SCHOLARSHIPS

International students are not eligible for financial aid (FAFSA). Other merit-based scholarships are available to international students after their first semester at Schoolcraft College. Please note that funding is generally limited for international students, and you should be prepared to pay for the majority of your education while in the United States.

CREDIT EVALUATION

If you want to transfer in credit to Schoolcraft College from a university or college in a foreign country, you must have your credits evaluated.

**What is a credit evaluation?** A credit evaluation determines the equivalency of the education in your home country to standards of education in the United States. This credit evaluation is completed by a third party and will be at your own expense. There is no guarantee that your credits will transfer to Schoolcraft College. If you would like to try and have your credits transferred in, you may use either of the organizations below. Select a course-by-course evaluation. You should request that one evaluation copy be sent directly to Schoolcraft College and a second copy sent to you for your records.

**Credit Evaluation Organizations**

**ECE: Educational Credential Evaluators** [www.ece.org](http://www.ece.org)

**WES: World Education Services** [www.wes.org](http://www.wes.org)
The Admissions Process

To complete the F-1 admissions and enrollment process, please complete the following steps:

APPLY FOR ADMISSION

Complete an online admissions application at https://www.schoolcraft.edu/admissions
The application process is free and can be completed online in just a few minutes. All applicants seeking an F-1 visa must have an educational goal of an associate’s degree.

COMPLETE THE F-1 INTERNATIONAL STUDENT ADMISSION PACKET

Read through this packet and submit all of the required documentation requested on the following pages. The documents can be emailed to internationaladvisor@schoolcraft.edu or dropped off in person. Keep copies of all documents you submit to the college as you may need them later. All transcripts and supporting documents submitted to Schoolcraft College become property of the college and are unable to be returned to the student or sponsor.

Once the above steps are completed accurately and thoroughly, we will begin processing your I-20.

I-20 ISSUANCE

Your I-20 will take approximately 2-7 business days to process. Once your I-20 is ready, it will be issued according to the preferred delivery method you select. Along with your I-20, you will receive your Schoolcraft Admissions Letter and a Welcome Packet detailing next steps.

ADMISSION DEADLINES

If you are an initial student, we recommend that you complete the application process at least three months before the next semester start date. You need to have enough time to complete the admission requirements, receive your I-20, apply for your visa and travel to the United States. The earlier you start this process the more likely you will be able to begin study at Schoolcraft College for your desired semester.

PLEASE NOTE:

As a prospective F-1 student, all documents in this packet should be completed by you unless otherwise instructed. If eligible, the information collected from this packet is used to issue an I-20. Therefore, it is very important that the documents are filled out by you and contain your accurate information.

NOTICE OF REGULATIONS
Please read and sign this form if you agree to the statements below.

As an F-1 student, you must adhere to several regulations in order to maintain your status. Some of these regulations are further described below. This list is not comprehensive, and it is ultimately your responsibility to ensure compliance with all visa regulations. Please read everything on this page carefully.

Authorization To Release Information By School - To comply with requests from United States Citizenship and Immigration Services (USCIS) for information concerning your immigration status, you are required to give authorization to Schoolcraft College to release such information from your records.

Dropping Below a Full Course of Study (12 cr. hr.) - A student who drops below a full course of study without the prior approval of a Designated School Official (DSO) will be considered out of status. If you stop attending a class or classes without authorization, you will be considered out of status.

Employment - As an F-1 student, you are not permitted to work off-campus without specific employment authorization. Engaging in on-campus work is permissible under certain guidelines. To gain employment authorization, you must speak with an international advisor.

Extension of Stay - An F-1 student may be granted an extension by the DSO if the DSO certifies that the student has continually maintained status and that the delays are caused by compelling academic or medical reasons. An application for extension of stay should be requested prior to the program end date listed on the original I-20 form.

Financial Support – Because international student employment is severely restricted in the United States, you will likely not be able to work off campus while pursuing your education. Therefore, you must demonstrate that you are financially able to support yourself without working for the entire period of stay from your report date to completion date as shown on your I-20.

Full-Time F-1 Student - As required by your visa status, all F-1 students must enroll in at least 12 credit hours of college work each semester (unless it qualifies as a vacation semester) and make progress toward completion of their program. A minimum of 9 credits is required to be taken in the classroom.

Notice of Change in Name or Address - A student must inform the DSO of any legal changes to his or her name or of any change of address, within 10 days of the change, in a manner prescribed by the school. At Schoolcraft College, you must submit a Change of Address form to the DSO. You must also update your Schoolcraft student record with the Registration office.

Transfer Schools - To transfer from one SEVIS approved school to another, the student must first notify their current school of the intent to transfer and must indicate the school to which they intend to transfer. The student must also provide the date they will transfer.

To maintain your nonimmigrant student status, you must be enrolled as a full-time student at the school you are authorized to attend. You may engage in employment only when you have received permission to work. Failure to comply with these regulations will result in the loss of your student status and may subject you to deportation. If this happens, you may be denied reentry into the country. Your signature below indicates your understanding of the terms and conditions concerning your admission and ability to stay in the United States.

I have read, understand and agree to the above.

</table>

**TUITION & FEES**
The above estimated tuition and fees are effective for the 2020-2021 academic year. Tuition and fees are subject to change at the discretion of Schoolcraft College at any time. This estimate is based on international rates and 12 credit hours per semester. Students who take more than 12 credit hours per semester should expect a higher tuition cost.

**LIVING EXPENSES**
This amount estimates your accommodation and transportation costs for the academic year (rent, utilities, gas, etc.).

**HEALTH INSURANCE, BOOKS, & MISCELLANEOUS EXPENSES**
All F-1 International Students are required to enroll in and maintain adequate health insurance while enrolled at Schoolcraft College. This amount estimates the cost of this insurance and books.

- **FREE ACCOMMODATION:** If you will be living with family or friends who will be providing you with free room and board, the amount required to be shown can be reduced. Your sponsor will need to fill out the *Room & Board Support Form* and attach the required listed documents.
