE QUESTIONS? Check out our KOC Parent Handbook – schoolcraft.edu/koc.
“Expressions” Kids Choir Camp: Grades 3–6
A fun-filled musical week with something for everyone who likes to sing, perform and make friends. No experience is needed, just a desire to have fun learning to perform a musical! Through games, activities and fun exercises you will develop proper singing techniques, your own musicality, improved diction and more! Be a part of this wonderful quality choral music experience taught by Schoolcraft’s Collegiate Chorale director.

Sec. 939803  AS740  K. Brewer

CAREER EXPLORATION & COMMUNICATION

BECOME the TEACHER: GRADES 5 & 6
What makes a great teacher? Do they explain things well or make a subject interesting? Are they funny with a great personality? Are they interested in what students have to say? Discover firsthand what teaching is all about. Do lesson planning, class management, grading, rubrics and so much more. Actually, get to teach your campmates about a topic of your choice. Do more than play school...really do school!

CES 2005  $229
1 week MTWRF July 15 9 am–3 pm
Sec. 939870  LA400  N. Al-Zaharnah

Please bring a bag lunch to camp each day.
MYTHOLOGY: GRADES 5 & 6
Thousands of years ago, the ancient Greeks and Romans told wonderful stories about their many gods, goddesses, heroes and terrifying monsters...all magical beings. These gods/goddesses had magical powers used for good, for trickery, and/or for adventure. Meet these zany characters and their special powers. Then design, write and illustrate your own myth book starring your dreamed-up mythical character.

CES 7444  $229
1 week  MTWRF  July 8
Sec. 939892  AS378  L. Walkuski

KIDS COURT: GRADES 5 & 6
Snow White was treated terribly and was running away from her evil stepmother; that is the reason she broke into the home of the seven dwarfs, right? You decide during a mock trial! Learn about the roles of defense lawyer, prosecutor, judge and jury while taking a closer look at Snow White’s story and get to the truth, as you put her on trial.

CES 7443  $229
1 week  MTWRF  July 29
Sec. 939872  AS378  L. Walkuski

BE A Biz Kid ‑ Starting a Business: Grades 5 & 6
Because you’re a kid doesn’t mean you don’t have what it takes to run your own business. Working with a business partner you’ll choose a business from a list of possibilities. You’ll name your business, design your logo, and learn about stuff like pricing, profit margins, and marketing. On the last day of class you and your partner will show off your product or service to your peers in class.

CES2 1555  $229
1 week  MTWRF  July 29
Sec. 939816  LA140  T. Lenze
1 week  MTWRF  Aug 5
Sec. 939888  LA140  Staff

CAMP SCRUBS – ADVENTURES IN MEDICINE: GRADES 5 & 6
Put on scrubs and enter the world of medicine. Learn about many fields in healthcare and what it takes to be a nurse, paramedic, test technician or a surgeon. Discover how to take a pulse and blood pressure, start an I.V. and experience a state-of-the-art simulation lab. Learn about the real world of healthcare hands-on.

CES 4278  $229
1 week  MTWRF  July 8
Sec. 939822  AS200  T. Richardson, RN
1 week  MTWRF  July 15
Sec. 939859  AS200  T. Richardson, RN

MAKE IT WORK! STRUCTURE & DESIGN: GRADES 5 & 6
Have you ever wondered how architects design buildings or how engineers develop structures? Roll up your sleeves and get ready to make an idea come to life. Design and build your own balsa wood structure. Learn how to use mechanical design and drafting to develop prints and design an electrical circuit to integrate within a structure to make it work.

CES 8365  $229
1 week  MTWRF  July 8
Sec. 939849  AS920  M. McCarter

Sec. 939868  AS920  M. McCarter

THE GREAT DEBATE: GRADES 5 & 6
Do you often try to convince your friends that a certain sports team, flavor of ice cream or video game is THE best? Your friends may disagree with you, and you have to use specific examples to help defend your position. Learning how to debate means learning how to persuade someone into your way of thinking and influence future decision-making. If you want to know what it’s like to possess the power of persuasion, join us for an exciting week of word wars and rebuttals. I challenge you!

