College non-faculty personnel shall not be utilized for business during their working hours.

Section 7. Requests for Information
In response to official requests the College agrees to furnish to the Forum available public information which shall assist the Forum in preparing for negotiations. The College shall not be expected to compile information but shall provide such information in the form available.

Section 8. Job Descriptions
If the Administration wishes to establish a new faculty position, it shall so notify the Forum and attempt to conclude a memorandum of understanding regarding the job description. Should the parties be unable to agree within one month of the Administration’s submission of the proposed job description to the Forum, the Administration may implement its proposal on a temporary basis. If the Administration chooses to implement the change without concluding a memorandum of understanding, it shall so notify the Forum. The Forum shall have fifteen (15) days from this notice to file a grievance. Such a grievance may be expedited by filing it at Step III of the grievance procedure. Should the Forum not file a grievance within this time period, the Administration’s proposal shall become the memorandum of understanding. If a grievance is filed, the Administration’s proposal shall be the temporary job description during the grievance and arbitration processes.

A. Should it be necessary to amend existing job descriptions due to changes required by an outside accrediting agency, the Administration shall so notify the Forum and attempt to conclude a memorandum of understanding regarding these changes. Should the parties be unable to agree within thirty (30) days of the Administration’s submission of its proposed changes, either party may request immediate and expedited binding arbitration to resolve outstanding differences.

B. Should the Administration wish to amend existing job description(s) for any other reason, then the amendment process provided within this Agreement shall be followed.

Section 10. Program Elimination Notice
The College shall provide one year’s notice prior to the elimination of or substantial modification (to the point that a faculty member is no longer qualified to teach in that program) of an existing program unless the elimination or modification is due to an insufficient funds situation as specified in Article V, Section 11B2.

Section 11. Union Business Days
Up to sixteen (16) individual work days may be used annually at the discretion of the Forum, provided that prior notification is given to Human Resources and the utilization of such times shall not impair the instructional program.

The Forum, at its discretion, may purchase at the supplemental rate, one course (up to 8 contact hours) release time, per semester, for use by the Forum President. The President will not select supplemental courses during said semester unless mutual agreement is reached with the Administration. Such a choice must be made prior to the beginning of classes in the semester(s) of choice. The College will be reimbursed for hours so purchased on or around April 15.

This Agreement shall be posted on the College’s website within sixty (60) days after the Agreement is ratified. The College will also supply copies printed by the Duplication and Design Center by request.

Section 13. Part-Time Faculty Report
Within four (4) weeks after the opening of the Fall and Winter semesters, and within two (2) weeks after the opening of the Spring and Summer sessions, the Chief Human Resources Officer will provide the Faculty Forum with a list of all part-time faculty members who are currently employed by Schoolcraft College. This list will include the number of course contact hours assigned.

Section 14. Dues/Service Fee

A. All individuals of the bargaining unit wishing to join the Faculty Forum shall pay a service fee to the Faculty Forum. This fee will be deducted by the College from faculty salaries, pursuant to written authorization and transmitted to the Faculty Forum as hereinafter provided. For faculty members who choose to join the Faculty Forum, the fee will be the dues, fees and assessments of the Faculty Forum and its affiliate organizations. No member of the unit shall be required to become a member of the Faculty Forum and its affiliate parent organizations.

All resignations of MEA and Forum membership must be submitted in writing, signed and dated by the member, and mailed to MEA at P.O. Box 51, East Lansing, MI 48826. A copy of the letter will also be sent to the Schoolcraft Faculty Forum membership chair and to the College’s Human Resources office. Completed resignation requests will go into effect on the date indicated on the notice.

B. Payment of dues/service fees will be processed in accordance with the faculty member’s continuing membership application selection. The College will honor the request of any member to have dues paid through payroll deductions.

C. In order to change payment options of check or payroll deduction, the member must provide a statement in writing.

D. The College agrees to promptly remit all monies so deducted according to written directions of the Forum and to accompany such monies with a list of faculty members and amounts from whom deductions have been made.

E. The Forum will protect and save harmless the College from any and all claims, demands, suits, and other forms of liability, including attorneys’ fees incurred in connection therewith, by reason of action taken, or not taken by the College for the purpose of complying with this Article, subject however, to the following conditions:

1. The damages have not resulted from the negligence, misfeasance, or malfeasance of the College or its agents.

2. The Forum, after consultation with the Administration, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the defense which may be assessed against the College by any court or tribunal.

3. The Forum has the right to choose the legal counsel to defend any said suit or action.

4. The Forum shall have the right to compromise or settle any claim made against the College under this section.
ARTICLE V

Section 15. Development of Forms
Forms necessary to fulfill contractual obligations (track placement, grievance, etc.) shall be mutually developed between the Administration and the Forum President and/or their designee.

Section 16. Negotiations regarding Modalities Not in the Contract
If the College considers offering a modality not currently in the contract for teaching purposes (for college credit), the Faculty Forum and the Administration will negotiate the faculty’s role in these courses.

ARTICLE V
FULL-TIME FACULTY STATUS

Section 1. Probationary Status
Full-time faculty members shall initially be employed in a probationary status for up to the first three years of their employment with Schoolcraft College. A full-status contract shall be offered to the faculty member upon completion of this three-year period if the faculty member’s evaluations have been satisfactory; and if the faculty member has successfully met any conditions which may have been established, as part of the probationary contract, at the time of hire; and if there exists a continuing need for the faculty member’s services. If all of these conditions have not been met, the College may either terminate the faculty member’s employment or offer an extension of the probationary period for up to a fourth year to allow more time for the conditions to be met. If all conditions have not been met at the end of the fourth year of probation, the faculty member’s employment shall be terminated. If the conditions have been met, a full-status contract shall be offered to the faculty member.

Section 2. Orientation
All newly hired full-time faculty members shall be obligated to attend the mandatory orientation program as deemed necessary by the designated administrator.

Section 3. Evaluation of Probationary Faculty
Probationary full-time faculty members shall be subject to a continuous formal evaluation.

The evaluation procedure as defined in the Faculty Evaluation Process Manual and the Schoolcraft College Faculty Evaluation Handbooks will be utilized by the appropriate personnel in evaluating probationary full-time faculty members.

A. The evaluation results will be communicated to the faculty member by the designated administrator.

B. Where a probationary full-time faculty member shows deficiencies, the deficiency must be stated in writing along with a plan for improvement which may utilize the Faculty Professional Development System integral to the evaluation process. Such a plan must be formulated by the probationary faculty member in consultation with the peer evaluator(s) and the designated administrator. After each full evaluation cycle (where all evaluative tools have been utilized once), a conference will be held between the probationary full-time faculty member and the designated administrator. The evaluation results will be discussed with the probationary full-time faculty member and initialed by them.

C. The procedure for the revision of the Evaluation Process is outlined in the Handbook. Should it be necessary to revise the process, such recommendation(s) will be forwarded to the Faculty Forum and to the College for approval before being adopted. No changes to the Evaluation Handbook or procedure may be made without the approval of the Faculty Forum and the Administration.

D. All newly hired full-time faculty members shall be assigned a faculty mentor. The designated administrator and the mentor shall meet with the new faculty member prior to the start of classes in the first semester of employment to explain the Mentor Program.

Section 4. Probationary Employee Notification
Each probationary full-time faculty member will be notified in writing by April 15 or December 15, whichever is appropriate, of one of the following:

A. The continuation of the probationary contract.

B. The placement of said probationary full-time faculty member on a full-status contract.
C. Termination of employment.

Section 5. Probationary Employee Termination

Probationary status may be terminated in the following manner:

A. By mutual consent at any time.

B. By resignation of the full-time faculty member at the end of the probationary contract period, provided written notice of such resignation is given as soon as possible but not later than forty-five (45) days before the end of the probationary contract period.

C. By administrative action during the course of the probationary contract period. Termination of probationary full-time status during the course of the probationary contract period shall be for cause. A written notice of termination, setting forth the reason for such action, shall be furnished to the full-time faculty member. Within fifteen (15) days after the receipt of such notice, the full-time faculty member may request a hearing before the Board by presenting a written request to the Chairperson of the Board, with a copy to the President of the College. The procedure set out in Article V, Section 8, shall be followed.

D. By administrative action at the end of the probationary contract period. The release of a full-time faculty member on probationary status may take place at the end of the probationary contract period without recourse to the grievance procedure. By April 15 or December 15, whichever is appropriate, the probationary full-time faculty member shall be notified of their release and the reasons therefore in accordance with the provisions of Section 4 of this Article. Within ten (10) days of the receipt of such notice, the probationary full-time faculty member may request a hearing before the Board. Such request shall be in writing. The Board shall schedule the hearing within thirty (30) days from the date of the receipt of such written request. In reaching its decision, the Board shall review and consider the employee’s probationary evaluation reports. The Board may consider all other matters it deems relevant in reaching its decision.

Section 6. Full-Status Full-Time Faculty Member

A full-status full-time faculty member shall receive a contract that will guarantee their continued services except for the following conditions: termination for cause, staff reduction, retirement, resignation.

A. An annual salary agreement (see Appendix A, A-1, A-2 and A-3) is required for use with this continuing contract.

B. A full-status contract may be terminated by the Board (see Section 8 of this Article, Procedure for Terminating Full-Status, Full-Time Contract) for good and adequate cause or as an out-growth of the suspension procedure.

C. A full-status, full-time faculty member may be suspended for good and adequate cause (see Section 9 of this Article, Procedure for Suspending a Full-Status Full-Time Faculty Member). Such a suspension may be with or without pay.

Section 7. Academic Rank - Full-Time Faculty

An academic rank system shall consist of the following ranks: Instructor, Assistant Professor, Associate Professor, Professor.

A. This system of academic rank shall have no effect on any form of compensation received by any faculty member.

B. Rank shall be attained as follows:

1. **Instructor**: Upon hire as a full-time instructor.

2. **Assistant Professor**: Upon successful completion of the probationary period and achievement of full status.

3. **Associate Professor**: At the beginning of the Instructional College Year following receipt of a satisfactory evaluation as an Assistant Professor.

4. **Professor**: At the beginning of the Instructional College Year following receipt of two satisfactory evaluations as an Associate Professor.

C. Counselors and Librarians shall have the option of using academic rank titles when teaching, publishing, or communicating with institutions that use a ranking structure for counselors and librarians.

D. Newly employed full-time faculty shall begin as Instructors and must achieve academic rank as specified in (B) above, except that a person, who has achieved academic rank at another institution and is then employed as a full-time faculty member of Schoolcraft College, shall be entitled to that rank after successful completion of the probationary period at Schoolcraft College.

Section 8. Procedure for Terminating a Full-status Full-Time Contract

A notice of intention to terminate the contract must be furnished by email and mail to the full-time faculty member. Such
notices must be accompanied by a written statement outlining the specific charge(s) for such action.

A. A Faculty Forum representative shall be given an opportunity to make a presentation to the Board of the Forum’s position on such termination. The matter may be presented in closed session of the Board meeting if requested by the employee.

B. A grievance arising from a termination may be filed at the option of the Faculty Forum with the American Arbitration Association for expedited arbitration.

C. A full-time faculty member may terminate their contract by notifying the Board by April 1.

Section 9. Procedure for Suspending a Full-Status Full-Time Faculty Member

Only the College President, or the Chief Academic Officer when so designated by the President, may order the suspension of a full-time faculty member without pay.

A. Prior to such an action being taken, a hearing shall be scheduled by the President or their designee involving the designated administrator(s), the faculty member, and their union representative(s). Notification of the meeting shall be delivered, in writing, to the faculty member with an explanation of the alleged breach of discipline as well as a warning that suspension without pay may result. A copy shall also be delivered to the Forum President.

B. Following the meeting, the President or their designee shall notify the faculty member and the Forum President as to the disposition of the case in question (no later than five (5) calendar days from date of the meeting).

C. Should suspension without pay be imposed, the suspension shall be for no more than one (1) week.

D. If the full-time faculty member is not satisfied with the decision of the President or their designee, they may within five (5) days submit the decision to arbitration by serving a written notice to the Board, with a copy to the President of the College, at which time Step Four of the Grievance Procedure shall become operable.

E. All records of these proceedings shall be kept separate from the personnel file of the full-time faculty member until the final determination of the case.

