Introduction
The Annual Security Report (ASR) is compiled and published by the Schoolcraft College Police Department (Campus Police) each year to meet the compliance requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Additionally, a compliant campus is a safer campus, something Schoolcraft College makes a priority.

The Clery Act requires the publishing of an ASR every year no later than October 1. The ASR reports crime statistics and safety policies for the prior calendar year; for example, this year’s ASR is published by October 1, 2019 and is reporting on the 3 prior calendar years Clery crime statistics (2018, 2017, and 2016) and the requisite safety policies.

The Clery Compliance Committee assisted in the development of this report and consists of representatives from several departments, including: the Vice President and Chief Student Affairs Officer (Title IX Compliance Officer), the Vice President and CFO (Clery Compliance Officer), the Vice President and Chief Academic Officer, the Dean of Students (Title IX Coordinator for students) the Campus Police Chief, the Campus Police Deputy Chief, the Executive Director of Human Resources (Title IX Coordinator for employees), the Director of Business Services and Risk Management, the Executive Director of Student Financial Services, and the Registrar. The representatives from these departments collaborate in identifying and evaluating processes, procedures and practices to manage compliance with the Clery Act.

Additionally, they are responsible for assigning the development of each policy statement requirement to the appropriate department and for reviewing the policy statements for accuracy prior to publication of the Annual Security Report.

Notice of Availability
Schoolcraft College’s 2019 Annual Security Report is available on the Campus Police webpage at: http://www.schoolcraft.edu/asr2019 and also found on the bottom of the home page of the College website, http://www.schoolcraft.edu titled “Security Report” It is distributed annually to all students, faculty and staff. Hard copies are also available from the Campus Police office located in the lower level of the Jeffress Center on the main campus, 18600 Haggerty Road, Livonia, MI.

The 2019 ASR includes crime statistics for crimes that occurred on any of the College’s three campuses, adjoining properties, and short stay-away trips in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. If you have any questions about this report, please contact us at 734-462-4424.

2019 Annual Security Report  

Federal Regulation of Campus Security
Schoolcraft College is governed by a range of federal statutes, regulations, and agency enforcement guidance concerning crime reporting and the handling of serious incidents on campus. Failure to comply can have significant financial and legal consequences for an institution and more importantly, adversely affect the lives of students, employees, and campus visitors.

Several Federal compliance laws affect campus policies, procedures and safety/security practices such as the Clery Act, Title IX, and the Violence Against Women Reauthorization Act of 2013 (VAWA), Sec. 304. Each is discussed below.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)
The Clery Act requires institutions of higher education to comply with certain campus safety-and security-related requirements as a condition of their participation in the Title IV, Higher Education Act (HEA) programs (Financial Aid). In March of 2013, President Obama signed the reauthorization of the Violence Against Women Act (VAWA), which amended the Clery Act to require institutions to compile statistics for incidents of dating violence, domestic violence, sexual assault, and stalking and to include certain policies, procedures, and programs pertaining to these incidents in their annual security reports.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) was passed in 1990, named in honor of a Lehigh University freshman who was assaulted and murdered in 1986 in her dorm room. This act requires all postsecondary institutions participating in the Higher Education Act of 1965 (HEA) Title IV student financial assistance programs to disclose campus crime statistics and security information. The U.S. Department of Education enforces Clery Act requirements. Penalties for not complying with the Clery Act have more than doubled from their original amount, to $57,317 per violation (as of February 1, 2019). Penalties for non-compliance could also include the withholding of federal funds.

The law requires colleges and universities to collect and publish detailed statistics about certain crimes that occur on and near their campuses, and to annually provide information about safety measures so that students, employees, and visitors can make informed decisions related to safety. Clery statistics are meant to be comprehensive, encompassing all reported crimes, not just those that have been investigated by law enforcement. Reporting for Clery purposes does not turn on investigative findings or a law enforcement decision to charge or not to charge. As long as there is a reasonable basis for believing a reported crime is not rumor or hearsay, it must be included in an institution’s Annual Security Report (ASR).

The ASR is a report required by the Clery Act that each institution submits annually to the U.S. Department of Education (and provides to the public) that includes institutional safety and
security related policy statements and crime statistics. It must be distributed to all current students and employees, and schools must inform prospective students and employees about the availability of the report. Crimes that occurred on campus, in or on any campus-owned or campus-controlled buildings or property, or on property immediately adjacent to and accessible from campus fall within the scope of Clery reporting.

Each institution’s ASR must list the type of crime and where it occurred. There are 15 Clery-Reportable crimes in four categories (Clery Act crimes): (1) Primary Crimes include Murder/Non-Negligent Manslaughter, Manslaughter by Negligence, Sex Offenses (Rape, Fondling, Incest, Statutory Rape), Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, Arson; (2) Hate Crimes; (3) Arrests and Referrals for Disciplinary Action for Drug, Liquor and Weapons Violations; (4) Violence Against Women Act (VAWA) crimes: Domestic Violence, Dating Violence and Stalking.

The Act requires institutions to maintain a publicly accessible Daily Crime Log (DCL) of all reported crimes. The log must contain information about: (1) the nature of the crime, (2) the date of the crime, (3) the time of the crime, (4) the general location of the crime, and (5) the disposition of the complaint.

The Clery Act also requires timely warning notification to the campus community of all Clery Act crimes that are reported to campus security authorities or local police and are considered by the college to represent threats to students and employees. Institutions are to issue warnings as soon as the pertinent information is available, to ensure that the campus community is alerted to a threat to safety and may aid in the prevention of similar crimes. In deciding whether to issue a warning, the institution should consider the nature of the crime, the threat of danger, and the possible risk of compromising law enforcement efforts. If the institution decides to issue a warning, the format selected should be one that is reasonably likely to reach the entire campus community (e.g., e-mail and text message).

Higher Ed institutions such as Schoolcraft College must develop policies, procedures, and programs relating to sex offenses. Schoolcraft College reporting procedures outline the steps that a student should follow if a sexual offense occurs, including who should be contacted, the importance of preserving evidence, and to whom the alleged offense should be reported. The Clery Act requires Schoolcraft College to publish and maintain procedures for disciplinary action. Disciplinary procedures must provide a complainant and respondent an equal right to have persons present during the proceeding, to be informed of the outcome and the sanctions imposed, and to speak about the offense. Additionally, procedures should list the potential sanctions for offenses. The victim should be informed of the right to call both local and on-campus police, the availability of on- and off-campus counseling and mental health services, and the options for reasonable accommodations in changing academic and living situations after an alleged sexual assault.
Violence Against Women Reauthorization Act of 2013 (VAWA)

Congress adopted the Violence Against Women Reauthorization Act of 2013 (VAWA), which required colleges and universities to be in compliance with its requirements beginning October 1, 2014. VAWA section 304 amended the Clery Act, requiring colleges and universities to report incidents of domestic violence, dating violence, and stalking in their Annual Security Reports (ASRs).

VAWA details certain requirements for student disciplinary procedures related to these incidents, including prompt, fair and impartial investigations; annual training for student disciplinary hearing officials; the opportunity for both parties in student disciplinary proceedings to have an advisor of their choice present; and a requirement that both parties simultaneously receive written notice of any outcome of a disciplinary proceeding.

VAWA requires that parties who report incidents receive written notice of their rights, such as interim protective measures available to prevent a hostile environment and a description of the college’s disciplinary process and potential sanctions. Institutions must also provide individuals with reporting options to notify proper law enforcement authorities, including on-campus and local police; assistance in notifying law enforcement authorities if the victim so chooses; and the option to decline to notify the authorities. The Act also requires colleges and universities to prepare policy statements for prevention and awareness programs on domestic violence, dating violence, sexual assault, and stalking, and to develop a bystander intervention program for all incoming students and new employees. The U.S. Department of Education finalized the new regulations in November of 2014.

Title IX

Title IX of the Education Amendments of 1972 (Title IX) prohibits sex discrimination in education programs and activities. The law applies to all colleges and universities that are recipients of federal financial aid, which includes Schoolcraft College.

