

General Court Information

***All Court reservations are made through the Fitness Center front desk.**

The Handball, Paddleball, Racquetball, and Wallyball courts are available to reserve for 90-minute periods as noted below. Check-in is required for all court users. Play will begin at the scheduled court times. Please refer to posted schedules of court availability.

Court usage is for those 18 and older unless a parent or guardian accompanies the player under 189 years of age.

Cost

- **Semester-long reservation, call ahead/walk up and walk-in play** is \$5.00 per person, per 90-minute period. This is payable at the fitness center front desk when the reservation is made.

Signing Up

There are **three options** for obtaining court time:

1. **Semester-long reservation for the same court/time each week.** This option is available Monday-Friday only and must be made during “sign up week” prior to the new semester beginning. Sign up week is advertised several weeks before the actual sign up period.
 - a. **One representative** may reserve **up to two courts under his/her name per time block.**
 - b. **One representative must pay all fees up front** (\$5 per person x number of days during the semester this time will be reserved), in person.
 - c. Minimum numbers will be enforced for semester long rentals. **To reserve a court for the semester, you must have a minimum of two committed players for that timeslot for racquetball/paddleball/handball and four for Wallyball reservations on your submitted roster. Names and phone numbers of all of these individuals will be noted at time of reservation.**

***Note** We will ONLY accept **three** semester-long reservations per timeslot (3 courts maximum reserved). The other three courts will remain available for call ahead or walk-in court rentals.

2. **Call ahead/Walk up day of play.** Participants may **call or walk up** to the fitness center front desk no less than one hour prior to time they would like to register, on the day of play. This rule is strictly enforced. Call ahead/Walk Up reservations will not be taken within an hour of the desired court time.
 - a. Participants may call or walk up to the desk starting at 5:30am, M-F; 7am on Saturdays and 10:00am on Sundays. Only one representative for the group should call or walk up to the desk to make the reservation. Names of all participants must be provided at time of reservation. Participant reserving the court will give his/her first and last name and

cell phone # and indicate what activity they will be playing on the court (Racquetball, paddleball, Wallyball, etc.).

- b. An individual can only reserve **one court per timeslot**.
- c. An individual may request a specific court, if available.
- d. A Walk-up participant may pre-pay at the time of reservation
- e. Players who reserved a court must be present on time. If group is late, the court may be given to walk-in players. Players will be given a **15-minute grace period** from start of rental time.

***Note** During "Prime time" (M-F, after 4:00pm), a **minimum of two players** must be present for Racquetball and Paddleball/handball and **four players** for Wallyball to hold the reservation. If those minimums are not met within 15 minutes of start time, the court may be forfeited.

3. **Walk-in play** is a first-come, first-served option if there are open courts. Sign up for **Walk-in play begins 15 minutes prior to block of court time desired**.
 - Walk-in players can only reserve one court.
 - Walk-in players can only pay for participants on their court.
