To all Medicare beneficiaries whose private health plan has elected to be billed primary for Medicare Part B coverage:

By choosing the Medco mail-order pharmacy to fill your prescription, you are choosing to use the prescription drug coverage provided by your group health plan. Medco will process your prescription under your group health plan coverage, independent of the Medicare program, and no claim will be submitted to Medicare. If you believe that Medicare may also provide coverage and would like Medicare to pay for your prescription, you should go to a Medicare-participating pharmacy in your area. For a list of convenient Medicare-participating pharmacies, please call your local Medicare carrier or 1 800 MEDICARE. If you have any questions about the difference in coverage between your group health plan coverage and Medicare, please call the number on your ID card .