Sex discrimination includes sexual harassment, according to long-standing Supreme Court authority and U.S. Department of Education regulatory guidance. Sexual harassment, in turn, encompasses sexual misconduct, such as sexual assault. Accordingly, Title IX protects both students and employees from sexual harassment, and requires institutions of higher education to respond in specific ways to reports of sexual harassment, including sexual violence.

In particular, Title IX requires all institutions to:

- Publish a statement of nondiscrimination based on sex;
- Designate a Title IX compliance coordinator;
- Publish and implement procedures for sex discrimination grievances;
- Have prompt, thorough, and impartial investigation procedures for reports of sex discrimination;
• Have appropriate remedies for sex discrimination; and
• Provide education and training on the institution’s related policies and procedures to students, employees, implementers, and adjudicators.

Institutions must respond adequately to a report of sex discrimination regardless of whether there are criminal charges pending against the responding party. Significantly, the existence of criminal charges does not excuse an institution’s independent legal duty to respond to a report of sex discrimination under Title IX.

An institution must take several important steps when it is on notice of sex discrimination. These steps are an institution’s responsibility whether or not the individual affected makes a complaint or otherwise asks the school to take action. For example, institutions must impose appropriate interim protective measures as necessary for the safety of the community and the individuals involved, such as academic support, monitoring or security at the location where the misconduct allegedly occurred, counseling services, no contact orders, and housing and class schedule adjustments. In certain circumstances, institutions may be required to place one or more students on interim suspension, pending the outcome of any investigation and grievance procedure. An institution must implement remedial measures even when a reporting party requests that the report remain confidential. Institutions must also have prompt, thorough, and impartial investigations and hearing processes, while guarding against retaliation. Guidance from the U.S. Department of Education requires that the institutions use a preponderance of the evidence standard in determining whether sexual harassment has occurred.

An institution’s failure to appropriately respond to a report of sex discrimination may result in investigation and enforcement action by the U.S. Department of Education Office for Civil Rights (OCR). In its report to the president for the period 2009 through 2012, the Department of Education disclosed that OCR had received nearly 29,000 discrimination complaints, more than in any other four-year period in its history. Approximately 14 percent of those reports involved sexual harassment, sexual misconduct, or other discrimination on the basis of sex. The Office for Civil Rights has substantially increased its sexual harassment/sexual misconduct investigations and enforcement actions in recent years.

Possible U.S. Department of Education sanctions for noncompliance include the suspension and termination of federal financial assistance. The U.S. Supreme Court has concluded that Title IX also permits individuals to file civil lawsuits against institutions for noncompliance with the law’s requirements.

Compliance with Title IX and VAWA is garnering increased national attention. The White House established an inter-agency task force in January 2014 to coordinate enforcement efforts and aid institutions of higher education in their compliance with Title IX and the Violence Against Women Reauthorization Act (VAWA). The task force released guidelines in its first report on
April 29, 2014 and launched a website with information about enforcement and resources. Read more on this at www.notalone.gov.

On the same day, the U.S. Department of Education Office for Civil Rights (OCR) released new Title IX-related guidance expounding on and clarifying earlier guidance issued in April of 2011. The Office for Civil Rights is also taking steps to make its enforcement process more transparent and accessible for institutions and those who wish to file a complaint. As part of that approach, the Department is now publicly listing each institution that is under investigation for alleged violations of Title IX. In September 2017, the OCR issued new interim guidance and announced its intention to engage in a rulemaking process to provide institutions with revised guidance. This announcement did not change the fact that it is critically important to the welfare of our campus communities that we, as a college, promptly, thoroughly and impartially tackle these issues.

Schoolcraft College Safety and Security
The Board of Trustees recognizes its responsibility to provide for the safety and welfare of the students and staff, to preserve the physical assets of the College, and to permit no disruptive action which would hinder students in the pursuit of their educational goals or would interfere in any way with the Board and its representatives in the orderly performance of their duties.

Overview of the Schoolcraft College Police Department
Members of the Police Department are responsible for protecting persons and property on-campus and ensuring that state laws, city ordinances and college policies are obeyed. Campus Police officers are sworn Michigan Commission on Law Enforcement Standards (MCOLES) officers. Officers are armed and authorized to make warrantless arrests, with jurisdiction on all property that is owned by Schoolcraft College. This includes the Main Campus and the Public Safety Training Center (both in Livonia), and the Radcliff Center (Garden City).

All officers receive annual training including First Aid, CPR/AED, Use of Force, Legal Updates, Firearms Training and Emergency Management. The majority of our officers are retired local law enforcement officers who collectively have over 400 years of law enforcement experience.

Officers have advanced medical training in that they are State licensed as Medical First Responders (MFR) after having completed 64 hours of medical training. Campus Police attend monthly Health Emergency Medical Services (HEMS) meetings to get the most up to date information on compliance issues and training. HEMS is the Wayne County Medical Control Authority for EMS agencies in the Western and Down River Wayne County area.

HEMS sets protocols, policies, quality improvement and training for all EMS agencies in their service area. The Schoolcraft College Medical First Responder license is renewed annually and reviewed by the Medical Control Authority Board of HEMS and then sent to the State of Michigan for final approval.
Campus Police officers patrol the Livonia campus by vehicle, bicycle, and on foot 24 hours a
day, seven days a week. The Radcliff Center Campus is patrolled during operating hours when
classes are in session.

Signs listing the emergency phone numbers of the Campus Police Department and the local
police department are posted throughout all buildings. The signs have instructions on what to
do in case of a tornado or fire. Emergency phones are in the lobbies of all buildings, in the main
parking lots and outside some buildings. These phones are for on-campus calls to Campus
Police and off-campus calls to the local 911 operator. Stickers affixed to all phones on campus
list the emergency phone numbers of the local police and Campus Police. Key employees in all
buildings have a copy of the College Critical Incident Manual. There are fire alarm systems in all
buildings, and a tornado warning siren on the Livonia campus.

Emergency calls to the Campus Police Department are forwarded directly to an officer’s cell
phone when the department office is closed.

Emergency Telephones - Currently Code Blue assistance/emergency telephones are located
across the campuses. Calls made by touching the call button on the phones dial our Campus
Police number. They are located in the following areas:

College Facilities
Schoolcraft College has three campuses. The main or core campus is located in Livonia at 18600 Haggerty Road, and includes 12 buildings. The Radcliff Center is in Garden City at 1751 Radcliff, and the Public Safety Training Center (PSTC) is located in Livonia on Industrial Drive west of Merriman Road. The PSTC is comprised of the Fire Tower, 32303 Glendale, Livonia; Firearms Training Center (FTC), 31623 Industrial Dr., Livonia; and the Academy Training Center (ATC), 31777 Industrial Dr., Livonia. There are no residence halls or off-campus student organizations. Students, employees and visitors have access to most areas on campus during normal college hours. Labs, shops, and computer areas are locked when an instructor or attendant is not present. Buildings are locked when not in use.

A restricted key assignment system is in place, which prevents the key from being copied at a local store. Many areas on campus are alarmed and centrally monitored. Lockers are available in most buildings for students who wish to secure their books or personal belongings.

Buildings, grounds and parking lots are lighted. Trees and shrubs on the developed portions of the campuses do not cause a security problem. Buildings and grounds are inspected monthly for safety and security defects. A system for reporting defects allows patrol officers to bring security or safety problems to the immediate attention of their department head.

Reporting a Crime or Emergency
Schoolcraft College encourages the accurate and prompt reporting of all crimes to the campus police or to the appropriate police agencies when the victim of a crime elects to, or is unable to, make such a report. Students, faculty, staff, and visitors are encouraged to report all crime, emergencies and suspicious situations to the Campus Police in a timely manner. Reports may be made in person, by telephone, or by the emergency Code Blue call box system located in the parking lot areas. The Code Blue Assistance phones automatically call the Campus Police Office when the designated area on the front of the phone is pressed.

If you wish to report a crime committed on campus you should report the incident to the Campus Police by dialing ext. 4424 using any campus phone, or by calling 734-462-4424. If you are a victim of a crime you may report it to the local law enforcement agency and campus officers will assist you in notifying the agency you request such assistance. You may also report a crime online at: http://www.schoolcraft.edu/scaware/sc-aware. This link can be located at the bottom of the Schoolcraft College homepage at www.schoolcraft.edu.
If you wish to report an incident that occurred off campus, the Campus Police will assist you in contacting the appropriate law enforcement agency for reporting purposes.