F. Non-discipline leaves with pay may be ordered by the President prior to a hearing should circumstances warrant an immediate removal from the full-time faculty member’s performance of their duties and responsibilities.
   1. A hearing functioning as outlined in Section 9A shall be held within two (2) weeks of the commencement of the leave.
   2. A leave with pay as ordered under this section may be of indeterminate length.
   3. Should disciplinary action be considered related to the circumstances which predicated the need for leave under this provision, the procedural steps outlined in A through E above shall be followed.
   4. All records of these proceedings shall be kept separate from the personnel file of the full-time faculty member until the final determination of the case.

Section 10. Evaluation of Full-Status Full-Time Faculty

All full-status full-time faculty members shall be subject to formal evaluation once every four (4) years, utilizing the tools and procedures outlined in the Schoolcraft College Faculty Evaluation Handbook. The evaluation process is to be non-punitive, promoting growth and opportunities for professional development.

Where an evaluation results in an overall composite rating (OCR) score of less than 3.88, deficiencies must be stated in writing along with a plan for improvement formulated by the faculty member in consultation with the assigned faculty mentor and the designated administrator. The faculty mentor is assigned by the Designated Administrator for a period of two years. The faculty mentor will be compensated at a rate of one (1) contact hour per year. Evaluations will continue every two years until the OCR score is 3.88 or greater, at which time the regular evaluation cycle resumes.

If the OCR score is less than 3.88 after mentoring occurs, faculty will be subject to the formal evaluation process outlined in the Faculty Evaluation Handbook every two years until such time as the OCR score rises to 3.88 or greater. Faculty mentor support will be provided for one (1) two-year period.

If evaluation results in an OCR score of 4.50 or greater, the faculty member will receive recognition from the College for their achievement.

In addition, all full status full-time faculty will have a checkpoint review meeting in the middle of the four year evaluation cycle (defined as two years after the last evaluation). The checkpoint review process is as follows:

A. One IDEA survey will be distributed to students in the semester prior to the checkpoint review meeting following the
same process used in the evaluation process.

B. The Faculty will have sole possession of their detailed data, which includes the data cover sheets. The faculty member will provide a copy of their review process student data cover sheets to their designated administrator.

C. The IDEA results will not be tied to the evaluation score system.

D. The purpose of the checkpoint review meeting will be to have dialogue between the faculty member and the designated administrator regarding student data results, professional development activities and continuous improvement objectives. The faculty will bring with them, for the purpose of review and discussion, both the IDEA student data and their proposed professional development activities for the coming semesters.

E. In lieu of a face-to-face meeting, exceptional circumstances (i.e. faculty member is out of state, faculty member has other full-time employment) may dictate the use of an alternative meeting format (i.e. phone or Internet meeting).

F. The Administration will develop a standardized form to be utilized for recording professional development plans.

Section 11. Staff Reduction.

A. Seniority - Full-Time Faculty

A faculty member shall be entered on the seniority list of the College from their most recent date of full-time faculty employment.

1. In cases of equal seniority, higher rank shall be determined as follows:
   a. Based upon the date the contract for employment was issued by the College.
   b. In the event the dates are the same, the employee’s name shall be placed in a hat and seniority determined by a blind draw; said draw to be conducted by a representative of the Faculty Forum and a representative of the Administration. The first name drawn shall have the greater seniority.

2. Said seniority list shall be maintained by the Human Resources Department, updated annually and two copies shall be furnished to the Faculty Forum President by October 1, each year. Disputes challenging the accuracy of the list shall be filed with the Chief Human Resources Officer within twenty (20) days after the Faculty Forum receives the list. Should there be no satisfactory resolution within twenty (20) days of notification of any alleged inaccuracy, the faculty member shall have the right to grieve the alleged inaccuracy. Such challenges must be based on the contract language of Article V, Section 11A. If no grievance is filed within fifteen (15) days of the expiration of the time allowed the Chief Human Resources Officer to answer, the seniority list shall be conclusive as to seniority dates.

3. Seniority rank shall be maintained during absence from the College due to staff reduction.

4. A faculty member shall lose seniority with the College if they resign, quit, is discharged or if they are laid off for longer than three (3) years.

5. A faculty member shall accrue faculty seniority only for the time during which they were employed as a full-time faculty member or was on an approved leave except that only one (1) term of office under a public service or teacher association duty leave shall accrue seniority.

B. Reduction of Full-Time Faculty

Whenever necessary, because of insufficient student enrollment as defined in E below, to decrease the size of the full-time faculty in any discipline (e.g., economics), counseling service or library service, the Board, upon recommendation of the President may lay off the necessary number of faculty in the discipline(s) or areas affected.

1. The placement of faculty in the affected discipline or area on lay off shall begin with probationary faculty in that discipline or area, and then full-status faculty from that discipline or area in inverse order of their seniority.

2. Whenever necessary to decrease the size of the full-time faculty staff because of insufficient funds, the Board, upon recommendation of the President, may cause the necessary number of faculty, beginning with those serving probationary periods, to be placed on lay-off without pay, but only in inverse order of their accrued faculty seniority. Should it become evident that a particular discipline will be unable to function because of seniority reduction of staff, transfers of qualified staff members shall be allowed. If a position cannot be filled with a qualified staff member in accordance with seniority, an instructor with lower seniority may be retained in order to maintain continuance of the program. Should this not resolve the problem, the Board’s representatives shall negotiate with the Faculty Forum for a satisfactory solution.

3. The following procedure must be met in order to implement 2 above:
a. The Board must declare at a public meeting that such an insufficient funds situation exists. Once such a Board declaration has been made, the Forum shall have thirty (30) days in which to consult with the President of the College regarding the insufficient funds situation. The Board shall not take any action with regard to possible full-time faculty layoffs during this thirty-day consultation period.

b. If the President of the College and the Forum, or their respective designees, are unable to agree to a plan to address the insufficient funds situation without layoffs, the Forum shall have the right to present its proposals directly to the Board.

c. If, after this thirty-day consultation period has expired, and the President and Forum have been unable to agree on an alternative to possible layoffs, the Board may then proceed to carry out the procedure specified in 2 above.

d. Should such decision be made during the Fall or Winter semester, the decision shall not be implemented until the end of that semester.

C. Relation to Filling Positions, Supplementals and Part-time Faculty

1. A full-time faculty member about to be laid off shall be given preference based on seniority for another full-time position for which they are qualified by a Master’s Degree or an equivalent number of graduate credit hours or experience. The secondary faculty member affected by this procedure shall also have the right based on seniority and qualifications to displace (bump) a faculty member. The last faculty member affected shall then be the one who is laid off.

2. A full-time faculty member who does not have a basic load in any given semester shall be given priority to acquire a basic load by assuming any open class or classes which they meet minimum competencies. “Open Class” is defined as:
   a. A class not assigned to a full-time instructor in the published class schedules. These are usually denoted as “staff.”
   b. A class created after schedules are published.
   c. A class previously assigned but voluntarily released by the instructor for one of the following reasons:
      1) Inability to continue due to serious illness, death or other reasons deemed reasonable.
      2) To re-arrange with administrative approval, their schedule to enable them and other members of the faculty so affected to obtain basic loads.

3. A full-time faculty member who is on layoff shall be given preference as a part-time instructor to teach courses for which they are qualified at the supplemental rate.

D. Reinstatement of Full-Time Faculty Members

When circumstances shall be appropriate each faculty member placed on layoff, as aforementioned, shall be reinstated in inverse order of their placement on layoff.

1. Faculty members who return from layoff defined above, shall not be subject to loss of credit for previous years of service.

2. Faculty members on layoff shall be notified by the Human Resources Department for openings on which they are qualified. No new appointments shall be made where there are available faculty members on layoff who are qualified to fill the vacancies, unless such faculty members shall fail to advise the Human Resources Department of their acceptance of employment within 15 calendar days from the date of mailing of their notification. Such notification shall be sent by overnight mail.

3. If more than one qualified faculty member on layoff applies to fill a vacancy, the applicant having the greatest seniority shall be offered the position.

E. Insufficient enrollment for full-time faculty load is defined as one of the following:

1. In the second consecutive semester in which every member of a given discipline did not have a basic load, staff reduction may be implemented. Such notice of layoff must be given no later than March 15th. This means that the layoff becomes effective with the beginning of the next Instructional College Year.

2. In case any member of a given discipline cannot be assigned any part of a load, staff reduction may be implemented to take effect at the end of that semester.
3. Should the head count load for counselors fall below an average of 200:1 (based on day head count) for two (2) consecutive semesters, then staff reduction may be implemented. Such notice of layoff must be given on or before March 15th. This means that the layoff becomes effective with the beginning of the next Instructional College Year.

Section 12. Retraining
Where there is staff reduction or the likelihood of staff reduction because of program modification, course deletion, or shifts in student enrollment within the College, retraining will be available as set forth below:

A. Proposals may be initiated by either the faculty or Administration and must be approved by both.

B. Such proposals must show that there is a justification for the need, that there is a program planned to accomplish the changes, and that there is a basis for re-employment using the new skills.

C. The College shall make available monies to fund approved retraining. The amount to be contributed on each contribution date shall be determined by the balance of the fund on the preceding June 30, and the contribution made on July 1. The amount to be contributed shall be the amount required to bring the fund to a balance of $20,000 but shall not be more than $10,000 per contribution date.

D. Up to five (5) percent of the amount allocated to the Faculty Professional Development Fund as provided in Article XIV, Section 6 of this Agreement shall be available for reallocation to the retraining fund. This money shall be reallocated only if a faculty member actually begins retraining. When a faculty member begins retraining, their total individual professional development amount shall be reallocated to the retraining fund and shall count toward meeting the five (5) percent obligation of the Faculty Professional Development Fund.

E. Retraining leaves, which are at the discretion of Administration, shall be available to faculty upon attainment of full status employment. No faculty member shall be retrained more than once under the terms of this section.

F. The College shall provide one year’s notice prior to the elimination of or substantial modification (to the point that a faculty member is no longer qualified to teach in that program) of an existing program unless the elimination or modification is due to an insufficient funds situation as specified in Article V, Section 11B2.

Section 13. Professional Development
Both the College and the Forum recognize their joint responsibility to encourage the faculty to remain current in the knowledge/methodology of their respective disciplines.

A. The primary responsibility for such currency rests with the individual faculty member.

B. In order to fulfill its responsibility, the College will provide assistance as follows:

1. Should there be a mutually recognized need for the expansion and/or the enhancement of one’s professional skills unrelated to layoffs and/or program closings (see above, section 12), the College will provide any or all of the following means of achieving the agreed upon goals:
   a. Released time
   b. Sabbatical leave
   c. Supplemental contract

2. Should there be a mutually recognized need to maintain existing levels of professional competence, the College will provide any or all of the following:
   a. Supplemental contract
   b. Sabbatical leave
   c. In-service staff development

Section 14. Maintaining Required Credentials
All faculty members shall maintain their respective credentials necessary to meet the minimum competencies of the courses they teach. Faculty employed because of the expertise represented by a professional/occupational license or certification issued by a governmental licensing agency or a nationally-recognized occupational organization shall maintain said license or certification in good standing and may be subject to dismissal in the event that the license or certification is suspended, lapsed or revoked.
Section 15. Minimum Competencies
Minimum competencies will be reviewed and defined each academic year through joint decision. The process will be:

A. A recommendation will be generated through discussion among all faculty members in a department (i.e., only those who teach in a specific discipline).

B. The representative or chairperson of the department (note: if the faculty chairperson or representative does not represent the discipline, the senior member of that discipline will act in their place) will bring the recommendation forward for discussion with the designated administrator.

C. The recommendation will be jointly agreed to by the department representative (as specified above) and the designated administrator.

D. The final list will be approved by the Chief Academic Officer and the Faculty Forum President.

E. Minimum competencies will be defined in priority order by course.

F. All faculty members must meet the minimum competencies for all courses they are scheduled to teach as defined in the aforementioned list agreed to by the Chief Academic Officer and President of the Faculty Forum.

1. If minimum competencies are changed after a faculty member has already taught a class, a faculty member will be considered as meeting the minimum competencies for that class so long as they satisfy current external accreditation standards and have met both of the following criteria: 1) taught the class during the past five years and 2) taught the class after Summer 2018.

2. If there is a need for verification of credentials, it will be the responsibility of the faculty member to provide or obtain the appropriate proof of credentials.

If the Faculty Forum President or their designee wishes to look at the qualifications for Faculty members, they will file the request with the designated administrator, who will provide copies of the requested documentation within five (5) business days. When such a request is made, the Forum shall also send notification to Human Resources. The Forum’s request will include the reason for the request and the specific documentation requested. The documentation provided to the Forum will be limited to documents related to faculty teaching qualifications, i.e., resume/experience, professional certificates, transcripts, vocational approval forms, and vocational justification forms.