A: “YOU SHOULD GO BECAUSE IT WAS AWESOME AND TONS OF FUN!” — Ashley Y
BAKING & PASTRY MAKING WITH THE MASTERS: GRADES 7, 8 & 9
Join Chef Decker and Chef Gabriel for a fun-filled week of baking and pastry making. For two-and-a-half days Chef Decker will hone your pastry skills. The other two-and-a-half days Chef Gabriel will add to your baking repertoire. Enjoy making breads, cookies, pies, cupcakes, frosting and more. Every day will be a new and exciting experience, filled with information on nutrition, preparation techniques and of course hanging out with the masters! No experience necessary. A chef coat and a meat or vegetarian lunch option will be provided. If you have special food requirements please pack a bag lunch. Requirements: bring a tool kit with the following: a paring and chef knife; peeler; heat proof spatula; dough cutter; pastry brush; measuring spoons; 12” rolling pin or French pin; 14” or 16” pastry bag; 8” or 10” icing spatula (palette knife); melon baller; large plain piping tips like a #7 or #8; plastic scraper. Wear long pants and comfortable, closed-toe shoes; long hair should be tied back.

CHESS – CAPTURE the KING: GRADES 7, 8 & 9
Become lord of the board and take your chess game to the next level. Analyze, strategize and maneuver your way into taking down your opponents while learning popular chess opening moves, how to adapt to your opponent’s moves, and the art of setting tactical traps. Through lecture and practice games, rev up your game and then advance to competitions and tournaments. Note: students must have a basic knowledge of chess to participate.

THE ART CAFE: GRADES 7, 8 & 9
Are you passionate about art and want to escape to a place where you can create more? Come to the Art Cafe. Learn by doing as you try your hand at different styles and techniques using a variety of mediums such as painting with watercolors and acrylics, and print techniques using ink. Enjoy the laid-back, comfortable atmosphere where you can create, create, create!

THE POTTER’S STUDIO: GRADES 7, 8 & 9
Let your creativity explode! Learn studio courtesy and safety, and then how to design and make ceramic pieces using the pinch, coil and slab techniques. When you’re ready, try your hand at working on the potter’s wheel. Whether you’ve ever tried ceramics or not, the Potter’s Studio is the place for you to get into this awesome means of expression and show the world what you’re all about! Note: due to firing and glazing the majority of your projects will not be available until two to three weeks after camp; you will receive an email when they are ready.

Add BEFORE & AFTER CARE to your child’s schedule for a full day of fun on campus! See page 3.
DIGITAL PHOTOGRAPHY - LET LOOSE & EXPERIENCE IT!
GRADES 7, 8 & 9

Digital photography is hot - get in on the fun! Discover exactly what you’ll need to know to capture those parties, school events, sleepovers and family vacations. Every important question gets an easy-to-understand answer: What is resolution and why does it matter? How can I make computers, scanners, and printers work with my camera? Start by learning camera basics. Go on daily photo shoots. Then dive into Photoshop Elements and enhance your photos. Please bring a digital camera to camp each day.

MINECRAFT MODDERS: GRADES 7, 8 & 9
Interested in programming and designing? Try this unique gaming experience. Using your favorite game, learn the basics of modding and the fundamentals of programming, learning scripting and logic statements while you create your first mod. Experience coding taught through a simulated environment inspired by Minecraft. Note: students will work in pairs or teams for most of the day. To access your project at home you must own a PC/MAC version of Minecraft. This course is designed and developed by Black Rocket.

Before and After Care is not available for this section. Students should be escorted by the parent to the classroom.

WEB DESIGN: GRADES 7, 8 & 9
Learn how to design your own Web page and the ins and outs of posting it on the Web. Try your hand at the basics of animation. Discover how to build basic graphics, film clips and short animations - the building blocks for your Web page. Impress everyone with your newly created Web page! Bring headphones or ear buds to class.

DIGITAL VIDEO STORYTELLING: GRADES 7, 8 & 9
In a production team, perfect the art of planning and producing digital video media projects. Learn to construct and deliver a powerful message, connect with your target audience, and produce high-quality digital video creative content. During this hands-on media production boot camp, student teams will create short documentaries and mixed-media mash-ups. Using an Apple iPad as a self-contained production studio, student-producers will develop scripts and storyboards; explore filming techniques; shoot their concept; and fine edit their project. Construct, deliver, and connect; our process and workflow strategies will take your digital video content and storytelling to the next level.