Once a crime report is received the Campus Police Department will conduct an investigation if needed. We will notify the Title IX Coordinator for gender-based investigations and will assist the Title IX Coordinator when requested.

In order to comply with the Clery Act, Campus Police will assess each report to determine if a Timely Warning or Emergency Notification should be sent to the campus community. Basically this would be done when there is an ongoing or serious threat to the campus community. Students and employees can report crimes to any member of the Campus Police Department.

**Safety Training**
Safety training for campus groups is provided as needed by the following departments: Risk Management, Campus Police, Human Resources and Facilities Management. Safety-related material is occasionally printed in the College newspaper (The Connection), and via closed circuit TV monitors located in the buildings.

**Emergency Notifications**
The Clery Act requires every Title IV institution, without exception, to have and disclose emergency response and evacuation procedures in response to a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

In the event of a significant emergency or a dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus, Schoolcraft College will issue an Emergency Notification. Examples of this type of event include severe weather, fire, explosion, etc. Below is the procedure for an emergency response and/or evacuation.

Should you become aware of an emergency or other dangerous situation call 911 or 8-911 from any college phone, or 911 from your cell phone. You may also notify the Campus Police by calling ext. 4424 from any campus phone or 734-462-4424 from a cell or public phone. Campus Police will respond to the scene and determine if an emergency situation does exist and decide upon the appropriate response. If there is an immediate threat to the health or safety of the campus population, the Campus Police will initiate communication to the affected college community without delay.

The Chief of Police or his designee is responsible for initiating the Emergency Notification, and will work with the Executive Director of Marketing and Communications/or other college staff to accomplish this task. The notification will be instituted without delay but will take into
account their professional judgment if the notification would compromise efforts to assist a victim or to contain or otherwise mitigate the emergency. Because each event is different, there may be differing methods of communication. These may include any or all of the following:

- Public address system
- SCAlerts (email, text, phone)
- College television network

Annually, the college will test the emergency response and evacuation procedures, which may or may not be pre-announced.

**Timely Warnings**
According to the Department of Education, in order to keep the campus community informed about safety and security issues on an on-going basis. An institution must alert the campus community of certain crimes in a manner that is timely and will aid in the prevention of similar crimes. Although the Clery Act doesn’t define “timely,” the intent of a warning is to enable people to protect themselves, which means that a warning should be issued as soon as the pertinent information is available.

All of us want to be alerted promptly to potentially dangerous criminal situations near our homes or workplaces so that we have both the time and the information necessary to take appropriate precautions. Applying this to Schoolcraft College provides the concept of the “timely warning.” The Clery Act mandates Timely Warnings only for Clery crimes, but the College will provide a “Timely Warning” when a crime is committed on campus that may pose an ongoing threat to students and employees. A warning will be issued as soon as pertinent information is available.

Campus Police will evaluate reported incidents on a case-by-case basis. After the Campus Police evaluates to validate the crime and threat to the campus community, the Chief of Police will confer with the Vice President and CFO who will make a recommendation to the President. If notification of the public is deemed necessary, a Timely Warning may be placed on the campus television network, the local media may be notified, the SC Alerts System may be activated, and the Executive Director of Marketing and Communications will arrange for the information to be placed on the College website.

In addition, Public Safety Advisories may be issued when there is an incident that may not be a Clery Act crime or not on our Clery geography, but may be issued out of an abundance of caution to keep the campus community safe.
Annual Security Report (ASR)
The following information is provided in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, as amended. This Act is available on the Dept. of Ed’s website at http://www.ed.gov/admins/lead/safety/campus.html.

In complying with the Clery Act, the Schoolcraft College Police Department (Campus Police) publishes and distributes by October 1st of each year, an annual security report to all enrolled students and all employees as well as prospective students and employees. The Annual Security Report is on the Campus Police webpage at http://www.schoolcraft.edu/asr2019 or it can be viewed in person at the Campus Police main office at the Livonia Campus. This report provides Clery reportable crime statistics for the years 2018, 2017, and 2016.

Campus Geography
There are three basic geography classifications defined by the Clery Act: On-Campus, Public Property, and Noncampus.

On-Campus
The on-campus category includes the following:
Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and

Any building or property that is within or reasonably contiguous to the area identified in paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

Below is a list of the building and properties that Schoolcraft College owns or controls for purposes of our educational mission and Clery Act On-Campus Geography. Schoolcraft College has no residence halls.

Public Property
Under the Clery Act, public property encompasses the following:
All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus. Public property refers to property owned by a public entity, such as a city or state government and can include public parking lots, streets, and parks. This is public property that immediately borders and is accessible from the campus. In many cases this property consists of a public sidewalk that borders the campus, the public street along the sidewalk and the public sidewalk on the other side of the street (i.e., sidewalk, street, and sidewalk). Public property does not include anything beyond the second sidewalk. (If there isn’t a second sidewalk, it doesn’t include anything beyond the street.)

We annually request crime statistics from Livonia PD, Garden City PD and Northville Township PD to determine which Clery Act crimes have occurred on public property adjacent to our campuses, which is then included in the Annual Security Report.

Non-Campus Buildings or Property
The Clery Act definition of noncampus buildings or property is:
Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Non-Campus Geography includes trips to off-campus locations; these include repeated use of a location for school-sponsored trips, i.e. same hotel every year or short-stay “away” trips where our students would stay for more than one night. The following is a sample of what is included:

- Hotels used by athletics teams and student organizations when they travel for more than one night or use the same location every year.

- Locations used by athletic teams for games or practices, as well as for academic courses taught in off-site locations, such as Ford Field in Livonia.

Crime statistics in the tables in this ASR refer to the Clery Act crimes that have occurred at one of the three geographic locations listed above.

Preparing the annual disclosure of crime statistics
The Schoolcraft College Campus Police Department collects statistics for crimes reported on the above listed campus geography. Crime statistics are disclosed in our Annual Security Report, which is available to see in-person in the Campus Police office at the Main Campus, as well as viewed on the Campus Police webpage at http://www.schoolcraft.edu/asr2019.

Campus Security Authorities
In addition to the officers of Schoolcraft College Campus Police Department, the College has over 90 employees that the Clery Act designates as Campus Security Authorities (CSAs) mainly due to their job function. These are employees that have significant responsibility over student and campus activities and they are responsible for reporting to the College reporting structure crimes that students, staff or visitors have reported to them. The list of the College’s CSAs is maintained in the Campus Police office.

Statistics from Local Law Enforcement Agencies
Each year, the Schoolcraft College Campus Police Department (Campus Police) works with the Livonia Police Department, the Garden City Police Department, Westland City Police and the Northville Township Police Department in making a good-faith effort to collect crime statistics for all Clery Act crimes committed within the Schoolcraft Clery Act geography. These local law enforcement agencies are asked to supply us with Clery Act crimes that have been reported to them that occurred in the public areas adjacent to our Clery defined geography.
The Daily Crime Log (DCL)
The purpose of the daily crime log is to record all criminal incidents and alleged criminal incidents that are reported to the campus police. Crime log entries include all crimes reported to the campus police department for the required geographic locations, not just Clery Act crimes. The log is designed to provide crime information on a timelier basis than the annual statistical disclosures. The crime log includes specific information about criminal incidents, not crime statistics. The crime log for the most recent 60-day period is open to public inspection, free of charge, upon request during normal business hours. Log entries older than 60 days are available within two business days of a request for public inspection. The log includes the nature of the crime, the date and time the crime occurred, the location of the crime and the disposition of the complaint. Archived logs are kept for seven years.

Emergency Response and Evacuation Procedures
Under the Clery Act, Emergency Notification is the process by which Schoolcraft College will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on any of the three campuses. Examples include: Outbreak of meningitis, norovirus or other serious illness, approaching tornado, hurricane or other extreme weather conditions, earthquake, gas leak, terrorist incident, armed intruder, bomb threat, civil unrest or rioting, explosion, or nearby chemical or hazardous waste spill.