When requesting the documentation from the designated administrator, the Faculty Forum President or their designee shall inform, in writing or by e-mail, the Faculty members whose information is being requested of the reason for the request and the specific information being requested.

ARTICLE VI
FULL-TIME FACULTY LOAD & ASSIGNMENTS

Section 1. Length of Class Session
A class scheduled for one hour shall include fifty-four (54) minutes of instruction and six (6) minutes of passing time. In classes scheduled for more than one (1) hour in the same session, the instructor may schedule a break equivalent to six (6) minutes per hour for each hour except the last hour where six (6) minutes shall be used for passing time. Any variation must have the approval of the instructor and the designated administrator.

Section 2. Basic Load Defined
The basic load of a full-time faculty member shall be one of the following:

A. Except as specified below, full-time faculty members shall have a basic load of fourteen (14) to sixteen (16) contact hours per semester, with a total of thirty (30) contact hours for the Instructional College Year. Overload shall begin with the seventeenth (17th) contact hour in the Fall semester and the thirty-first (31st) contact hour for the year in the Winter semester, unless otherwise specified on the course selection form by the faculty member. When the contact hours for a single course are divided to establish base, the excess contact hours for that single course shall be considered overload.

B. English Composition courses (English 50, 55, 100, 101, 102, 106, 116, 205 and 206) which establish the basic load for a full-time faculty member shall be equated on the basis of four (4) contact hours for each three (3) contact hours taught. All contract supplements shall be on a contact for contact-hour basis.
C. Full-time faculty members who are assigned to any of the following programs shall have a basic load of thirty-five (35) clock hours per week:
   1. Librarians
   2. Counselors

D. When an instructor (full- or part-time) is assigned a course involving the coordination of cooperative work experience, compensation and preference points, beyond the contact hours for the course, shall be equated on the basis of one (1) contact hour per 3.5 students. The additional contact hours for these courses will not be counted toward the instructor’s contact hour limits. The list of applicable courses will be maintained by the Office of Operations, Curriculum and Assessment. A current list of applicable courses will be provided to the Forum annually.

The coordination of cooperative work experience for students shall consist of, but not be limited to the following functions:
   1. To recruit and select appropriate training stations.
   2. To interview, select, and place students.
   3. To conduct employer visitations for student evaluations.
   4. To maintain necessary students’ records and files.

Faculty performing cooperative training duties which require regular or recurring travel, shall be reimbursed at the IRS maximum allowable rate.

E. Personal and Professional Learning program assignments shall not be considered as part of a full-time faculty member’s load.

Section 3. Scheduling of Basic Load

Full-time faculty will be provided at least 10 business days to select their base load. The basic load shall not include combined courses taught in one assembly unless otherwise agreed to by the instructor. No class offered may be canceled until regular registration is completed.

A. If within the two (2) week period prior to the completion of formal registration, the designated administrator has information indicating that an instructor’s basic load may be in jeopardy, the administrator shall notify said instructor and attempt to work out a mutually satisfactory alternate plan for a basic load in the event that the original basic load schedule does not materialize.

B. Should the load of an instructor be less than basic load at any time, they shall be assigned an open day or evening class or classes to establish their basic load. When such assignments are made:
   1. No more than two (2) classes per semester shall be assigned outside of the time span as set out in Article VI, Section 8, unless mutually agreed to.
   2. Such assignments are made in consultation with the instructor.
   3. Full-time faculty shall have preference over part-time instructors and persons outside of the bargaining unit for assignment of any class in their discipline for purposes of establishing a basic load. After basic loads within the discipline are satisfied remaining classes may be assigned.
   4. Supplemental assignments already selected may be reallocated to establish their basic load. Supplemental assignments may include traditional or distance learning classes. If a distance learning class is reallocated, the requirements laid out in the next lettered item must be met.

C. Faculty are able to select up to two (2) courses per semester, or a maximum of 50 percent of their base load per instructional year with no more than 60 percent in a given semester, in online, synchronous remote, and OE/OE courses; this limit may only be exceeded by mutual agreement of the faculty and the designated administrator. For purposes of hybrid courses involving online or remote synchronous instruction, 50 percent of the contact hours will be treated as online contact hours for the purposes of meeting baseload requirements. Distance Learning courses will be eligible to be selected within the departmental rotational policy for those faculty meeting Distance Learning credentials.

Section 4. Multiple Sections/Base Load

For the purpose of establishing a basic load, courses taught in combination in one assembly shall be treated as one course or section and shall be given the weight of that course or section having the greatest number of contact hours. Where multiple
sections of the same course are assigned to a full-time instructor to be taught in one assembly, the combined sections shall be treated as separate sections for the purpose of establishing a basic load.

Section 5. Course Preparations

A course preparation is the time needed to prepare one (1) or more sections of a single course or combined sections of two (2) courses taught in one (1) assembly. The number of course preparations assigned to an instructor as part of their basic load at any one time during a semester shall not, except by mutual agreement between the faculty member and the designated administrator, exceed three (3) preparations provided:

A. Multiple sections of the same course taught in one (1) assembly or combined sections of two (2) courses taught in one (1) assembly shall be the same as teaching one section of one (1) course and shall only be considered as one (1) preparation.

B. Applied music courses shall be excluded from course preparations. Combinations of music theory and ear training shall be treated as a single preparation.

C. Such agreed upon additional preparations shall be compensated for at the rate of one hundred fifty dollars ($150) per course contact hour.

Section 6. Supplementary Teaching Limitation

When a full-time instructor desires to be assigned to teach a class or classes in addition to their basic load, such assignment shall be considered as a supplemental assignment. Supplemental assignments made during the Instructional College Year shall be limited to seventeen (17) contact hours per semester. These limits may be exceeded by mutual consent of the instructor and the designated administrator.

A. Full-time faculty will be given at least 10 business days to select supplemental class(es). The selection of such class(es) shall be finalized with the designated administrator no later than four (4) weeks prior to the start of the semester or session in which the class is to be taught. Such a time limit, however, does not prohibit a selection after this time provided that the class(es) in question are not assigned to part-time faculty and the request is approved by the designated administrator.

B. Supplemental assignments made during the Spring or Summer sessions shall be limited to either:
   1. One class having more than twelve (12) contact hours per session, or
   2. Three (3) classes or twelve (12) contact hours whichever has the greater number of contact hours.

Instructors selecting classes with start dates in the Spring session and with end dates in the Summer session (e.g. 15 or 12 week long courses) will designate the classes, at the time of class selection, for inclusion in either their Spring or Summer limits. When making this designation, instructors may not allocate a single class to more than one session.

These limits may be exceeded by mutual consent of the instructor and the designated administrator.

C. Except during the Spring and Summer session which will be based on the department rotational policy, no instructor may be confirmed in a supplemental assignment prior to registration, and then only after all basic loads have been assigned within the department.

D. Teaching assignments made during the Spring and/or Summer sessions do not constitute a basic load for a full-time instructor under the terms of this Agreement (Ref. Article I, Section 3B).

E. During the Spring/Summer sessions, full-time faculty shall be permitted to take up to two (2) paid leave days during the Spring session and two (2) paid leave days during the Summer session. Paid leave days are not intended for the extension of break periods, during the first and last week of the semester, or preceding/following any College designated holiday. Requests for non-emergent leave must be made with at least five business days’ notice to the designated administrator.

F. Supplemental pay will be deducted for classes missed when a faculty member has used more than fifteen (15) days of sick leave in an instructional year. When a faculty member goes on extended medical leave (as defined in Article IX, Section 9) during the course of the semester, pay for supplemental assignments will not continue while on leave.

Section 7. Supplementary Teaching Preference

Preference shall be given for supplemental teaching assignments to full-time faculty provided such areas fall within their area of competence.
Section 8. Faculty Working Day/Week
The professional obligations of a full-time instructor shall be fulfilled between the hours of 7:00 a.m. and 11:00 p.m., Monday through Friday except where mutually agreed to by Administration and Union. Instructors are not required to be physically present at all times during these hours. The time required to fulfill a full-time instructor’s basic load shall not exceed a span of seven (7) hours. Nothing herein shall prohibit an instructor from accepting a seven (7) hour span outside these time limits as mutually agreed to between the instructor and the Administration.

A. The work week/day for Librarians shall consist of thirty-five (35) hours assigned in seven-hour blocks, Monday through Friday as determined by mutual agreement between the designated administrator and the Librarians. In order to provide for weekend coverage, appropriate hours may be assigned by mutual consent, or absent such consent, may be assigned by supplemental contract, or by the posting of a position which includes weekend duties.

B. Because it is necessary to assure adequate counseling services Monday-Friday day time and Monday-Thursday evenings, the work week of counselors shall consist of thirty-five (35) hours.

1. The annual work schedules for counselors shall be developed prior to registration for the Fall Semester by the designated administrator (and representatives of the Counseling/Career Transfer Center staff) subject to approval of the Dean of Student Services.

2. Where it is necessary to extend the Counselors’ work week beyond the thirty-five (35) hours, such extension shall accrue compensatory time on a one to one basis or at 1/16th of the supplemental contract rate per hour at the option of the employee.

3. All work schedule assignments shall be in a minimum of ten (10) week blocks unless modified by mutual agreement.

C. Between the hours of 8:00 a.m. and 5:00 p.m., and without the consent of the full-time instructor, an instructor will not be required to teach in continuous sequence:

1. A lecture class or classes for more than two (2) consecutive hours.

2. A lab-lecture or laboratory class for more than three (3) consecutive hours.

3. A lecture hour immediately preceding or following a separate laboratory session.

Instructors in Health Careers and Culinary Arts Programs, and instructors teaching outside of the College week are expressly exempt from these provisions.

Section 9. Office Hours
The instructor will post at least five (5) office hours on campus during the College week (up to two (2) may be scheduled at the clinical site for nursing faculty) in which students may make appointments. These five (5) hours shall be scheduled in at least one-half (1/2) hour blocks. In the event an instructor is unable to meet all or part of a scheduled office hour, they shall post suitable notification.

Section 10. Attendance at Formal Ceremonies
It is expected that all faculty will be in attendance at the College graduation ceremonies. Formal receptions or dedications may be attended by the faculty on a voluntary basis.

Section 11. Counseling/Advising
The counseling and advising of students shall be the responsibility of the Chief Student Affairs Officer and the designated administrator.

A. Whenever the Chief Student Affairs Officer and the designated administrator deem it necessary, they may seek the assistance of full-status instructors to assist with advising of students. The decision as to the number of instructors necessary shall be made by the Chief Student Affairs Officer and the designated administrator.

B. Such additional advising responsibility shall be considered as an extra contractual assignment to be paid to the instructor at the rate of one hundred dollars ($100) per semester.

C. The College shall make every effort to maintain a student-counselor ratio of 650:1 (based on total College head count).

Section 12. Class Size
Class size will be established at no more than thirty-one (31) students in any recitation section, with the following exceptions:
ARTICLE VII

DEPARTMENT STRUCTURE

Section 1. Faculty Representation

Faculty participation, through the Faculty Representatives (see Appendix I), allows for participation in academic decision-making while reserving the final right of decision to the Administration and the Board. Failure to allow participation on matters

Nothing contained herein shall prevent an instructor from accepting additional students as agreed upon between the instructor and the student(s), except for the case of online courses which will be limited to no more than three (3) additional students in each section. For both safety and courtesy to students, instructional faculty will limit additional students in their course(s) to the number of chairs or the number of lab work stations in their classes. Minimum class size as established by the College shall not be altered without prior consultation with the Faculty Forum.

Section 13. Reassigned Time

The value of reassigned time in the form of a reduction of basic load to pursue problems essential to College functioning, is recognized by both parties. A proposal for reassigned time may be initiated by the faculty or the Administration. Proposals for reassigned time will be discussed with the respective Faculty Representatives.

A. In determining their recommendations on request for reassigned time, the designated administrator shall consider the following items:
   1. Identification of the problem.
   2. Organized plan to approach solution.
   3. Significance and degree of innovation involved in solution.

B. Once the request for reassigned time has been approved by the designated administrator, the recommendation will be subject to the action of the designated administrator.

C. Requests for reassigned time may include, but are not limited to, research for new course materials, professional study and writing, in-service training and projects, retraining, or temporary administrative assignment.

Section 14. Open Entry/Open Exit (OE/OE)

Faculty wishing to teach an OE/OE course must successfully complete the training as outlined in Article XIX Section 3.A., and agree to use the Learning Management System and conduct the OE/OE orientation.