Please bring a bag lunch to camp each day.
Creating Code with Python: Grades 7, 8 & 9

Are you ready to move beyond “drag and drop designs?” Learning to code is the key to open your programming potential. Coding is used for everything from games, animation, websites and more. Learn Python, a general purpose coding language that allows you to express contents with just a few lines of code! Requirement: students should be comfortable using a computer, navigating the Internet, and managing files. Some experience with coding including programs such as Scratch and Alice is helpful, but not required.

Robotics for Teens: Grades 7, 8 & 9

Robots are used in everything from building cars to space travel. Discover the principles of real robotic engineering as you help dream-up, design, build and program a robot using LEGO Mindstorms NXT and/or EV3 and LEGO Tetrix! Learn about electrical and mechanical engineering as you perform different robot experiments. Examine the history of robotics and find out how robots compete. Have fun and experience being part of a teen robotics team.

**Microscopic World - Life We Don’t See: Grades 7, 8 & 9**

Visit a mysterious invisible world using unparalleled microscopic technologies. In Schoolcraft’s renowned Imaging and Analysis Lab, which houses the college’s state-of-the-art Scanning Electron Microscope, build your own microscope and magnification instruments while learning how to operate a compound light microscope, stereo microscope, digital microscope and the college’s very own Scanning Electron Microscope! Capture and save your discoveries using digital cameras and even print a poster of your favorite image to take home.

**Bio/Chem - One World: Grades 7, 8 & 9**

The world around you is a humongous science lab waiting to happen. Look closely at everyday things and discover how their chemical and biological make-up defines them. Through information sharing and exciting labs you’ll see science in a whole new light. Don’t worry if you are not really experienced with science, the class is flexible and may be adjusted to suit any range of abilities.

**NEW CERAMIC ARTS: SOPHOMORE - SENIOR**

In a professional ceramics studio explore the numerous possibilities clay has to offer, such as: hand building, sculpting, decorating, glazing and wheel throwing. Whether you have tried ceramics or not, this is the place for you to experience this awesome art form and show the world what you’re all about!

Note: due to firing and glazing the majority of your projects will not be available until two-three weeks after camp; you will receive an email when they are ready.

**THE POWER OF YOUNG PEOPLES' DIGITAL PHOTOGRAPHY: SOPHOMORE - SENIOR**

Whether you’re posting the occasional selfie to Instagram or trying to capture an incredible moment, unleash your vision of the world through your camera lens. Begin the adventure mastering basic camera operations, lenses, exposure, composition and more. Go on daily shoots experiencing the vastness of possibilities and learn to edit/enhance your images with Photoshop Elements. Come away with a digital portfolio perfect for sharing. Please bring a digital SLR camera to camp each day.

**Have Questions? Check out our KOC Parent Handbook – schoolcraft.edu/koc.**
NEW FAA REMOTE DRONE PILOT: FRESHMAN–SENIOR

Have you ever wondered what the view is like from the eye of a soaring eagle? Discover for yourself with an eagle-eye view flying commercial small unmanned aircraft systems (sUAS) otherwise known as “drones.” Learn about aerodynamics, FAA regulations, national airspace, weather, aircraft performance, and operational safety. Camp includes practice flying Schoolcraft College’s quadcopters indoors. Fly a drone safely and have fun while exploring future career opportunities! Camp will prepare you to take the FAA Unmanned Aircraft General (UAG) written exam. Must be 14 years old to take the UAG exam. Test takes place at FAA testing center (not included in camp). The FAA Remote Pilot Certificate will be issued with a passing UAG test score as soon as you turn 16 years of age.

Before & After Care is not available for camps entering grades 9–12:
ACADEMIC SKILLS WORKSHOPS
FOR KIDS ENTERING GRADES 6 THROUGH 12
These academic skills classes are offered during the Kids on Campus Summer program but are not run in a camp format. Call 734-462-4448 or visit SCHOOLCRAFT.EDU/CEPD for more information and program guidelines. All academic skills classes are held in the Jeffress Center (JC). Access to the classrooms is available through the yellow, Southeast entrance. ▼

**ACADEMIC SKILLS—ENTERING GRADES 6 THROUGH 9**

**BUILDING STUDY SKILLS: GRADES 6-8**
Studying, like any other skill, can become easier if you learn to do it well. Learn to organize and start the study process, take effective notes, enrich your vocabulary and manage your time to avoid feeling pressured. Better critical reading and listening skills will also help to make you the ultimate study pro!