Procedure:
1. Should any person become aware of an emergency or other dangerous situation, they should call 911.
2. Schoolcraft College Campus Police will respond to the scene to determine the kind, severity, and appropriate response to the situation.
3. If the situation indicates an immediate threat to the health or safety of the College populations, the Campus Police will initiate communication notification steps that include:
   a. Determining which community segment(s) will receive the notification;
   b. Determining the content of the notification; and
   c. Initiating the notification.
4. The Chief of Police or his designee is responsible for initiating the emergency notification.
5. The emergency notification shall be instituted without delay but will take into account the professional judgment of those initiating it in case the notification would compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.
6. Each event will be evaluated to determine the notification method utilized which may include: SC Alerts, (Email, phone and SMS text messages), ALERTUS (computer screen pop-ups), building intercom systems, patrol car public address system, voicemail messages sent from Information Services to campus phones, messages placed on the campus video network by Media, posting on the College website and/or social media posts. (Sign up for SC Alerts at http://www.schoolcraft.edu/police/sc-alerts).
7. Annually, the College will test the emergency response and evacuation procedures, which may be pre-announced or not. The test will be evaluated and will be publicized on the Campus Police web site.

**Annual Security Report Policy Statements**

Because these reports are public records under state law in most cases they are subject to release and Freedom of Information Act (FOIA) requests. Confidentiality of a complainant may not always be able to be maintained due to a duty to investigate and provide a safe College environment for others. In such cases, privacy will be maintained to the extent possible however, if a gender-based crime then we must disclose it to Title IX Coordinator.

**Timely Warnings**
The Clery Act requires us to issue a timely warning for all Clery Act crimes that occur on our Clery Act geography that are reported to our campus security authorities or local police agencies, and considered by the Chief of Police or his designee represents a serious or continuing threat to students and employees. The intent of such a warning regarding criminal incident(s) is to enable people to protect themselves. This means that the warning will be issued as soon as pertinent information is available.

These notifications shall be provided to students and employees in a manner that is timely, that withholds the names of victims as confidential, and that will aid in the prevention of similar occurrences. Campus Police will review the making of a timely warning to the College community for all crimes that are listed in the Clery Act, which include:

2. Sex offenses (forcible and non-forcible)
3. Robbery
4. Aggravated assault

Any of the above crimes (1-8), any of the crimes of larceny/theft, simple assault, intimidation, and destruction, damage or vandalism of property, and of other crimes involving bodily injury to any person, in which the victim is intentionally selected because of the actual or perceived bias of race, gender, religion, national origin, sexual orientation, gender identity, ethnicity, or disability of the victim that are reported to campus security authorities or local police agencies, which data shall be collected and reported according to category of prejudice.
10. Domestic violence, dating violence, and stalking incidents that were reported to campus security authorities or local police agencies.

A Timely Warning is defined as generally within 48 hours of receiving the initial report, withheld the names of victims as confidential, and aids in the prevention of similar occurrences.

Should any person become aware of any criminal activity, particularly any of the Clery Act offenses listed above, they should call the Campus Police at 734-462-4424 or from any Campus phone by dialing extension 4424.

If a Timely Warning will be utilized, each event will be evaluated to determine the best notification methods to be used which may include: SC Alerts (Email, phone, and SMS text messages), ALERTUS (computer screen pop-ups), building intercom systems, patrol car public address system, voicemail messages sent from Information Services to campus phones, messages placed on the campus video network by Media, posting on the College website and/or social media posts.

**Security and Access to College Facilities**
Most of the parking lots and buildings are recorded by video camera 24 hours a day. However, these measures alone will not ensure a crime-free campus. Students, employees and visitors also share responsibility for their own safety and the safety of others. They are encouraged to take common sense safety precautions and to report all incidents, unsafe conditions and suspicious activities to the Campus Police Department.

During business hours, Schoolcraft College is open to students, employees, contractors, guests, and invitees. During non-business hours there is no access to College facilities. The college has no residential facilities.

Officers make regular checks of buildings during routine patrols. Camera systems are in place and they are viewed real-time via our Intelligence Operations Center in the Lower Level of the Jeffress Center. Utilizing our new access control system, some buildings can be locked down immediately, with future plans to include all buildings.
Officers of the Schoolcraft College Police Department are available twenty-four hours a day, seven days a week by utilizing one of the many Code Blue Assistance phones on any of the three campuses. Dialing 9-1-1 for emergencies on the main Livonia campus or the Public Safety Training Center will connect with the Livonia Police Department. On the Radcliff Center Campus, 9-1-1 will connect the caller to the Westland Police, who are contracted to dispatch for Garden City PD. To contact the Campus Police directly, dial 4424 from any College phone or 734-462-4424 from any other phone.

Weather emergencies may necessitate changes or alterations to any posted schedules. In case of schedule changes, the College may make notifications utilizing the SC Alerts Notification System, ALERTUS (computer screen pop-ups), Email, building intercom systems, patrol car public address system, voicemail messages sent from Information Services to campus phones, messages placed on the campus video network by Media, posting on the College website and/or social media posts.

Additionally, the College may communicate through media outlets, including: FOX 2 News, WDIV 4, WXYZ 7, WWJ 950, and WJR 760.

**Campus Police and Jurisdiction**
The Schoolcraft College Police Department (Campus Police) is certified and empowered with full police authority by the Michigan Commission on Law Enforcement Standards (MCOLES).

Campus Police work closely with local, state, and federal police agencies and has direct radio communication with the Northville Township, Livonia and Garden City police departments. There is currently an Intra-Governmental Agreement (IGA) with the City of Livonia and a Memorandum of Understanding (MOU) with the Livonia Police Department regarding jurisdiction, prisoner housing, and other operational issues.

Campus Police encourage the accurate and prompt reporting of all crimes. Any person who wishes to report a crime in progress or any other emergency at any of the Schoolcraft campuses should call 9-1-1. Delayed crime reports or non-emergencies can be reported by dialing 4424 from any College phone or 734-462-4424 from any other phone.

If offenses involving College rules and regulations are committed, Campus Police may refer the individual(s) to the Office of the Vice-President and Chief Student Affairs Officer.

**Counseling and Reporting Procedures**
It is the procedure of Counseling Services that when professional counselors deem it appropriate to inform the person they are counseling regarding the voluntary, confidential reporting of crime for inclusion in the annual disclosure of crime statistics, they do so. Reported
violations of the law will be referred to law enforcement and when appropriate, the Office of the Vice-President and Chief Student Affairs Officer.

**Security considerations in the maintenance of campus facilities**
The Campus Police provide safety and security during renovations and maintenance of College buildings and grounds. Campus Police personnel regularly meet with Construction and Design, Facilities Management, and Information Services, among others in order to ensure a safe and secure environment, including during the planning stages of a new building or renovation.

The Facilities Management (FM) department maintains the College’s buildings and grounds with a concern for safety and security. It inspects campus facilities regularly, makes repairs affecting safety and security, and responds to reports of potential safety and security hazards, such as broken windows and locks. Campus Police staff collects and report maintenance needs concerning lighting and building security to Facilities Management.

**Security Awareness and Crime Prevention Programs**
The Campus Police periodically provide security awareness programs designed to inform students and employees about campus security procedures and practices and to encourage students and employees to be responsible for their own security and the security of others. Programs designed to inform students and employees about the prevention of crimes include orientation, where students and employees are informed of campus security programs offered by the Campus Police. The Campus Police website provides additional crime prevention suggestions.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. Information is also presented to students and employees through crime prevention awareness packets, security alert posters, emergency response plans, and training sessions.

Contact Campus Police to report a crime in progress or any other emergency at any of the Schoolcraft campuses by dialing 9-1-1. Delayed crime reports or non-emergencies can be reported by dialing 4424 from any College phone or 734-462-4424 from any other phone.

**Criminal Activity Off-Campus**
Campus Police monitor all law enforcement agencies adjacent to our campuses/sites. Although the College does not currently have residential facilities or off-campus student organizations, students need to be aware that if the Campus Police learned of criminal activity committed by students at those locations, the incident may be investigated and/or referred to the Office of the Vice-President and Chief Student Affairs Officer.
Victims of Violent Crime
Schoolcraft College will, upon written request, disclose to the alleged victim of a crime of violence (as defined in Section 16 of Title 18, United States Code), or a non-forcible sex offense, the results of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offense, the information shall be provided, upon request, to the next of kin of the alleged victim.