A. Faculty teaching OE/OE courses will be required to maintain regularly scheduled lab hours equal to the number of contact hours for each OE/OE course the faculty member is teaching. If a faculty member is teaching more than one section of the same course in the OE/OE environment, the number of required lab hours will be the total number of contact hours for the first section and an additional 50% of the contact hours for each additional section of the same course.

B. Faculty will complete their lab hours in the OE/OE lab. OE/OE lab hours may be completed in an alternate location if there is instructional rationale (i.e. need for equipment, software), and if mutually agreed to by the faculty member the appropriate instructional administrator. Any changes to lab hours and/or location require prior approval of the appropriate instructional administrator.

C. Faculty must establish their OE/OE lab hour schedule during the College’s established schedule building period for each semester/session and no later than 2 weeks prior to the schedule appearing on the College’s website.

D. OE/OE lab hour absences shall be treated in accordance with prevailing contract language. Variances from this require prior approval by the designated administrator. (See Article X and Article XVI, Section 10.C)
within the Faculty Representative job description may be grievable; however, final decisions reached by the Administration and/or the Board on the recommendations resulting from these processes are not grievable.

Section 2. Identification of Faculty Representatives and Department Chairpersons

A structure of Faculty Representatives shall be established in parallel with the College’s administrative structure. A list of Faculty Representatives and Departmental Chairs shall be identified by the Chief Academic Officer and the Faculty Forum at the beginning of each academic year.

Should a Faculty Representative be unable to fulfill their duties due to an absence, the designated administrator will work with the Forum to temporarily assign this responsibility per Appendix I.

The College shall have the right to assign and reassign disciplines to and among the various administrators. It is explicitly recognized that as a result of such assignments and reassignments, the representation of disciplines may have to change in order to assure that it is in parallel with the administrative structure.

*Department will not have a Faculty Representative if there is an elected Department Chairperson.

Section 3. Department Chairperson

A. The length of one term shall be two years.

B. The Department Chairperson shall be elected by the Full-Time Faculty of the department. If no faculty member is elected, then the Faculty Representative structure is re-established. If the elected member is not approved by the Administration, then the department will hold another election.

C. The performance of the Department Chairperson should be evaluated by the full-time and part-time faculty in the discipline and the designated administrator. A task-oriented checklist shall be developed using the job description as it appears in the contract. This checklist shall be developed by the Department Chairperson and by the designated administrator, and used as a reference for annual evaluation.

The Department Chairperson structure will be evaluated by the Department Chairpersons, the Chief Academic Officer and the Faculty Forum President or designee prior to the end of the Winter semester in April.

Section 4. Annual Department Plan

Each Department Chairperson or Faculty Representative shall complete and submit an Annual Department Plan to the appropriate administrator. The Annual Department Plan shall be approved by a majority vote of those Full-Time and Adjunct Faculty in attendance. - Other Relevant Department Responsibilities, Practices, Policies, and/or Procedures
Such department practices, policies and procedures as determined by the faculty in the Annual Department Plan shall apply to each and every department or discipline member and are enforceable by the designated administrator. In the absence of any intra-disciplinary agreement on any practices, policies and procedures, the designated administrator will decide. The decision will not be grievable. The Department Chairperson or Faculty Representative will inform the designated administrator, in writing, when changes are made to the Annual Department Plan. Those changes to the Annual Department Plan shall take effect the following semester, except for the plan items that can not be materially implemented.

Part-Time faculty members will be invited to participate in the processes described above.

Section 5. Technical Representative

If it is determined by the designated administrator that a technical representative is needed in a discipline (i.e., to select and train other staff on new software to enhance discipline-specific instruction), the faculty member elected will be compensated at a rate of 2 contact hours for every academic year that they provide such service. This amount will be paid in equal payments during the period of such service.

Section 6. Course Facilitator

If it is determined by the designated administrator that a course facilitator is needed in a discipline, the faculty member elected will be compensated at a rate of 2 contact hours for every year that they provide such service. The Committee shall evaluate each sabbatical leave upon its completion and shall provide a written report to the President. If the objectives of the leave have not been accomplished, the Committee shall make a recommendation regarding reimbursement to the College.

G. Sabbatical leaves shall be limited to purposes which will clearly improve the efficiency of the faculty member, their professional knowledge and skills, or research that will clearly be of advantage to the College. Section 1. Class/Office Commitments
It is expected that all scheduled class and/or office commitments will be met by the faculty member. Absences from classes or office hours, except in case of personal illness or emergency shall be arranged at least twenty-four (24) hours in advance with the designated administrator. In the case of personal illness or emergency the designated administrator shall be notified as far in advance as possible of the first class or office commitment to be missed.

In the event of a full-time faculty absence, all arrangements for the use of substitutes must be approved by and processed through the designated administrator. Faculty substitutes have the option of receiving substitute pay at the current substitute rate or agreeing to substitute as a professional courtesy. Once a faculty member commits to substituting as a professional courtesy, the College shall not provide reimbursement. Where a faculty member is utilizing leave and/or sick days, the use of a substitute will not result in the reduction of pay for the faculty member.

Section 2. Sick Leave
Fifteen (15) days per year, credited annually, will be granted to each full-time faculty member, with accumulation to one hundred twenty (120) days.
   A. Five (5) days of paid sick time may be used to care for an ill spouse, their child or parent. Paid personal business days may also be used for this purpose. (See Article IX. Section 11.B)
   B. If a faculty member has reached the maximum individual accumulation of one hundred twenty
   C. (120) days or if a portion of the faculty member’s fifteen (15) days annual sick leave brings the faculty member to the one hundred twenty (120) days maximum, then the balance of the fifteen (15) days annual sick leave will be credited directly to the master sick leave bank until a maximum of 3,000 days is reached.
   D. Prior to the exhaustion of the one hundred twenty (120) days, should additional days be needed, the individual may withdraw additional days from the master sick leave bank to a combined maximum of one hundred twenty (120) days per illness. Application for such withdrawal will be made to the Human Resources Department upon recommendation of the Forum. A faculty member requesting days from the master sick leave bank must submit evidence of need to the President of the Faculty Forum with a copy to the Chief Human Resources Officer prior to approval except when physically impossible to do so.
   E. When the bank is reduced to one thousand (1,000) days, each member will be taxed three (3) days.
   F. Each faculty member shall be informed by the Benefits Manager of their accumulated sick leave days and the status of the bank.
   G. Any disability deriving from pregnancy, including childbirth, recovering from childbirth, miscarriage or abortion will be treated the same as any other illness or injury (temporary medical disability) for purposes of use of sick leave as provided for in this Article.

Section 3. Personal Business Days
Four (4) days shall be allowed each year for legitimate business, professional duties and/or family obligations which can nor-
mally only be met during the faculty member’s regularly scheduled period of assignment.

A. In the scheduling of such commitments (court appearance, scheduled medical and dental appointments, religious holidays, graduation exercises, real estate transactions, etc.) the faculty member should consider their faculty obligations. Faculty will provide notification regarding the use of Personal Business days at least five business days in advance to their designated administrator.

B. Personal business days are not intended for extensions of break periods.

C. For days requested during the first and last week of each semester or session and/or the day preceding or following any College designated holiday period, the use of personal business days must be approved. The designated administrator will provide an answer within three business days from the time the request was made. Approval will be granted for purposes as specified above.

Section 4. Bereavement

In case of bereavement, the number of days granted will be those deemed necessary by the designated administrator. Leaves granted will not be deducted from the accumulated sick leave.

Section 5. Jury Duty

Any full-time faculty member who is called for and reports for jury duty shall continue to receive their full wages for the duration of the jury duty. In order to receive payment under this section, the faculty member must give the designated administrator prior notice that they have been summoned for jury duty and must furnish satisfactory evidence that jury duty was performed on the days for which they claim payment. The provisions of this section are not applicable to any faculty member who, without being summoned, volunteers for jury duty.

ARTICLE XI

GRIEVANCE PROCEDURE

The College agrees to recognize a Grievance Committee selected by the Forum. The Grievance Committee shall represent employees for the purpose of processing grievances under the grievance procedure established in this Article. The Forum shall keep the Administration informed as to the members of this Committee. Nothing herein shall prohibit an individual from processing their own grievance provided that the issue of said grievance cannot be the same as (a) an already existent and ongoing grievance involving the same person(s), or (b) a grievance on the same issue that has already been resolved.

Section 1. Definitions

A. The term “grievance” shall mean a claim of an alleged violation, misinterpretation, or misapplication of this Agreement.

B. The term “grievant” shall mean any faculty member, group of faculty members, or the Forum asserting the claim.

C. The term “day” shall mean calendar days and shall exclude Saturdays, Sundays, and holidays defined in the College Instructional Calendar.

Section 2. General Provisions

A. All discussions shall be kept confidential among the grievant, the Grievance Committee member, if any, and the Administration in the absence of the consent of the grievant, or unless disclosure is required by law.

B. All grievances shall be filed and processed on the forms developed by the Administration and the Forum.

C. The time limits indicated at each level shall be considered as a maximum; however, said time limits may be extended by mutual consent in writing.

D. Except for the initial filing deadline (Section 3A of this Article) and the deadline for filing for arbitration (Section 3D of this Article), if the grievant, or the administrator (or designee) fails to meet the specified time limits the grievance shall be advanced to the next step. The grievant, however, may withdraw the grievance at any step by notifying the appropriate administrator, thereby accepting the decision previously rendered.

E. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel file of the grievant.

F. The grievant shall at all levels of the procedure have the right to union representation and counsel.
G. Hearings and conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. When such hearings and conferences are held during the College Day, all employees whose presence is required shall be excused for the purpose. The President of the Faculty Forum or their designee shall notify the Chief Human Resources Officer in advance of faculty members whose attendance at any hearing or conference requires their absence from College responsibilities.

H. The primary purpose of this procedure is to secure at the lowest possible level, equitable solutions to grievances arising under this Agreement. Nothing contained herein shall be construed as limiting the right of any faculty member with a grievance to discuss the matter informally with the designated administrator or proceeding independently as described in this procedure provided that the issue of said grievance cannot be the same as (a) an already existent and on-going grievance involving the same person(s), or (b) a grievance on the same issue that has already been resolved.

Section 3. Procedure

A. Step I.
In the event that the grievance cannot be resolved informally between the grievant and the designated administrator or their designee, the grievant shall, within fifteen (15) days from the discovery of the event upon which the grievance is based, but in no case later than one (1) full semester after the semester in which the event occurred (excluding Spring and Summer sessions), serve a written grievance upon the designated administrator and discuss the same with such administrator, either individually or together with a Grievance Committee member. Such administrator or their designee shall attempt to resolve the formal grievance within five (5) days of its presentation by filing a written response.

B. Step II.
In the event the grievant is not satisfied with the disposition of the grievance at Step I, they may, within five (5) days of receipt of the Step I response, submit the grievance to the designated administrator in the Office of Instruction or, if the grievant is a counselor, to the Chief Student Affairs Officer (or designee). The grievant must inform the designated administrator of why they rejected the previous answer. Within ten (10) days from the receipt of the grievance, the designated administrator or designee shall meet with the interested parties and render a written decision to the grievant.

C. Step III.
In the event the grievant is not satisfied with the disposition of the grievance at Step II, they may, within five (5) days of receipt of the written decision at Step II, submit the grievance to the President or designee. The grievant must inform the President or designee why the previous answer was rejected. Within ten (10) days from the receipt of the grievance, the President or designee shall meet with the interested parties and shall render a written decision within ten (10) days of the meeting.

D. Step IV (optional)
If the grievance is not resolved at Step III, or if no written response is made within the above timeline, the Forum may file the grievance to mediation through the Michigan Employment Relations Commission (MERC) within twenty (20) working days following receipt of the Step III written response or of the date the response was due, from the President or designee. A copy of the filing will be provided to the College by the Forum contemporaneously.
If satisfactory resolution is achieved through mediation, the resolution shall be final and binding upon the parties. If no satisfactory resolution can be reached, either side may terminate mediation through written notification to the other party.

E. Step V.
1. In the event the Forum is not satisfied with the disposition of the grievance at Step III, they may, within twenty (20) days of receipt of the disposition, submit to arbitration by serving a written request for arbitration to the Chief Human Resources Officer, with a copy to the College President. Alternatively, in the event that Step IV (mediation) was elected, the Faculty Forum may, within twenty (20) days of receipt of the notice of termination of mediation, submit to arbitration by serving a written request for arbitration to the Chief Human Resources Officer, with a copy to the College President. In matters involving contract language interpretation, the College may submit such matters to arbitration by serving a written request for arbitration to the Faculty Forum President within fifteen (15) days of meeting with the Forum and failing to come to an agreement.
2. Beginning with the 2015 Fall semester, the parties have agreed to utilize a permanent arbitrator panel which shall be maintained by the parties. Only arbitrators acceptable to both parties shall be placed on the list.