**HAVE QUESTIONS?** Check out our KOC Academic Skills Handbook – schoolcraft.edu/koc.

**Please bring a bag lunch to camp each day.**
Math Foundations/Pre-Algebra: Grades 6-8
This class is designed to help with basic math so students can focus on the algebra instead of getting worked up over the arithmetic. Develop confidence and readiness for algebra by gaining proficiency working with integers, fractions, decimals, exponents, square roots, order of operations, writing number sentences, and evaluating expressions (Solving 1 and 2 Step Equations, Graphing Ordered Pairs). All the necessary concepts will be introduced to help you prepare for Algebra 1.

Math Foundations

Reinforcing Algebra 1 Skills: Grades 8 & 9
This class is designed to provide additional experience and practice for students who completed Algebra 1 but do not have a solid mastery of the concepts. Take what you already know about algebra and add to your skills by doing operations with polynomials, solving first degree equations and graphing linear equations with two unknowns. You’ll also develop strategies for solving word problems. Strengthening these skills will help you in your Algebra 2 or Geometry class. Prerequisite: Algebra 1.

**Q:** If you were to tell a friend about Kids on Campus (KOC) what would you say?

**A:** “IT WAS DEFINITELY A GREAT LEARNING EXPERIENCE. YOU WOULD WANT TO TAKE THE CLASS TO STAY AHEAD.”

— Writing for High School & College Prep student

These Academic Skills Classes Run in a Half-Day Format.

- Before and After care is not available for any of these classes.
- Look for the Academic Skills symbol on the campus map for classroom location.
- Call 734-462-4448 or visit www.schoolcraft.edu/cepd for more information and program guidelines.

Bring a Snack!
ACADEMIC SKILLS – INCOMING FRESHMAN THROUGH SENIOR

CULTIVATING STUDY SKILLS: FRESHMAN – SENIOR
Become the ultimate study pro! Learn to organize and start the study process, take effective notes, enrich your vocabulary and manage your time to avoid feeling pressured. Gain better critical reading and listening skills as you learn to make studying easier and more productive.

**CES 0960**  $185
2 weeks  MTWR  July 8  9 am-12 pm
Sec. 939404  JC112  H. Thomas

2 weeks  MTWR  July 22  9 am-12 pm
Sec. 939406  JC112  H. Thomas

ENHANCING ENGLISH SKILLS: FRESHMAN – SENIOR
Designed for students who find language arts and writing for other classes to be challenging. Strengthen your written and spoken English skills through daily writing and reading activities, basic grammar review and vocabulary building exercises. Explore different reading and writing genres.

**CES 7370**  $185
2 weeks  MTWR  July 22  9 am-12 pm
Sec. 939405  JC113  M. Gosaynie

WRITING FOR HIGH SCHOOL & COLLEGE PREP: JUNIOR – SENIOR
Sharpen your writing skills to elevate your abilities for your final years of high school and for your college future. Gain writing skills that are valuable for test preparation and college essays.

**CES 7390**  $185
2 weeks  MTWR  July 22  9 am-12 pm
Sec. 939408  JC128  R. Olds

EXPLORING INTERMEDIATE ALGEBRA SKILLS: SOPHOMORE – SENIOR
Designed for students who successfully completed Algebra I, this class offers an opportunity to expand your algebraic knowledge. Learn about operations with polynomials, rules of exponents, factoring polynomials, and rational expressions. Gain confidence with radical expressions and solving quadratic, rational and radical equations as well. Prerequisite: Algebra 1 with a grade of C or higher and Algebra 2 or Geometry scheduled in the fall.

**CES 8322**  $185
2 weeks  MTWR  July 8  9 am-12 pm
Sec. 939414  JC102  S. Street

EXPLORING GEOMETRY SKILLS: FRESHMAN – SENIOR
Take advantage of this opportunity to explore the concepts of geometry and prepare for the next academic year. Learn about line and angle relationships, construction with the help of a compass, parallel lines, transversal lines, congruent triangles, similar triangles, special right triangles, quadrilaterals and circles. You also will develop strategies for writing formal proofs. Prerequisite: Algebra 1 and Geometry scheduled in the fall.