Higher Education Opportunity Act (HEOA) Victim Notification
Schoolcraft College will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Emergency Response and Evacuation Procedures
Under the Clery Act, Emergency Notification is the process by which Schoolcraft College is required to confirm a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the Schoolcraft campuses. Examples include: Outbreak of meningitis, norovirus or other serious illness, approaching tornado, hurricane or other extreme weather conditions, earthquake, gas leak, terrorist incident, armed intruder, bomb threat, civil unrest or rioting, explosion, or nearby chemical or hazardous waste spill.

Should any person become aware of an emergency or other dangerous situation, they should call 911. Campus Police will be contacted and will respond to the scene to determine the kind, severity, and appropriate response to the situation. If the situation indicates an immediate threat to the health or safety of the College populations, Campus Police will initiate communication notification steps that include:
   a. Determining which community segment(s) will receive the notification;
   b. Determining the content of the notification; and
   c. Initiating the notification.

Each event will be evaluated to determine the notification method utilized which may include: SC Alerts Notification System, ALERTUS (computer screen pop-ups), Email, building intercom systems, patrol car public address system, voicemail messages sent from Information Services to campus phones, messages placed on the campus video network by Media, posting to the College website and/or social media posts.

Annually, the College will test the emergency response and evacuation procedures, which may or may not be pre-announced.
Incidents of Sexual Assault, Domestic Violence, Dating Violence and Stalking

Sexual harassment or sex offenses of any type will not be tolerated on campus. A victim’s first priority should be to get to a place of safety. Contact with Campus Police at 734-462-4424 or the local law enforcement authorities should be made in a timely manner.

Sexual assault is a very traumatic and invasive crime and many victims may be too embarrassed or ashamed to report the offense to police. Fear of investigative, medical, and prosecutorial procedures add to a victim’s reluctance to make a report. A victim’s distress may also create an unwillingness or inability to assist in the investigation. It is important that victims understand that federal law mandates that Schoolcraft College Title IX coordinators be notified of any incidents of sexual violence or harassment.

The College and Campus Police will treat victims of sexual assault, domestic violence, dating violence and stalking with compassion and consideration, and will provide the necessary information and assistance to make their interaction with the criminal justice system as easy as possible.

Sexual assaults, domestic violence, dating violence and stalking of any type will not be tolerated on any of the Schoolcraft campuses. A victim’s first priority should be to get to a place of safety. Crimes in progress, or any emergency, should be reported to the Schoolcraft College Campus Police and local law enforcement by dialing 9-1-1. Delayed crime reports or non-emergencies can be reported by dialing 4424 from any College phone or 734-462-4424 from any other phone.

Student-related assaultive conduct (including sexual assaults, domestic/dating violence and stalking) may also be reported to the Vice President and Chief Student Affairs Officer (Cheryl Hagen) at 734-462-4577 and employee-related assaultive conduct (including sexual assaults, domestic/dating violence and stalking) may be reported to the Executive Director of Human Resources (Laura Sensing) at 734-462-4465.

Regarding sexual assaults, time is a critical factor for evidence collection and preservation. Filing a report with the Campus Police will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from the officers. Filing a report will ensure that the victim receives the necessary medical treatment and tests. It will also provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later.

Every person reporting a sexual assault, domestic violence, dating violence or stalking incident shall receive a Crime Victim’s Rights Card. The card contains important information for victims of these assaults, including: an explanation of their legal rights, available emergency medical services, victim’s compensation, prosecutor’s office contact information, information regarding an explanation of Title IX, information regarding domestic violence shelters, counseling, and
obtaining personal protection orders, as well as contact information for the Schoolcraft Police, the Livonia Police Department (for reporting crimes that occurred on the main campus or the PSTC) and the Garden City Police Department (for reporting crimes that occurred at the Radcliff Center).

Sexual assault, domestic violence, dating violence or stalking offenders will be subjected to College disciplinary action and/or criminal prosecution. Disciplinary proceedings for employees or students may result in sanctions including termination and expulsion. In any on-campus disciplinary proceeding, both the accused and the accuser may have others present during the hearing. Both parties will be informed of the outcome of the proceedings.

Though staffed with licensed professional counselors, the Schoolcraft College Counseling Department does not have its own pastoral or specialized counselors that are specifically qualified in the area of sexual assaults, domestic or dating violence or stalking. Both the Counseling Department and the Campus Police are able to refer victims to counseling services that do have specially qualified personnel.

When requested, Student Services will assist student victims of sexual assault, domestic violence, dating violence or stalking in changing their academic situation. College personnel will assist victims in notifying local law enforcement authorities if the victim requests such assistance. Employee victims shall be assisted by Human Resources regarding their working situations.

The Hinkle Center, located in the McDowell Building on the main campus, provides literature that promotes awareness of rape, acquaintance rape, and other sex offenses. This department can refer victims to proper counseling. The College does not have its own pastoral or professional counselors that are qualified to handle these matters.

During orientation, students and employees are informed of crime prevention tips offered by the Schoolcraft College Campus Police. The Campus Police website, http://www.schoolcraft.edu/police/sc-police-department, provides additional crime prevention suggestions. Information is also made available to students and employees through the Counseling Department, Schoolcraft’s “Guide to Gender-Based and Sexual Misconduct,” annual and recurring Title IX and Clery presentations, emergency response plans, newsletter articles, as well as the Safety Escort Program. The student success seminar "College and Beyond," required for new students, includes an online training module that teaches students how to recognize, prevent and respond to sexual assault and other forms of interpersonal violence.

Any reported incident of sexual assault, domestic violence, dating violence or stalking shall be held in the highest level of confidentiality allowed under law, including the identity of the victim(s).

Sex Offender Information
In accordance with the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act, and the Family Educational Rights and Privacy Act of 1974, Schoolcraft College is providing a link to the Michigan State Police Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the state of Michigan, convicted sex offenders must register with the Sex Offender and Crimes Against Minors Registry maintained by the State Police.

The Sex Offenders Registration Act, MCL 28.721, directs the Michigan State Police to develop and maintain a public registry and provides guidelines on the type of offender information available to the public. The registration requirements of the Sex Offenders Registration Act are intended to provide the people of this state with an appropriate, comprehensive, and effective means to monitor those persons who pose a potential danger.

In accordance with the Wetterling Act, Megan’s Law, and the Campus Sex Crimes Prevention Act of 2000, it is now mandatory that all registered sex offenders report to the law enforcement agency having jurisdiction in which the institution of higher learning is located. Sex Offender information provided under section 121 of the Adam Walsh Child Protection and Safety Act of 2006 (42 U.S.C. 16921), concerning registered sex offenders may be obtained via the Michigan State Police website at the Michigan Public Sex Offenders Registry: http://www.mipsor.state.mi.us.

Registered sex offenders who are members of the College community, upon enrollment at the College and/or anytime thereafter while they remain a student at the College, are obligated to notify the Campus Police that they have registered, and are required to register with the Michigan Public Sex Offenders Registry. Failure to notify the College is deemed to be a violation of the Student Code of Conduct, and subjects those students to all available College Judicial Processes and the Sanctions set forth. Tier 1, Tier 2, Tier 3, and multiple offense individuals may be requested to meet with the Dean of Students or Associate Dean of Student Relations.

Reporting the Annual Disclosure of Crime Statistics
The Schoolcraft College Campus Police shall prepare an Annual Security Report (ASR) to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies surrounding our campuses and other non-campus sites.
Campus crime, arrest and referral statistics include those reported to the Schoolcraft College Campus Police and local law enforcement agencies per Clery Act procedures.

Each year, notification shall be made to all enrolled or prospective students, faculty, and staff that provide access to the report at: http://www.schoolcraft.edu/asr2019 or it can be viewed in person at the Campus Police office.

The Campus Police shall submit the crime statistics from the Annual Security Report to the Department of Education via an annual web-based data collection, usually required by mid-October.

Alcohol and Drug Policies
Students, employees, and visitors are expected to observe all federal, state, and local laws and college regulations governing the use and possession of alcoholic beverages, narcotics, or dangerous drugs. All students, employees, and visitors are specifically forbidden to use or possess alcoholic beverages, narcotics, or dangerous drugs or to be under the influence while on College property. The possession, sale or furnishing of alcohol is governed by state and local laws. It is unlawful to sell, furnish, or provide alcohol to anyone less than 21 years of age.