3. The arbitrator panel established shall be composed of the following arbitrators:

<table>
<thead>
<tr>
<th>Paul Glendon</th>
<th>Mario Chiesa</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kathy Van Dagens</td>
<td>Robert McCormick</td>
</tr>
<tr>
<td>Kathleen Opperwall</td>
<td>Ben Kerner</td>
</tr>
</tbody>
</table>

4. An arbitrator shall be assigned an arbitration in the order that the names appear on the list, on a rotating basis. If a panel arbitrator is unable to arbitrate a grievance, the next panel arbitrator shall be assigned. If an arbitrator is assigned a case which is resolved before hearing the case, that arbitrator has served their turn and the next arbitration will be assigned to the next arbitrator on the list.

5. Within five (5) days of the referral to arbitration, the College and the Forum shall jointly submit notification to the arbitrator. The arbitrator shall conduct the arbitration hearing and other related matters in accordance with the rules and regulations of the American Arbitration Association.

6. Either party may remove no more than one (1) arbitrator from the panel during any twelve (12) month period by giving ten (10) days' written notice to the other party. The other party will then select a replacement from their list of alternates (see Memorandum of Understanding). Once a case is assigned, an arbitrator may not be removed from the panel until the case has been disposed of. In the event a panel arbitrator becomes unable to arbitrate grievances, their slot on the panel will remain vacant for the duration of this agreement.

7. The fees and expenses of the arbitrator shall be borne equally by the Forum and the College. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

8. The decision of the arbitrator shall be final and binding on the parties, if made within the limits of the powers and authority hereinafter provided; the arbitrator shall have no power to add to, subtract from, alter, or in any way modify the terms of this Agreement. They shall give no opinion with respect to any matter left by this Agreement or by law to the discretion of the College. The result of the decision shall be implemented within fifteen (15) days of receipt of the decision.

9. Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be processed.

ARTICLE XII

Section 1. Full-time Faculty Contract Defined
A full-time contract for the Fall and Winter Semesters, or a twelve (12) month contract with forty-six (46) weeks of assigned duties will be issued to all full-time faculty members as defined in this Agreement. Such contracts shall be either probationary, full-status, annual or temporary.

2. Use of leave time provided in Article X when it occurs during assigned time.

C. The break between the Fall and Winter Semesters as designated in the College Calendar shall apply to all members of the faculty. However, counselors and librarians will provide adequate services to guarantee that these operations may continue on a reduced basis during this period to the satisfaction of the designated administrator. Individual work schedules will be developed in consultation with the appropriate members of the faculty.

Section 5. Probationary and Full Status Contracts

New full-time faculty members will be issued probationary contracts for each year during their probationary period.

A. In the event that a full-time faculty member is not offered the second or third-year probationary contract, they will be notified in writing by April 15, or December 15, whichever is appropriate. In the event that a faculty member is not offered a full-status contract, they will be notified by April 15, or December 15, whichever is appropriate.

A. Such employment shall occur under the following circumstances:

1. In the event of an emergency that occurs prior to the opening of classes that results in the temporary absence of a full-time faculty member for the entire semester, or,

2. In the event of an emergency that results in a temporary absence of a full-time faculty member for one-half semester or more and said faculty member is replaced by one instructor who covers the basic load of said instructor, or

3. To temporarily replace a full-time faculty member who is on extended personal or professional leave. In no case shall a temporary contract be issued for a period greater than one (1) year, nor may it be renewed more than once unless mutually agreed to by the Administration and the Forum.

B. The temporary contract issued for one semester or longer, or one-half year or longer, shall be equivalent to a probationary contract in the event that a full-time faculty member is later issued a probationary contract. In such cases, service under a temporary contract shall be credited in either whole semesters or half-years, whichever is appropriate. Fractions shall be rounded down to the nearest whole semester or half-year. Provided, however, that the temporary service must have been accumulated within five (5) years of the issuance of the probationary contract.

C. All provisions of the Master Agreement will be in full force and effect except that failure to extend or offer a contract beyond the date originally agreed upon shall not be subject to the grievance procedure.

D. A faculty member working under a temporary contract shall be awarded twenty-five (25) preference points per semester.

Fractions shall be rounded down to the nearest whole semester or half year.

C. All provisions of the Master Agreement will be in full force and effect except that failure to extend or offer an annual contract shall not be subject to the grievance procedure, nor shall the annual faculty member accrue seniority while on an annual contract.

ARTICLE XIII

TRACK PLACEMENT AND COMPENSATION - FULL-TIME FACULTY

Section 1. Initial Hiring and Track Placement

When a faculty member is newly hired, the Forum shall be notified no later than the beginning of the semester when employment commences as to salary step and track placement of the individual. The Forum shall have a 30 day period in which to file any objection to said placement. The Forum may proceed to arbitration if mutual agreement cannot be reached.

Where advanced degrees are not normally available or customary for an industry, appropriate experience, and receipt of the top certifications for the profession will be substituted for the bachelor’s, master’s, and/or master’s degree plus 30 credits. In those cases, the requirement of a bachelor’s degree for eligibility for payment at the MA + 30 track shall be waived.

Salary and/or track placement as a result of training, degrees, licenses, or other professional equivalencies after initial employment. The Forum shall also be notified of any training, retraining, or certification achieved by a faculty member which could result in changes in step and/or track placement. It remains the individual faculty member’s responsibility to apply for such changes and neither contracting party shall make any representations to any faculty member as to exceptions and/or exemptions from existing contract language to the appropriate ground for making such application. The Forum shall have 30 days from the date of notification in which to file an objection to Administration’s response to the request with provision for arbitration should such an objection not be resolved my mutual agreement.

Should the College agree to pay the expenses of a faculty member engaged in an approved course and certification program, said payment will be made only once.

Professional Equivalency

For purposes of equivalency determination, “licensed” includes “certified,” “admitted,” “registered,” “certificated,” or “commissioned.”

Licensed shall be defined as compliance with a state or national act, statute, or procedure, and shall require not less than six (6) years of documented experience in appropriate discipline and/or equivalent degrees and successful passage of examination for issuance of license. Acquisition of the license shall be equivalent to the next horizontal placement at the existing step subject to the Limiting Factors below:

Limiting Factors

A. License shall be in the subject area currently being taught by the instructor.

B. The license shall remain current to retain the placement benefit. A copy of each license or subsequent renewal shall be submitted to the designated administrator.

C. The designated administrator shall review all professional equivalency petitions received, and in accordance with Article XIII, Compensation, shall grant or deny professional equivalency to each of the petitioners.

D. The license obtained by an individual cannot be considered for advancement if that license was a necessary requirement to be employed by Schoolcraft College.

E. If the individual had received College monies to obtain that license, it shall not be considered for advancement.

F. As a limiting factor, for purposes of this Agreement, licenses from other states shall be considered for horizontal movement if the current Michigan Licensed Occupations manual specifies reciprocity.

G. Applications for this advancement may be used only and no placement will be awarded beyond the master’s level without a bachelor’s degree.
H. No equivalency will be granted beyond a Master’s + 30 track.
I. Teaching certificates will not be considered.

Section 2. Basic Salary Schedules

The basic salary schedules of full-time faculty members covered by this Agreement are set forth in Appendix A.

A. The salary schedule has four tracks; namely, Bachelor’s Degree or equivalent; Master’s Degree or equivalent; Master’s Degree plus 30 semester hours or more; and Doctorate. The degree must be earned from an institution accredited by a nationally recognized regional accreditation association.

B. Faculty members earning graduate college credits, or gaining professional equivalency as spelled out in Section 1, in addition to those used for initial placement may file these credits with the designated administrator for new track assignments. Applications for such new assignment must be made within thirty (30) days of the opening of each semester and must be substantiated by an official transcript or other appropriate documentation relative to professional equivalency. Compensation shall be adjusted accordingly beginning with the semester in which application is made.

C. Initial placement on a step in an assigned track may, at the sole discretion of Administration, be accomplished in the following manner:
   1. **Degree Holders.** Credit on the salary schedule may be allowed for experience upon the basis of the factors set forth below:
      a. Full-time college teaching, counseling, or librarian experience may be equated one year for one year. If the experience is part-time, it shall be equated to yearly experience (i.e., 30 credit hours of part-time instruction shall equal one year of experience). Such part-time experience will not be counted until it is the equivalent of one or more full years and no more than six (6) years maximum will be allowed. Part-time experience in higher education assignments, other than the type of position applied for (teaching, counseling, or librarian), is capped at two (2) years.
      b. Full-time relevant industrial, and/or public school (K-12) teaching, counseling, or librarian experience and related non-teaching experience may be equated at the rate of two years credit for every three years of experience.
      c. Teaching fellows or teaching assistant experience may be equated at the rate of two years of credit for every three years of experience.
   2. **Degree Equivalency.** The following criteria shall be used for granting of equivalency:
      a. To be given credit for a baccalaureate degree the faculty member must have been employed in an occupation directly related to their assignment for a minimum period of six (6) years and be licensed in their respective trade field, or possess a journeyman status and have two (2) years of experience directly related to their assignment, or possess an Associate Degree directly related to their assignment, and four (4) years of experience directly related to their assignment.
      b. To be given credit for a master’s degree the instructor must hold a baccalaureate degree and must have been employed in an occupation directly related to their assignment for an additional four (4) years.
      c. Where the work experience of the instructor exceeds the minimum requirements listed above, the excess may be used for step placement purposes, but experience once allocated for equivalency purposes cannot be used again for step placement.
      d. A Juris Doctorate degree shall be equated to a Master’s Degree.
   3. For either case 1 or 2 above (degree holders and degree equivalency):
      a. Any fractions appearing in the total figure will be rounded to the nearest whole number.
      b. The determination of such credit is the responsibility of the designated administrator following consultation with the Faculty Representative and the applicant. A record of experience so allocated must be properly noted and made part of the faculty member’s personnel record. A copy will be furnished to the faculty member and the Forum within two (2) weeks of the applicant’s first day of employment.

Full-time faculty members shall be paid via direct deposit in twenty-six (26) equal installments on a schedule of every other Friday except when a scheduled payday falls on a holiday. In these cases the deposit shall be made available not later than the last day preceding the holiday. (See Payroll Schedule, Appendix B.)
Section 4. Compensation - Contract Supplements

Compensation to full-time faculty members issued a contract supplement will be paid in accordance with one of the following:

A. Overloads and Contract Supplements during the Instructional College Year will be paid in equal installments beginning with the third regularly scheduled payroll in the appropriate semester.

B. Extensions of the Instructional College Year will be paid in equal installments beginning with the second pay date during the extension period.

C. All compensation for extra-curricular-activities shall be paid on the first regularly scheduled payroll after the conclusion of the activity, except that if the activity is year-long in nature, payment will be made with the last pay period of each semester.

D. Mentoring (an extra-curricular activity) shall be compensated with reassign time or supplemental pay at the rate of:
   - Mentoring of 1 - 2 faculty: One (1) contact hour
   - Mentoring of 3 - 5 faculty: Two (2) contact hours

E. Faculty pay for Independent Learning Agreements will be number of credit hours x 0.10 (one tenth) contact hour per student. Independent Learning Agreements will be mutually agreed upon by both faculty and the designated administrator, and will not count towards total contact load or baseload.

Section 5. Overtime Compensation

Overtime compensation shall be recorded and approved in a manner prescribed by the Human Resources Department and will be paid at the first regularly scheduled payroll occurring after the period in which such compensation was earned. Supplemental assignments issued to counselors shall be paid according to this section.

Section 6. Overloads, Overtime, and Supplemental Instruction

Overloads, overtime, and supplemental instruction shall be compensated for in the following manner: Full-time faculty will be paid at the non-probationary part-time contract rate for all contact hours.

Work in excess of the basic load for librarians and counselors shall be paid at 1/16 of the supplemental contract rate per clock hour.

Section 7. Salary Overpayments

The College shall have the right to deduct any salary overpayment to a faculty member from compensation due to that faculty member. Should said condition occur, the employee shall be notified, in writing, of the amount in question. The repayment schedule shall be developed by mutual agreement. In no case shall repayment be sought if the overpayment occurred more than two (2) years prior to the date of ratification.