**CES 8415**  $185
2 weeks  MTWR  July 8  9 am-12 pm
Sec. 939402  JC128  K. Oneal

**Q:** If you were to tell a friend about Kids on Campus (KOC) what would you say?

**A:** “It is a good way to remember what you learned in school”

- Kamal N. - Intermediate Algebra

**Have questions?** Check out our KOC Academic Skills Handbook – schoolcraft.edu/koc.

- Please bring a bag lunch to camp each day.
DROP OFF/PICK UP FOR CAMPS

- The map below shows the designated drop off/pick up locations for children attending from 9am-3pm who are not registered for Before & After Care. Drop off time is 8:50 am and pick up time is 3:00 pm. Kids on Campus staff aides will walk children to and from their camps.

- Arrive promptly at the designated drop off/pick up times. The parent/guardian is responsible for walking children to their camp if they arrive after 8:50 am and the group has already left the drop off area. If a parent is late picking up a child, the child will be taken to the Before & After Care room (LA440) and a fee of $1 per minute will be assessed.

- Drop off/pick up locations are marked with a Kids on Campus flag at the building where your children’s camp is located. The drop-off/pick-up location for camps held in BTC classrooms is at the Forum building. The drop-off/pick-up location for camps held in the PE classrooms is at the Liberal Arts building.

- Though we recommend that parents of children under 12 years of age escort their children to and from their camps, we offer these drop-off/pick-up locations for grades 3+ for your convenience. Parents of 1st and 2nd graders should always escort their children to and from their camps.

- In the event of heavy rain or other severe weather conditions, children will either be kept inside the building where their camp is located or be walked to their normal drop off/pick up area and be kept inside the nearest exit door to that building. Parents will need to park and come inside to pick up their children. Please be patient as drop/off and pick/up on these days may take longer than usual.

- Children registered for Before & After Care may be dropped off between 8 and 9am and picked up between 3 and 5:30pm. Parents must escort campers to and from the Before & After Care room (LA440). Campers must check in upon arrival and before departing.

- Note: Before & After Care is not available for students enrolled in the following: the June 17th and 24th Culinary Camps for grades 7, 8 & 9 (page 13), all camps for grades 9–12 (pages 22–23) and all Academic Skills Classes (pages 25–27) and Minecraft Modders the week of June 24. These students must make their own drop off/pick up arrangements.
Tennis for Kids – Ace Your Game!

Make it a full day at Schoolcraft by signing up for tennis right after your KOC camp ends!*

Ages 4–17
All Levels Welcome
Have Fun
Make New Friends
Improve Your Game

It’s All About Tennis

Classes:
• Pee Wee Tennis: Ages 4–6
• Young Players Tennis Camp: Ages 6–10
• Youth Tennis Beginner: Ages 10–17
• Junior Tennis Camp: Ages 10–17*
• Three-Week Junior Tennis Camp: Ages 10–17*

*The one-week and three-week Junior Tennis Camps run from 3:30-6:30 pm
Full listing of tennis offerings can be found in the CEPD 2019 Spring-Summer schedule, due out in mid-March.

Want to know more?
Join Us for the Tennis Open House

Saturday, June 1
9 AM – 12 PM
Meet the instructor, get tennis tips, enjoy some refreshments. Children and adults welcome.

FYI: Adult classes also available including:
Adult Tennis, Adult Instructional Tennis League:
Level 3.0+ and Cardio Tennis.

Tennis dates are being finalized. For more information visit www.schoolcraft.edu/cepd in early March or call 734-462-4448 for more information.

Inclement weather policy: If a class is canceled due to bad weather, a make-up date will be provided. If the class meets for at least half of the scheduled session time before being cancelled for rain, it will be considered as a lesson completed. If a class is canceled, students must be promptly picked up.
Give a Child the Gift of Learning

Schoolcraft College gift cards redeemable for tuition are available for $25 or more.

For more information on this valuable gift idea, please call us at 734-462-4448.
For safety reasons, an email address and completed emergency contact information must accompany the registration. Schoolcraft College reserves the right to delay the registration until both are provided.