Excessive use of alcohol by students under any circumstances is not condoned by the College and undesirable conduct resulting from alcohol use will be subject to disciplinary action.

Schoolcraft College property has been designated “Drug free” and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the Schoolcraft College Campus Police. Violators are subject to college disciplinary action and criminal prosecution.

Alcoholic beverages may be served in the VisTaTech Center as an integral part of culinary arts and community service programs. They also may be served to organizations affiliated with the College upon proper authorization (See College Policy 2007).

It is College policy that the unauthorized manufacture, distribution, dispensation, possession or use, or being under the influence of a controlled substance, by any employee while on duty, reporting to duty, or while participating in any College activity, is strictly prohibited. The term controlled substance refers to drugs and chemical substances such as, but not limited to: marijuana, cocaine, crack cocaine, heroin, peyote, mescaline, or LSD.

Drug or alcohol-abuse education programs, as required under section 120(a) through (d) of the Higher Education Act (HEA) includes materials and brochures on Alcohol and Other Drug Abuse Prevention education available in the Counseling Office, Hinkle Center and the Student
Activities Office. In addition, Alcohol and Other Drug Abuse Prevention information is emailed directly to all students.

The college offers assistance and/or referrals to any student or employee for drug or alcohol abuse. Students should contact the Counseling Center and employees should see the Human Resources Department for details.

In November 2018, Michigan voters approved the legalization of recreational marijuana. In January 2019, Executive Director of Human Resources (Laura Sensing) issued this email to the Staff and Faculty of Schoolcraft College:

_To the campus community,_

_Last November, voters in Michigan approved Proposal 1 to allow possession, use and distribution of marijuana in Michigan; on behalf of the college, I am writing to clarify that this does not change federal law nor does it change Schoolcraft College’s obligation to abide by federal law._

_As a recipient of federal financial aid and grant funding, the College is required to adhere to regulations outlined in the Controlled Substances Act, the Drug Free Schools and Campuses Act and the federal Drug Free Workplace Act. All of these prohibit the possession, use and distribution of marijuana in all forms, as provided in existing Board policy and procedures. Enforcement of federal law applies to violations for any reason, including use for medicinal purposes._

_We will also be communicating with our students to clarify that the change in the marijuana laws will not alter the Student Code of Conduct, which also prohibits the possession, use, and distribution of marijuana in all forms while on college premises or participating in campus activities._

Any employee convicted of violating any criminal drug statute related to conduct occurring in the workplace must report the situation to the Human Resource Office within five days after conviction. Any employee or student who violates this policy may be subject to sanctions, including without limitation, termination (See College Policy 4200).

An Employee Assistance Plan is available for confidential referrals to aid those employees seeking rehabilitation.
Further information can be found by consulting with College Policies and Procedures, including Policies 1092, 2006, 2007 and 2011, and the Alcohol and Other Drug Abuse Prevention brochure for additional information.

2019 Annual Security Report

The Clery Act as Amended by the Violence Against Women Act
Schoolcraft College prohibits the offenses of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the College community. Toward that end, Schoolcraft College issues this statement of policy to inform the campus community of our programs to address domestic violence, dating violence, sexual assault and stalking as well as the procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking, which will be followed regardless of whether the incident occurs on or off campus when it is reported to a College official.

Federal Definitions of Domestic Violence, Dating Violence, Sexual Assault and Stalking
The Clery Act defines the crimes of domestic violence, dating violence, sexual assault and stalking as follows:

- **Domestic Violence:**
  i. A Felony or misdemeanor crime of violence committed—
     A) By a current or former spouse or intimate partner of the victim;
     B) By a person with whom the victim shares a child in common;
     C) By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
     D) By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
     E) By any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

- **Dating Violence:** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.
  ii. The existence of such a relationship shall be based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
  iii. For the purposes of this definition—
    A) Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
    B) Dating violence does not include acts covered under the definition of domestic violence.
• **Sexual Assault:** An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI’s Uniform Crime Reporting (UCR) program. Per the National Incident-Based Reporting System User Manual from the FBI UCR Program, a sex offense is “any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.”
  
  o **Rape** is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
  
  o **Fondling** is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
  
  o **Incest** is defined as sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
  
  o **Statutory Rape** is defined as sexual intercourse with a person who is under the statutory age of consent.

• **Stalking:**
  
  i. Engaging in a course of conduct directed at a specific person that would cause a reasonable person to—
     A) Fear for the person’s safety or the safety of others; or
     B) Suffer substantial emotional distress.
  
  ii. For the purposes of this definition—
     A) **Course of conduct** means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property.
     B) **Reasonable person** means a reasonable person under similar circumstances and with similar identities to the victim.
     C) **Substantial emotional distress** means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
Bystander Intervention
Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. The following is a description of safe and positive options for bystander intervention.

How to Be an Active Bystander
Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.”

We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

Risk Reduction
Risk reduction means options designed to decrease perpetration and bystander inaction and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

With no intent to victim blame and recognizing that only abusers are responsible for their

2 Bystander intervention strategies adapted from Stanford University’s Office of Sexual Assault & Relationship Abuse
abuse, the following are some strategies to reduce one’s risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org)

1. **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.

2. Try to **avoid isolated areas**. It is more difficult to get help if no one is around.

3. **Walk with purpose**. Even if you don’t know where you are going, act like you do.

4. **Trust your instincts**. If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.

5. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.

6. **Make sure your cell phone is with you** and charged and that you have cab money.

7. **Don’t allow yourself to be isolated** with someone you don’t trust or someone you don’t know.

8. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.

9. **When you go to a social gathering, go with a group of friends**. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around may help you to find a way out of a bad situation.

10. **Trust your instincts**. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).

11. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you’ve left your drink alone, just get a new one.

12. **Don’t accept drinks from people you don’t know or trust**. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don’t drink from the punch bowls or other large, common open containers.

13. **Watch out for your friends, and vice versa**. If a friend seems out of it, is way too intoxicated for the amount of alcohol they’ve had, or is acting out of character, get him or her to a safe place immediately.

14. **If you suspect you or a friend has been drugged, contact law enforcement immediately** (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
   
   a. **Remember that being in this situation is not your fault**. You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
   
   b. **Be true to yourself**. Don’t feel obligated to do anything you don’t want to do. "I don't want to" is always a good enough reason. Do what feels right to you
and what you are comfortable with.

c. **Have a code word with your friends or family** so that if you don’t feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.

d. **Lie.** If you don’t want to hurt the person’s feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.

16. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?

17. **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.
Programs to Prevent Domestic Violence, Dating Violence, Sexual Assault and Stalking

The College engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking that:

A. Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome; and

B. Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community and societal levels.

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students that include:

A. A statement that Schoolcraft College prohibits the crimes of domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act);

B. The definitions of domestic violence, dating violence, sexual assault and stalking according to any applicable jurisdictional definitions of these terms;

C. What behavior and actions constitute consent, in reference to sexual activity, in the State of Michigan (which does not define consent). Schoolcraft College defines consent as permission to act. It may be given by words or actions, so long as those words or actions create clear, mutually understood permission to engage in (and the conditions of) sexual activity.