Section 8. Community Service

All faculty who participate in a community service event will receive a stipend of 1/6th of the current supplemental contact hour rate per event from the College (e.g., activities such as speaking engagement at another school including K-12, presenting research or musical participation). Funds paid to Forum members for this service will be capped at a total of not more than $10,000 per calendar year for all members.

ARTICLE XV

DISCIPLINE FULL-TIME AND ADJUNCT FACULTY

A. Disciplinary action shall be taken against a full-time or adjunct faculty member only for just cause and only after full opportunity of due process has been afforded. This disciplinary action shall be proportionate to the severity of the infraction and the principle of progressive discipline will be considered, with the understanding that the College may skip steps in the progressive process based on the severity of the infraction. A Faculty Forum Representative shall be in attendance at all meetings which could lead to discipline unless a written waiver is signed by the faculty member with copies distributed to the appropriate administrator, and the President of the Forum. When appropriate, reason-
able efforts for informal coaching and attempts to improve the behavior shall be made, prior to progressive discipline being applied. The steps of progressive discipline are:

- Step 1 - Written reprimand
- Step 2 - Suspension with pay
- Step 3 - Suspension without pay
- Step 4 - Termination

The College may place an employee on non-disciplinary, paid administrative leave pending further investigation of circumstances to protect the integrity of an investigation into alleged misconduct.

B. Investigatory Meeting - Prior to a disciplinary hearing the administration may hold one or more investigatory meetings. The faculty member shall be informed, in writing, of the general reason for an investigatory meeting, when said meeting is scheduled. At the start of the investigatory meeting, the specific concerns shall be shared. During the course of this meeting the faculty member and the Faculty Forum Representative will have the option to caucus at any time.

C. Disciplinary Hearing - Prior to any disciplinary action being taken, a hearing shall be held involving the appropriate administrator and the faculty member. The faculty member shall be informed, in writing, of the reason for a disciplinary hearing, when said hearing is scheduled. Oral or written warnings that provide notice of problems with performance will not go in the faculty member’s personnel file in the Department of Human Resources. At the start of the disciplinary hearing, the College shall present the evidence obtained through investigation of any alleged infractions. The faculty member shall have the opportunity to present facts and evidence in their defense.

Within five (5) business days of the conclusion of a disciplinary hearing, the faculty member shall be informed, in writing, of the outcome of the disciplinary hearing, with a copy to the Forum President.

D. Any written notice of reprimand placed in a faculty member’s file, except as required by law, shall be removed upon their voluntary termination of employment if the written notice is more than two years old and a written request is submitted to the Chief Human Resources Officer.

E. Should complaints concerning incompetence of a full-time or adjunct faculty member teaching the course for the first time come to the attention of the appropriate administrator, said administrator shall initiate a conference involving the instructor, the administrator, and a union representative. Prior to any further administrative action being taken, an expedited assessment shall occur, conducted by the administrator and the faculty representative. If, in their opinion, further action is warranted, any or all of the following actions may be taken:

1. The instructor must take remedial action and demonstrate competency.
2. The instructor will be removed from the course.
3. The instructor will be suspended without pay for the remainder of the course session.
4. The instructor will have no preference points awarded for the class.
5. The instructor will be disqualified from teaching the course again.

ARTICLE XVI

PART-TIME FACULTY

Section 1. Part-Time Faculty Rights & Responsibilities

The provisions of Article XVI shall apply only to part-time faculty members as defined in Article I.

A. The College shall provide electronic access to all appropriate provisions of this Agreement to all part-time faculty within ten (10) days of initial employment.

B. Each part-time instructor and each part-time clinical nursing instructor shall be entitled to freedom of discussion within the classroom or within the clinical facility on all relevant matters within the framework of assigned duties and within their area of competence.

C. Each part-time faculty member shall have the right upon reasonable request and notice to review, with the Chief Human Resources Officer or designee, the contents of their personnel file, excluding letters of recommendation and employment credentials. The part-time faculty member may be accompanied by a Forum representative if they so
desire. When disciplinary or evaluative material is placed in an individual's personnel file, the individual shall be furnished a copy of said material and shall have ten (10) days to write a rebuttal statement which shall be attached to the original material in the file. The statement shall not exceed five (5) sheets of 8½ inch by 11 inch paper.

D. The use of cameras, voice recorders or similar recording devices during the meeting of a class shall be subject to the permission of the instructor, except as required by law or appropriate as reasonable accommodations.

E. Each part-time faculty member is entitled to the enjoyment of their constitutionally guaranteed rights. When they act as a private citizen, they shall be free from institutional discipline. The part-time faculty member, mindful of their responsibility to protect their own and the institution's integrity, shall exercise reasonable care to show that they are acting as a private citizen and does not speak for nor represent the College.

F. The College, while fulfilling its responsibilities to students with disabilities, will notify part-time faculty when an enrollee has been identified as a student with disabilities and will indicate the special assistance and/or special equipment being provided.

G. Part-time faculty shall be permitted to take part in departmental activities.

H. When a part-time faculty member indicates a need for a storage facility, the College shall provide without charge, if available, a locker or other facility in the building in which the part-time faculty member is assigned.

I. All part-time faculty members shall be given an opportunity to evaluate administrators in their professional area of responsibility with whom they have had a direct working relationship. The administrator shall make forms available to faculty members, in their division, by April 1 of each year. The forms shall be returned by April 15 by the faculty members to the administrator for the administrator’s personal evaluation of their administrative effectiveness. The form shall be developed by the Administration and faculty submissions will be anonymous.

J. The Administration cannot require any part-time faculty member to assume an extra contractual assignment without their prior written consent via a non-contractual agreement.

Section 2. Part-Time Faculty Status

A. Probation. For the first six (6) semesters/sessions of teaching, part-time faculty shall be considered a probationary employee. During this period, successful performance (as demonstrated by appropriate evaluations) is necessary for continued employment.

1. During the probationary period, part-time faculty members shall be obligated to attend mandatory orientation(s) as determined by the designated administrator.

2. The College’s election not to offer employment to a probationary part-time faculty member due to performance, as evidenced by their evaluations, shall not be subject to the grievance procedure.

3. When the College elects not to offer employment to a probationary part-time faculty member, the Administration shall inform the member in writing, with copy to the Faculty Forum President, of the reason(s) for termination of employment.

B. After the probationary period, the part-time faculty member can be removed from the preference points list as a result of discipline under Article XV.

C. Those part-time faculty members who have successfully completed the probationary period shall be referred to as Adjunct Faculty.

D. Academic rank for Adjunct Part-Time Faculty shall be accorded as follows:

- **Adjunct Assistant Professor** – Upon accumulation of 100 preference points and a minimum of three (3) years of service with Schoolcraft College.

- **Adjunct Associate Professor** – Upon accumulation of 150 preference points and a minimum of eight (8) years of service with Schoolcraft College.

- **Adjunct Professor** – Upon accumulation of 200 preference points and a minimum of fourteen (14) years of service with Schoolcraft College.

E. First consideration shall be given to part-time faculty applicants for filling any available full-time faculty vacancies if their qualifications are superior or equal to other qualified applicants.

F. Upon becoming a full-time faculty member, they shall be given credit for one year of probation based upon successful completion of thirty (30) contact hours taught as a part-time faculty member at Schoolcraft College within the five (5) years immediately preceding the issuance of the full-time contract.
ARTICLE XVI

Section 3. Part-Time Faculty Employment

A. Part-time faculty members shall be employed by the College only when the need for such service exists. When such a need exists the course or function will be assigned by the designated Administrator following the process described in the rest of this section. Qualifications for persons so employed shall meet, at the time of assignment, minimum competencies for teaching the course(s) or performing the function for which the need exists.

At the time of hire, the designated Administrator shall make known to the part-time faculty member their Primary Course(s), as determined by the need(s) for which they were hired. The designated Administrator will make known to the part-time faculty member the course(s) for which they have been qualified and/or credentialed to teach. This notice will be provided:

1. Before the selection of classes following their hiring
2. After the Faculty member submits changes to their qualifications
3. Upon the Faculty member’s request

An individual is qualified to teach any course in the discipline in which they are hired and for which they meet the minimum competencies.

B. Part-time instructors and part-time clinical nursing instructors may be tentatively assigned prior to the beginning of the semester/session, but hired only after all full-time faculty have acquired their basic load assignments, and only after a laid-off full-time faculty member has been given preference for courses for which they meet minimum competencies, and only after full-time faculty have received their supplemental assignments.

C. Preference for employment shall be given to the part-time instructor and the part-time clinical nursing instructor based upon the following conditions:

1. Administration will maintain a posted part-time preference points list of qualified personnel in each academic discipline. The list will be updated each semester and session and will be made readily available upon request of a faculty member.

2. Placement on the preference point list shall be determined by the following formula:

   Five (5) points awarded for each year of service (minimum of one (1) course taught in any given calendar year). One (1) point awarded for each contact hour taught.

   Example: Ten (10) years of service equals fifty (50) points, fifty (50) contact hours taught equals fifty (50) points. Total equals one hundred (100) points. Faculty teaching in more than one discipline will accrue contact hour points as a total of all disciplines taught such that only one accumulated preference points total is calculated for each faculty member (e.g., sociology four contact and psychology four contact is a total of eight contact hours).

   Full-time faculty who are rehired as part-time faculty shall be awarded fifty (50) points for each year of full-time service at Schoolcraft College. Adjunct Faculty who are rehired by the College will be considered probationary; however, their preference points total will be reinstated, and they will be compensated for their teaching at the non-probationary rate. Probationary Part-Time faculty who are rehired will have their preference point total reinstated.

3. In both tentatively assigning and hiring within a discipline, the designated administrator shall use one of the following processes:

   a. Synchronous, either in person or remote.

   b. Previously approved between the Chief Academic Officer and the Faculty Forum. A list of such approved processes shall be maintained by the CAO with copy provided to the Faculty Forum President.

Any process used and/or approved shall include the following steps:

Step 1 The designated Administrator or designee shall contact the individuals on the preference points list in order proceeding from the highest to the lowest point totals.

If two persons are both qualified under the other provisions of this Article and tied in preference points, and both wish to teach the same course, the tie shall be broken by selecting the person with the earliest date of hire; and if dates of hire are equal, by the designated Administrator flipping a coin in the presence of a witness. The results of the coin flip will be recorded with the Human Resources Department and the Faculty Forum President. These results will be used to establish seniority at any future time that the individuals find themselves with identical preference points.
Step 2 The designated Administrator or designee shall make known to the individual the courses that are unstaffed and available for selection in all modalities.

Step 3 The individual so contacted shall have the right to select courses as follows:

- Adjunct faculty may select from the unstaffed courses the one(s) which they prefer to teach and for which they have been qualified and are credentialed to teach.
- Probationary part-time faculty shall first select and teach their Primary Course unless a Primary Course is unavailable to select. Upon selecting one (1) Primary Course or when no Primary Courses are available, a probationary part-time faculty member may select from the unstaffed courses for which they’ve been qualified and credentialed to teach.
- Instructors selecting classes with start dates in the Spring session and with end dates in the Summer session (e.g. 15 or 12 week long courses) will designate the classes, at the time of class selection, for inclusion in either their Spring or Summer limits (less than 11 contact hours per session). When making this designation, instructors may not allocate a single class to more than one session.

Step 4 Should additional courses be unstaffed, or should the individual so contacted be unable to accept a teaching assignment, the designated Administrator or designee shall proceed to the next name on the list and repeat the process until all available open classes have been assigned.

4. If a previously selected class is turned back by a part-time faculty member within 10 business days of the start of that class, the section may be assigned at the discretion of the Administration. A part-time faculty member who releases a class or classes within thirty (30) days of the start of the semester will be subject to the following steps within the same three (3) year period, unless an accommodation has been approved by the Chief Human Resources Officer or designee:

a. First occurrence will result in a warning.

b. Second occurrence will result in the deduction of preference points that would have been earned for teaching the class(es).

c. Subsequent occurrences will result in the faculty member being limited to select only the number of contact hours that they actually taught for the semester they returned the classes. This restriction applies to the same semester of the next calendar year.

5. If openings still exist after the exhaustion of the preference points list, or if openings exist which cannot be filled by those on the list due to inability to accept available assignments or lack of appropriate qualifications for the specific opening, then the designated administrator may complete the assignment of open classes with a qualified person(s) not on the preference points list.

6. Effective 1/1/20, failure to accept any teaching assignments within a three (3) calendar year period shall result in the individual's name being removed from the preference points list.