D. A description of safe and positive options for bystander intervention. Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene;

E. Information on risk reduction. Risk reduction means options designed to decrease perpetration and bystander inaction and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

F. Information regarding:

   a. procedures victims should follow if a crime of domestic violence, dating violence, sexual assault and stalking occurs (as described in “Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking Occurs” elsewhere in this document)
b. how the institution will protect the confidentiality of victims and other necessary parties (as described in “Assistance for Victims: Rights and Options” elsewhere in this document);  
c. existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims, both within the institution and in the community (as described in “Assistance for Victims: Rights and Options” elsewhere in this document); and  
d. options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures (as described in “Assistance for Victims: Rights and Options” elsewhere in this document);  
e. procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking (as described in “Adjudication of Violations” elsewhere in this document);  

Primary Prevention and Awareness Programs  
These programs include:

**Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking Occurs**

After an incident of sexual assault, dating violence or domestic violence, the victim should consider seeking medical attention as soon as possible at an area hospital. In Michigan, evidence may be collected even if you chose not to make a report to law enforcement. It is

---

3 Under the Violence Against Women and Department of Justice Reauthorization Act of 2005, starting in 2009, states must certify that they do not “require a victim of sexual assault to participate in the criminal justice system.

important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College adjudicators/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with Campus Police or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

Involvement of Law Enforcement and Campus Authorities
Although the College strongly encourages all members of its community to report violations of this policy to law enforcement (including on campus law enforcement and/or local police), it is the victim’s choice whether or not to make such a report. Furthermore, victims have the right to decline to notify law enforcement. However, the College Counseling Department will assist any victim with notifying local police if they so desire. They can be contacted at (734) 462-4429. On the main campus or the Public Safety Training Center (both in Livonia) to contact Campus Police, call 734-462-4424, or local the police department. The local police department is the Livonia Police Department, who can be reached directly by calling (734) 466-2400, or in person at 15050 Farmington Rd., Livonia, MI 48154. Additional information about the Livonia Police Department may be found online at: www.livoniapd.com. or cooperate with law enforcement in order to be provided with a forensic medical exam, reimbursement for charges incurred on account of such an exam, or both."
Reporting Incidents of Domestic Violence, Dating Violence, Sexual Assault and Stalking

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Vice President and Chief Student Affairs Officer, or the Campus Police (if the victim so desires). The Title IX Coordinator for students is Marty Heator, Dean of Students; he can be reached at 734-462-4486, or in the McDowell Center, Room 123, 18600 Haggerty Road, Livonia, Mi. 48152, or by email at mheator@schoolcraft.edu. Employees should contact Executive Director of Human Resources, Laura Sensing, at (734) 462-4408 or via email at hr@schoolcraft.edu. To contact the Campus Police, call 734-462-4424 or by writing or coming into the office to report in the lower level of the Jeffress Center at 18600 Haggerty Road, Livonia, MI. Reports of all domestic violence, dating violence, sexual assault and stalking made to Campus Police will automatically be referred to the Title IX Coordinator for investigation regardless of if the complainant chooses to pursue criminal charges.

Procedures the College Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking is Reported

Schoolcraft College has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as housing, academic, transportation and working accommodations, if reasonably available. The College will make such accommodations, if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to the Campus Police or local law enforcement. Students should contact Vice President and Chief Student Affairs Officer Cheryl Hagen at 734-462-4577. Employees can contact Executive Director of Human Resources Laura Sensing at (734) 462-4408, or by email at lsensing@schoolcraft.edu.

Rights of Victims and the Institution’s Responsibilities for Orders of Protection, “No Contact” Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the Institution

Schoolcraft College complies with Michigan law in recognizing orders of protection (Personal Protection Orders). Any person who obtains an order of protection from Michigan or any reciprocal state should provide a copy to the Campus Police and the Office of the Title IX Coordinator. A complainant may then meet with Campus Police to develop a Safety Action Plan, which is a plan for campus police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc.) The College cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s).

The victim is required to apply directly for these services. Protection from abuse orders are available at the Coleman A. Young Municipal Center (CAYMC), 2 Woodward Avenue, Detroit, MI 48226, Room 928 on the 9th floor. Further questions should be directed to the Wayne County Clerk’s Office at 313-224-6292.

The College may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. If the College receives a report that such an institutional no contact order has been violated, the College will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

Accommodations and Protective Measures Available for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, Schoolcraft College will provide written notification to students and employees about accommodations available to them, including academic, transportation and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the accommodations).

At the victim’s request, and to the extent of the victim’s cooperation and consent, College offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, living (Schoolcraft College does not have residence halls), working or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Potential changes to living situations may include moving to a different room or residence
hall. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

To request changes to academic, transportation and/or working situations or protective measures, or if the victim wishes to receive assistance in requesting these accommodations, students should contact the Title IX Compliance Officer, Vice President and Chief Student Affairs Officer Cheryl Hagen. She can be contacted by calling 734-462-4577, or in person by visiting her campus office in the McDowell Building, Room 215, 18600 Haggerty Road, Livonia, MI 48152, or by email at chagen@schoolcraft.edu. Employees can contact Executive Director of Human Resources Laura Sensing at (734) 462-4408, or by email at lsensing@schoolcraft.edu.

Confidentiality
Victims may request that directory information on file with the College be withheld by request through the Registrar’s office at Records Office, McDowell Center, P: (734) 462-4677, screcord@schoolcraft.edu.

Regardless of whether a victim has opted-out of allowing the College to share “directory information,” personally identifiable information about the victim and other necessary parties will be treated as confidential and only shared with persons who have a specific need-to-know,
i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The College does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

Adjudication of Violations
Whether or not criminal charges are filed, the College or a person may file a complaint under the Student Code of Conduct (Policy 2011: Regulations Governing Students), alleging that an individual student or a student group has violated the Code of Conduct.

The College’s disciplinary process includes a prompt, fair, and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the institution’s policy and that is transparent to the accuser and the accused. Usually, the resolution of domestic violence, dating violence, sexual assault and stalking complaints are completed within 60 days of the report. However, each proceeding allows for extensions of timeframes for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. College officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
2. The accuser, the accused and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meetings and hearings;
3. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;
4. The accuser and the accused will have the same opportunities to have others present during any institutional disciplinary proceeding. The accuser and the accused each have the opportunity to be advised by an advisor of their choice at any stage of the process.
and to be accompanied by that advisor to any related meeting or proceeding. The College will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. However, the role of the advisor is limited. An advisor may only consult and advise his or her advisee, but not speak for the advisee at any meeting or hearing.

5. The accuser and the accused will be notified simultaneously, in writing, of any initial, interim and final decision of any disciplinary proceeding; and

6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.

Whether or not criminal charges are filed, the College or a person may file a complaint under the following policies, depending upon the status of the accused (student or employee):

**Types of Disciplinary Proceedings Utilized in Cases of Alleged Domestic Violence, Dating Violence, Sexual Assault and Stalking**

Policy Applicable To Students Accused Of Domestic Violence, Dating Violence, Sexual Assault and Stalking

Policy 2011: Regulations Governing Students

1. **How to File a Disciplinary Complaint Under this Policy**
   A victim can initiate disciplinary action by filing a report using the College’s online reporting tool, SC aware. If a victim chooses to notify a College employee, the employee initiates action by filing a report on the student’s behalf.

   Link to file a report: [http://www.schoolcraft.edu/scaware/sc-aware](http://www.schoolcraft.edu/scaware/sc-aware). This link is can be found at the bottom of the Schoolcraft College website [www.schoolcraft.edu](http://www.schoolcraft.edu) homepage.

Policy:

---

5 Title IX states that if an institution knows or reasonably should know of sexual harassment, to include sexual violence, the institution has a duty to investigate. Consequently, whether a complainant chooses to cooperate or not should not be the deciding factor for whether or not disciplinary charges are brought against an accused party. If an investigation determines that it is more likely than not that the institution’s sexual misconduct policy was violated, then the “College” may assume the role of the complainant.
2. **How the College Determines Whether This Policy will be Used**
   The Dean of Students (Marty Heator) is the Title IX Coordinator and has been designated by Vice President and Chief Student Affairs Officer Cheryl Hagen to provide the initial review of such cases. The Coordinator, VP and CSAO then confer, with the VP and CSAO making the decision if the misconduct warrants investigation under this policy.

3. **Steps in the Disciplinary Process**
   1. Title IX Coordinator designates an administrator to conduct the investigation.
   2. Charges presented to accused student in writing.
   3. Decision made concerning the disposition of charges administratively by mutual consent or through a formal hearing before a panel. If the decision is mutual consent, the proceedings end; if a panel, the process moves to step 4.
   4. A hearing panel hears the case and renders a finding of “responsible” or “not responsible” for a code of conduct violation. If “responsible,” the panel determines the sanction(s) to be imposed.
   5. The student found “responsible” may appeal the finding and/or the sanction on these grounds: There has been a due process error; new evidence has come to light; or the sanction is not consistent with institutional precedent.
   6. The VP and CSAO convenes an appeals panel to consider the appeal.