7. In the event the preference points list is not adhered to as outlined in the contract and rescheduling is not possible, the following tiers of compensation will begin in order to restore all affected faculty from the missed course(s) regardless of cause.

a. First occurrence: The affected faculty member will receive preference points for course(s) missed, and the Forum will be notified.

b. Second occurrence within five years of the first occurrence to the same faculty member: The affected faculty member will receive preference points for the course(s) missed plus ½ of the compensation for course(s) missed, and the Forum will be notified.

c. Third or more occurrence within 10 years of the first occurrence to the same faculty member: The affected faculty member will receive preference points for the course(s) missed plus full compensation for course(s) missed, and the Forum will be notified.

The aforementioned criteria will not be retroactively applied to the scheduling of semesters prior to the Fall 2015 term.

D. Minimum competencies will be reviewed and defined each academic year through joint decision. The process will be:

1. A recommendation will be generated through discussion among all faculty members in a department (i.e. only those who teach in a specific discipline).
2. The representative or chairperson of the department (note: if the faculty chairperson or representative does not represent the discipline, the senior member of that discipline will act in their place) will bring the recommendation forward for discussion with the designated administrator.

3. The recommendation will be jointly agreed to by the department representative (as specified above) and the designated administrator.

4. The final list will be approved by the Chief Academic Officer and the Faculty Forum President.

5. Minimum competencies will be defined in priority order by course.

6. All faculty members must meet the minimum competencies for all courses they are scheduled to teach as defined in the aforementioned list agreed to by the Chief Academic Officer and President of the Faculty Forum.
   a. If minimum competencies are changed after a faculty member has already taught a class, a faculty member will be considered as meeting the minimum competencies for that class so long as they satisfy current external accreditation standards and have met both of the following criteria: 1) taught the class during the past five years and 2) taught the class after Summer 2018.
   b. If there is a need for verification of credentials, it will be the responsibility of the faculty member to provide or obtain the appropriate proof of credentials.

If the Faculty Forum President or their designee wishes to look at the qualifications for Faculty members, they will file the request with the designated administrator, who will provide copies of the requested documentation within five (5) business days. When such a request is made, the Forum shall also send notification to Human Resources. The Forum’s request will include the reason for the request and the specific documentation requested. The documentation provided to the Forum will be limited to documents related to faculty teaching qualifications, i.e., resume/experience, professional certificates, transcripts, vocational approval forms, and vocational justification forms.

When requesting the documentation from the designated administrator, the Faculty Forum President or their designee shall inform, in writing or by e-mail, the Faculty members whose information is being requested of the reason for the request and the specific information being requested.

Section 4. Evaluation - Part-Time Faculty

Part-time faculty members shall be subject to a continuous formal evaluation.

A. Part-time faculty members shall be evaluated by the designated administrator according to the following conditions:
   1. Evaluations will occur as defined in the Schoolcraft College Faculty Evaluation Handbook and the Process Manual.
   2. Upon successful completion of probation, all part-time faculty will have a checkpoint review meeting in the middle of the four year evaluation cycle (defined as two years after the last evaluation). The checkpoint review process is as follows:
      a. One IDEA survey will be distributed to students in the semester prior to the checkpoint review meeting following the same process used in the evaluation process.
      b. The Faculty will have sole possession of the detailed data, which includes the data cover sheet. The faculty member will provide a copy of their review process student data cover sheet to their immediate supervisor.
      c. The IDEA results will not be tied to the evaluation score system.
      d. The purpose of the checkpoint review meeting will be to have dialogue between the faculty member and the supervising administrator regarding student data results, professional development activities and continuous improvement objectives. The faculty will bring with them, for the purpose of review and discussions, both the IDEA student data and their proposed professional development activities for the coming semesters.
      e. In lieu of a face-to-face meeting, exceptional circumstances (i.e. faculty member is out of state, faculty member has other full-time employment) may dictate the use of an alternative meeting format (i.e., phone or Internet meeting).
      f. The Administration will develop a standardized form to be utilized for recording professional development plans.

B. After the completion of the probationary period, in the event an evaluation results in overall composite rating (OCR) score of less than 3.88, deficiencies must be stated in writing along with a plan for improvement formulated by the
faculty member in consultation with the assigned faculty mentor and the designated administrator. The faculty mentor is assigned by the Designated Administrator for a period of two years. The faculty mentor will be compensated at a rate of one (1) contact hour per year. Evaluations will continue every two years until the OCR score is 3.88 or greater, at which time the regular evaluation cycle resumes.

If the OCR score is less than 3.88 after mentoring occurs, faculty will be subject to formal evaluation process outlined in the Faculty Evaluation Handbook every two years until such time as the OCR score rises to 3.88 or greater. Faculty mentor support will be provided for one (1) two-year period.

If evaluation results in an OCR score of 4.50 or greater, the faculty member will receive recognition from the College for their achievement.

Section 5. Class Size and Length
A. **Length of Class Session.** A class scheduled for one hour shall include fifty-four (54) minutes of instruction and six (6) minutes of passing time. In classes scheduled for more than one (1) hour in the same session, the part-time instructor may schedule a break equivalent to six (6) minutes per hour for each hour except the last hour where the six (6) minutes shall be used for passing time. Any variation must have the approval of the part-time instructor and the designated administrator.

B. **Class Size.** Class size will be the same as provided in Article VI, Section 12 of this Agreement.

Section 6. Office Hours
Part-time faculty members shall be available for student consultations.

For part-time faculty having earned twenty-five (25) preference points or more and who have taught within the prior twelve months, the College shall provide an educational grant fund for the payment of 100% of the tuition and non-refundable registration fee of part-time faculty, current spouses and dependent child(ren) regardless of the parent’s marital status who attend classes at Schoolcraft College. “Dependent child(ren)” shall be defined as a child who would qualify for a federal tax exemption notwithstanding an employee’s marital status. The College may require proof of dependent child(ren) status. The maximum benefit provided will be twelve (12) credit hours per fall and winter semester, and ten (10) credit hours per spring and summer semester. Requests for non-emergent leave must be made with at least five business days’ notice to the designated administrator. The designated administrator will provide an answer within three business days from the time the request was made. Approval will be granted for purposes as specified above.

D. The College shall make available payroll deduction for mutually agreed to deductions to all eligible part-time faculty members.

If a faculty member lives in a municipality that charges city income tax, the college shall withhold city tax from the faculty member’s pay, and transfer said tax to the municipality in a timely fashion, as required by the municipality.

E. The College will budget the sum of $40,000 per year for professional development activities for part-time faculty members. References to contact hours in this section shall be at the highest supplemental rate.

F. The College will provide free membership in the Fitness Center for all faculty members during any semester in which they are teaching.

Section 11. Faculty Absences

At no time will a part-time instructor cancel a class session. At no time will a part-time clinical nursing instructor cancel a clinical session. The responsibility for the cancellation of class sessions or clinical sessions rests only with the designated administrator.

A. Part-time instructors must contact the designated administrator when an emergency or illness may necessitate the cancellation of a class session. Part-time clinical nursing instructors must contact the designated administrator when an emergency or illness necessitates the cancellation of a clinical session. When a class or clinical session is canceled without prior contact with the designated administrator, pay for the canceled session will be deducted.

B. Except for adjunct faculty absence due to the use of a leave day, whenever possible, arrangements will be made with the designated administrator to make up any time and/or course work lost. C. In the event of a part-time faculty absence, all arrangements for the use of substitutes must be approved by and processed through the designated administrator. Faculty substitutes have the option of receiving substitute pay at the current substitute rate or agreeing to substitute as a professional courtesy. Once a faculty member commits to substituting as a professional courtesy, the College shall not provide reimbursement. Where a faculty member is utilizing leave and/or sick days, the use of a substitute will not result in the reduction of pay for the faculty member.

D. Any part-time faculty member who is called for and reports for jury duty shall continue to receive their full wages for the duration of the jury duty. In order to receive payment under this section, the faculty member must give the designated administrator prior notice that they have been summoned for jury duty and must furnish satisfactory evidence that jury duty was performed on the days for which they claim payment. The provisions of this section are not applicable to any faculty member who, without being summoned, volunteers for jury duty.

ARTICLE XVIII

PROPRIETARY RIGHTS
STATEMENT OF PURPOSE:
The spirit of this article shall be to encourage innovative, tangible productivity. Implicit, also, shall be the notion that the College “profits” from the academic prestige of its faculty and staff, and that such prestige is most generally derived from publications, patents, grants and similar public evidence of expertise. The College’s primary thrust is that of teaching. The encouragement of activities specifically designed to improve the effectiveness and efficiency of teaching is in the best interest of the College and consistent with its mission.

Section 1. Areas of Proprietary Interest
A. Any copyrightable material, process, or product except books and articles.
B. Any patentable material, process, or product.

Section 2. Circumstances Under Which the College Would Not Claim Proprietary Interest:
A. If a faculty member has produced anything in the Area of Proprietary Interest on their own time, not involving College money, equipment, materials, personnel, or time (for which said person was paid to perform contracted duties), the College shall have no right to such material, processes, products, or techniques as specified in the Area of Proprietary Interest. This section shall include materials developed on Sabbatical Leave.
B. The College would take no proprietary interest in an approved project as long as the total compensation to the faculty member was less than or equal to a four (4) contact hour supplemental payment; or if the faculty member received no compensation and direct or indirect cost to the College was no more than a four (4) contact hour supplemental payment.

Under this circumstance, the College would retain the right to internally use that which was developed, without payment to the faculty member and/or copyright/patent holder. The faculty member would be free, at their expense, to seek a copyright or patent and/or to market that which was developed.

Section 3. Circumstances Under Which the College May Claim Proprietary Interest:
A. A faculty member may be contracted specifically to produce materials, processes or products which could be in the areas of Proprietary Interest. The College will retain all proprietary rights.
B. If a faculty member was employed temporarily or full-time, with primary duties specified as other than the “project” but received additional compensation in excess of a four (4) contact hour supplemental payment; or received support (copying, video-taping, graphics, typing, etc.) valued at more than a four (4) contact hour supplemental payment then the College, at its sole discretion would claim proprietary interest to the extent of recovery of all substantiated
costs to the College associated with the project in question. Under this circumstance, the College would retain the right to internally use that which was developed, without payment to the faculty member and/or copyright/patent holder. The faculty member would be free, at their expense, to seek a copyright or patent and/or to market that which was developed.

Section 4. General Provisions.
A. The College’s name, logo, and seal may not be used without its written permission.
B. The person(s) producing the product shall be acknowledged as the author(s) and all appropriate credits shall be given to all primary and support personnel. The author(s) shall identify themselves as faculty members of Schoolcraft College if the College elects to be identified with the project.
C. If a project is supported in whole or in part by a grant from an external agency, the conditions of the grant will prevail. If no conditions are specified, the appropriate sections of this article will apply.
D. In all cases, it shall be the obligation of the author(s) when entering into any other agreements, to make known the provisions of this policy and preserve the right and provisions of this article in any other agreements.
E. The internal use of developed material shall be without charge to the College and shall be housed and used as other materials. The College may distribute such materials to other institutions for the purpose of demonstration and review. External distribution by the College for any other reason shall be only with the written consent of the author(s) and the College. The author(s) may use such materials for professional activities such as workshops, etc. In cases where the College has gained proprietary rights, these should be preserved by the author(s). The author(s) retain the right to review recorded material in order to update or otherwise improve its quality or accuracy. If significant costs are associated with such changes, a separate agreement may be negotiated or, at the discretion of the College, the material may be removed from circulation.
F. The College realizes that a routine project (where a faculty member may have received support of compensable value) may “evolve” into something of proprietary interest. It shall be the obligation of the faculty member to inform the designated administrator as soon as possible. Negotiations, regarding applicable provisions of this article (or other aspect of the Forum contract), shall then be applied.

The Faculty Forum will be informed of any “extra contractual” agreements between the College and a member of the bargaining unit.

ARTICLE XIX

Developing and Teaching Distance Learning Courses

Section 1. Ready to Teach Course
A Ready to Teach (RTT) course is a master course which contains all instructional and supplemental information necessary for a qualified faculty member to teach the course. When available, faculty will utilize the RTT that is built into the Learning Management System (LMS). It will be designed to be flexible and customizable by qualified and credentialed teaching faculty members.

Schoolcraft College supports the development of an RTT course by providing a team which includes at least one faculty member and support from an Instructional Designer and a Course Manager. A developed RTT course will, at a minimum, meet all requirements of the common course syllabus. It will include all content modules in the completed course template, tests and quizzes, answer keys, project/paper/assignment details and rubrics, teaching suggestions (if applicable) and section level syllabus.