4. **Anticipated Timelines**
   The date for a panel hearing will be set for no less than five nor more than 15 calendar days after the student has been notified of the charges, barring exigent circumstance. Maximum time limits for scheduling of hearings may be extended for cause. Students who wish to appeal a panel’s finding and/or sanction(s) must do so within 10 calendar days from the date that the accused is notified of the decision. The appeal decision is rendered within 10 calendar days. For Title IX investigations, the College follows the federal guideline of 60 days as the maximum time allowed for completion of the investigation and the finding, allowing more time for complex cases if needed.

5. **Decision-Making Process**
   The investigating administrator interviews all parties involved, including the reporting victim, the accused respondent, and witnesses who have relevant information to offer. Photographs, video (e.g. security camera video), physical evidence, related documents, web/social media content, and student record information are all examples of information sources used by investigators.
During a panel hearing, panelists are given access to the information collected by the investigator, and the investigator walks the panel through a summary of this information. The reporting victim and accused respondent are also given access to the information and are given the opportunity to speak to the panel. In cases involving sexual misconduct, provisions are made so that the victim and the respondent are not in the same room together. After a period of deliberation, the panel renders its finding and decisions on the sanction(s) through a majority vote.

6. **Standard of Evidence**
   For both administrative resolution for mutual consent and the panel hearing, the standard is the preponderance of the evidence. This standard is used for all student conduct cases, including those that fall under Title IX.

7. **Possible Sanctions**
   Written warning, probation, loss of privileges/restriction, restitution, discretionary sanctions, suspension, removal from program of study, and expulsion.

8. **Range of Protective Measures Available to a Victim Alleging Misconduct**
   “No contact” letters are issued to the accused during the investigation. The letter also warns against interfering with the investigation and retaliating against the reporting victim. In addition, Campus Police may issue a “no trespass” letter to individuals who are deemed an immediate threat to campus safety. Reporting victims receive an outreach letter from the Student Relations Office. This letter makes them aware of the “no contact” order to the accused; provides information for counseling support and other resources available through the college; and provides instructions on what to do if the accused violates the “no contact” order or the prohibition against interference in retaliation. The letter also reminds the victim that campus police are available for escorting them to and from their car. The number for campus police is provided.

Other protective measures are available through the Student Relations Office. These include restricting the movements of the accused on campus, and making adjustments to class schedules and other instructional arrangements in order to keep the parties out of contact with each other.
Policy Applicable to Employees Accused of Domestic Violence, Dating Violence, Sexual Assault and Stalking

1. How to File a Disciplinary Complaint Under this Policy
   Board Procedure 4060.1 (Workplace Conduct) identifies prohibited conduct and the disciplinary process and sanctions. Procedure 4060.1 is available on the college’s M: drive under Policies and Procedures. This content is also available in the Employee Handbook, which is available on the college’s forms drive under the Human Resources folder, and available on the college’s website at: www.schoolcraft.edu/hr/employee-information under the Employment section.

All employees should file a report by using the college’s electronic incident reporting system (SCAware) or by directly contacting the Executive Director of Human Resources by email, phone or in person. Upon receipt of a report, an investigation will commence. Reporting procedures are available in our Guide to Gender-Based and Sexual Misconduct and on the college’s website here: http://www.schoolcraft.edu/student-relations/gender-based-and-sexual-misconduct-information-and-reporting-(title-ix).

During business hours (8am-5pm) Monday through Friday, you are also strongly urged to contact the Vice President of Student Services at (734) 462-4577. Also, reporting the incident via the College’s online incident reporting system (http://www.schoolcraft.edu/scaware/sc-aware) automatically notifies both the Campus Security Police and the Vice President of Student Services.

2. How the College Determines Whether This Policy will be Used
   The Executive Director of Human Resources will determine whether Procedure 4060.1 (Workplace Conduct) is applicable to the alleged misconduct and will investigate the report with other appropriate college administrators as warranted.

3. Steps in the Disciplinary Process
   The major steps in the disciplinary process which apply to all employees (with exceptions noted) include:
   - Interview with victim
   - Interview with witnesses or other parties
   - Gathering of evidence/review of video, if available
   - Investigatory Meeting with employee (and union representation, if a union employee)
   - Administrative finding/decision with Executive Director of HR, College President, other administrators as appropriate
   - If accused is a full-time faculty member and potential discipline involves suspension or termination, a disciplinary hearing is held prior to and separately
from discipline meeting; attendees at this hearing include the faculty member, union representation, Executive Director of HR, the faculty member’s administrator

4. **Anticipated Timelines**

- Discipline meeting held with employee (and union representation, if applicable) and discipline administered (within 5 days of administrative finding or discipline hearing if full-time faculty)

5. **Decision-Making Process**

All sources of information will be considered in reaching a finding (initial report information, interviews of victim, witnesses/other parties, information obtained from accused employee during investigatory meeting; video or other available evidence).

6. **Standard of Evidence**

Preponderance of the Evidence

7. **Possible Sanctions**

Possible disciplinary sanctions for all employee groups:

- Verbal reprimand
- Written reprimand
- Written reprimand with 3-day suspension
- Written reprimand with 5-day suspension
8. **Range of Protective Measures Available to a Victim Alleging Misconduct**
   Protective measures include no-contact orders, separate interview from accused during investigatory process, safety escorts.

9. **College-Initiated Protective Measures**
   In addition to those protective measures previously described, the Title IX Coordinator or their designee will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: a College order of no contact, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved.\(^6\) Violations of the Title IX Coordinator’s directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by Schoolcraft College.

**Notification to Victims of Crimes of Violence**
The College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

**Sex Offender Registration**
The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student.

In Michigan, convicted sex offenders must register with the local law enforcement agency, sheriff's department, or the Michigan State Police immediately after becoming domiciled or

---

\(^6\) Applicable law requires that, when taking such steps to separate the complainant and the accused, the College must minimize the burden on the complainant and thus should not, as a matter of course, remove the complainant from his or her job, classes or housing while allowing the accused to remain.
temporarily residing, working, or being a student in this state. In accordance with the Wetterling Act, Megan’s Law, and the Campus Sex Crimes Prevention Act of 2000, it is mandatory that all registered sex offenders report to the law enforcement agency having jurisdiction in which the institution of higher learning is located. The Michigan Public Sex Offenders Registry can be accessed at www.mipsor.state.mi.us/

Convicted sex offenders that are students of the College can register with the Livonia Police Department. Their website is: www.livoniapd.com. Stalking: The state Michigan defines stalking as follows: 750.411h - “Stalking” means a willful course of conduct involving repeated or continuing harassment of another individual that would cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested and that actually causes the victim to feel terrorized, frightened, intimidated, threatened, harassed, or molested. The law can be found here: [http://legislature.mi.gov/doc.aspx?mcl-750-411h](http://legislature.mi.gov/doc.aspx?mcl-750-411h)

Consent is defined as permission to act. It may be given by words or actions, so long as those words or actions create clear, mutually understood permission to engage in (and the conditions of) sexual activity. Consent must meet all of the following standards:

- Active, not passive. Silence, in and of itself, cannot be interpreted as consent. There is no requirement that an individual resist a sexual act or advance, but resistance is a clear demonstration of not consenting.
- Given freely. A person cannot give consent under force, threats, or unreasonable pressure (coercion). Coercion includes continued pressure after an individual has made it clear that s/he does not want to engage in the behavior.
- Provided knowingly. Legally valid consent to sexual activity cannot be given by:
  - A person under the legal age to consent (16 years old in Michigan), or
  - An individual who is known to be (or based on the circumstances should reasonably be known to be) mentally or physically incapacitated. An incapacitated person is someone who cannot make rational, reasonable decisions because s/he lacks the capacity to understand the “who, what, when, where, why and how” of a sexual interaction. This includes a person whose incapacity results from mental disability, sleep, involuntary physical restraint, unconsciousness, use of alcohol or other drugs.
- Specific. Permission to engage in one form of sexual activity does not imply permission for another activity. In addition, previous relationships or prior consent do not imply consent to future sexual acts. It is the responsibility of the initiator of the act to receive permission for the specific act. As a result, consent may be requested and given several times by multiple parties during a sexual encounter involving multiple acts.