A course can be taught online only if an RTT exists.

The RTT course, when delivered, may be altered by the teaching instructor as long as the common course syllabus is satisfied, department policies are followed and faculty maintains accessibility and alignment for course competencies and assessments. Additionally, opportunities must exist for substantive interactions with students on a predictable and regular basis commensurate with length of time and the amount of course content.

A. Third-Party Courses

It is not the intention that the parties purchase/lease third party online courses and offer them for credit. In the event a party is considering a third-party online course, a clear need for adopting the content will be established. This need
will be communicated to the designated administrator and discipline as well as the last date the purchased/leased course will be offered. If a third-party course is adopted for use, the review and approval process and the delivery will be the same as for an RTT course.

B. Third-Party Courseware

An RTT includes the original creation of instructional strategies and assessments; curation of materials is drawing from multiple resources. Effective January 1, 2022, the course is considered a third-party RTT when a discipline selects to use material created by a single third-party resource which would include both of the following:

- 75% of the assessments used for the Determination of Final Grade assessments are curated from a single third-party resource and are largely unchanged. The 75% is determined by either the number of points used or the number of assessments used.
- 50% of the total video runtime, practice activities, and slides are from the single third-party resource and are largely unchanged.

C. Course Development Rate

Upon departmental approval of the new development, major revision, or strategy revision; 50% of the payment will be made. The remaining 50% of payment is made when the course is approved by the Online Instruction Committee (OIC) and all pending changes are made.

1. New Development and Major Revisions on Non-Third-Party Courses

In the case where an RTT course is developed by a single Subject Matter Expert (SME) then a total rate of the course credit hours plus two (2) contact hours at the highest supplemental rate will be paid to the faculty member. In the case where an RTT course is developed by multiple SME’s then a total rate of the course credit hours plus three (3) contact hours at the highest supplemental rate will be paid to the team of faculty members. Prior to the kickoff meeting, the team of SME’s developing the course must submit to the Course Manager an agreement which includes at least their division of:

- Labor
- Compensation
- Teaching rights
- Maintenance responsibilities

2. Strategy Revision

The rate for a Strategy Revision of an RTT shall be half the rate that would be given for a Major Revision of the same RTT.

3. Third-Party RTTs

The rate of developing a Third-Party RTT shall be half the rate that would be given for the development of a non-Third-Party RTT.

D. Course Development Responsibilities

The faculty completing a new development, major revision, strategy revision, or Third-party RTT, is/are expected to provide the subject matter and instructional expertise to the team. The faculty member(s) will have the first right of refusal to teach up to all offered sections of the course (within the contractual limits and regardless of rotational policy or preference points) for the first semester the course is offered. During each of the second, third, and fourth instructional years after the course is launched the faculty member shall have the first right of refusal for one section per instructional year.

For five (5) years from the launch semester, the faculty member(s) is/are responsible for making minor revisions to the course in collaboration with Distance Learning (DL) to ensure its effectiveness. This will be done through the required completion of an update log designed for tracking minor revisions. The log will be completed up to three (3) times per year and the SME will be required to collect and consider feedback from multiple sources including but not limited to the academic department and instructors of the course. Failure to submit the log or making an incomplete submission shall result in forfeiture of the first right of refusal for the following instructional year; however, the course maintenance is still expected. Subsequently, if an SME does not submit the log as requested during the five (5) years, they will forfeit the opportunity to develop future RTT’s and shall not participate in future online course approval processes. If these consequences are imposed no further discipline will be imposed. If necessary, the college shall have the right to reassign the maintenance responsibilities to another faculty member.
E. Intellectual Property Rights

For four (4) years from the date of first offering, developing faculty members have the right to use copyrightable content developed under this agreement, excluding external copyrighted materials, for any purpose except teaching at another college or university.

Beginning four (4) years after the date of first offering, the creating faculty members may utilize their original course content in its original form for any purpose.

Schoolcraft College and its faculty can utilize the course and content indefinitely. The course can be made available to any credentialed faculty member following the contractual procedures.

Section 2. Collaboration with Academic Departments and Disciplines

The Distance Learning department collaborates with the instructional administrators and faculty to determine demand for developing distance learning courses. Once courses have been selected for distance learning development, the appropriate Department Chairperson, Faculty Representative, or designee are notified.

In order to assure that the department and discipline faculty have input into the course development process, the following will occur:

- The designated administrator and the Department Chairperson, Faculty Representative, or designee will be notified when the course is complete and ready to be submitted to the OIC.
- Faculty members serving on RTT development teams will be expected to communicate with discipline faculty on an ongoing basis during the course development process to assure that the course is being designed in compliance with all departmental requirements.

Section 3. Credentialing Process

A. To Teach a Distance Learning Course

Faculty members who wish to teach a Distance Learning course must be credentialed. Credentialing occurs by successfully passing a standardized assessment or successfully completing the following courses:

- Learning Management System Training
- Distance Learning and Teaching

Unless the faculty member has successfully completed Distance Learning and Teaching after January 1, 2020, effective with the selection of Fall 2023 courses, faculty must be recertified to teach online courses. Initial recertification is defined as the completion of a Center for Academic Innovation online recertification course(s) worth a total of 0.5 CEU.

To continue to teach online, a faculty member must recertify their training every three years. Continued recertification involves the completion of 0.5 CEU (or the equivalent) in approved online learning professional development.

B. To Develop a Distance Learning Course

Faculty members who wish to develop a Distance Learning course must be credentialed. Credentialing occurs by successfully passing a standardized assessment or by successfully completing the following courses:

- Two courses required for teaching in Distance Learning as noted in Article XIX Section 3 A
- Distance Learning Course Design and Development

A faculty member who has not developed an RTT within six (6) years of their initial credentialing, are no longer considered credentialed to develop an RTT.

Section 4. Distance Learning Ongoing Training

Training will be made available to all faculty as new technology and new Distance Learning instructional methods become available. If a new Learning Management System (LMS) is adopted, training on the use of this new technology will be made available to all faculty members. The adoption of a new LMS does not change the credentialed status of a faculty member.

Section 5. Distance Learning Mentoring

Distance Learning mentoring will be provided to all faculty teaching their first online or hybrid course for which an RTT exists. The mentoring plan is designed by the Distance Learning department and approved by the Online Instruction Committee.

Mentoring will be compensated with a per-semester payment at the supplemental rate of one-half (½) contact hour for each
Section 6. Technical Administration of Distance Learning Courses

Courses may be accessed freely by a student, faculty/department guest [other employee or accreditation reviewer], or Learning Management System technical administrator for the purpose of technical support. If others access the course, notification will be sent to the delivering instructor, prior to access, with the name of the person accessing the course, duration of access, and the reason for the access.

The content or settings of the course will not be changed while it is being delivered without the instructor’s consent, apart from the case of exceptional circumstances.

The administration has the right to course analytics to assure a faculty member is complying with reasonable work rules.

Section 7. Online Instruction Committee

The Online Instruction Committee will include a minimum of five (5) faculty members (not to exceed seven (7) members) selected by the Faculty Forum President in consultation with the administrator of Distance Learning. If needed, a rotation plan should be established so terms are offset. An equal number of faculty and staff, with a minimum of two from each must vote for course approval; tie votes will be settled by the vote of the administrator of Distance Learning.

Non-voting members include a recording secretary, Instructional Designers, Coordinators, and content experts as required. In its advisory capacity, the Online Instruction Committee has three main purposes:

- To review and approve courses developed prior to offering through Distance Learning.
- To act as a liaison between the Distance Learning department and the academic community.
- To consider and recommend procedure updates, such as course design template, rubrics, evaluation, etc., related to the development and offering of Distance Learning courses and to approve the mentoring plan. These recommendations are presented to the designated administrator.

Additionally, the Online Instruction Committee has an Operations Subcommittee to consider operational and technical issues related to Distance Learning. Faculty members are not required to participate on this subcommittee, and will not have voting rights. Faculty members are welcome to provide guidance and input.

Each of the faculty members serving on the Online Instruction Committee will receive a stipend of one (1) contact hour at the current supplemental contact hour rate for participation in all Online Instruction Committee (OIC) meetings and completion of all assigned work.

Section 8. Course Revisions

Once an RTT course is developed and delivered, revisions may be necessary. Revisions can fall into four categories: minor, strategy, major and decommission. Minor course revisions are the semester-to-semester responsibility of the developer(s) after the course is approved by the OIC. Within five (5) years after an RTT has been approved by the OIC the course will be reviewed to determine if a revision is necessary. The necessity of a revision will be made by the Distance Learning Department. The determination as to the type of revision will be made in consultation with the discipline faculty and Department Chairperson/Faculty Representative.

A. Minor Revision

A minor course revision may include content changes related to broken links (and their subsequent impact), publisher resources changes, accessibility improvements, clarifications and technical updates to assessments, learning activities, or practice.

Changes to the course are to be carried out by the developing faculty on an “as-needed” basis with the assistance of a Course Manager. These changes are to be reported back to the Distance Learning Department if the course is an RTT course.

B. Strategy Revision

A strategy revision includes changes made to the course that are related to instructional strategies throughout the course; it involves very limited or no discipline content changes in the learning activities. Strategy revisions require the assistance of an Instructional Designer and Course Manager and in collaboration with a subject matter expert.

C. Major Revision

A major revision consists of changes made to the integral course content and instructional strategies in an existing online RTT course. Changes that go beyond the scope of a strategy revision will be considered a major revision. Major
revisions require the assistance of the Instructional Designer and Course Manager.

D. Decommission

An RTT will be decommissioned and thus no longer available for use if the Distance Learning Department determines the RTT version of the course is no longer appropriate for offering.

Section 9. Independent RTT Development (IRD)

An Independent RTT Development (IRD) is a process to develop an RTT with minimal support from the Distance Learning Department. An IRD cannot be initiated for a course in which an RTT already exists, or is in development.

A faculty member may only perform an IRD if they are credentialed to develop an RTT.

A department wishing to initiate an Independent RTT Development should contact Distance Learning. The decision to start the development will be determined by the Administrator of Distance Learning or their designee. This decision can be appealed to the Chief Academic Officer.

A. Developer Responsibilities

The IRD developing instructor will be expected to develop all materials in the current Distance Learning template, assure alignment to the common course syllabus, uphold accessibility standards, and meet all of the prescribed OIC guidelines.

B. Support

Distance Learning will provide access to the Distance Learning Online Faculty resources and the most recent OIC guidelines for course approval. Distance Learning will build the course in the Learning Management System and any necessary learning objects.

C. Approval Process

Upon completion, the course document will be approved by the department and then preliminarily reviewed by two members of the OIC (one faculty member and one administrator/staff member) before the course is built in the LMS by Distance Learning. Once the course is built, it will have a final review by the original reviewers and approval by the committee. Once the course is approved, it is a Ready To Teach (RTT) course and subject to applicable processes and procedures.

D. Course Development Rate

A faculty member who completes an Independent RTT Development will be paid for the development of the course pending final OIC approval.

ARTICLE XX

NONDISCRIMINATION - FULL AND PART-TIME FACULTY

Section 1. Discrimination

The College will not discriminate against any faculty member with respect to wages, hours, terms or conditions of employment by reason of their membership in or participation in the activities of the Union.

Section 2. Exercise of Duties and Responsibilities

In the exercise of their duties and responsibilities neither the College, the Faculty Forum, nor the faculty shall discriminate on the basis of race, creed, religion, age, sex, marital status, political beliefs, sexual orientation, disability, height, weight, arrest record, genetic information and/or national origin.

ARTICLE XXI

CONFORMITY TO LAW

This Agreement is subject in all respects to the laws of the State of Michigan. In the event that any provision of this Agreement shall at any time be held contrary to law by a court of competent jurisdiction, such provision shall be void and inoperative. All other provisions of this Agreement shall continue in effect.
ARTICLE XXII

WHOLE CONTRACT

This contract constitutes the entire Agreement between the parties but it may be amended in writing by mutual agreement of the parties. Such amendment must be ratified by the Senate acting for the Forum and a designated representative of the Board. The proposed amendment shall become part of this document when the parties have exchanged written notification of their formal action.

ARTICLE XXIII

TERMINATION OF AGREEMENT

This Agreement shall remain in full force and effect through the 22nd of August, 2024, and thereafter for successive periods of one (1) year unless either party shall, on or before the sixtieth (60th) day prior to expiration, serve a written notice on the other party of a desire to terminate, modify or change this Agreement. Such notice shall be sent by mail and email to the other party.

IN WITNESS WHEREOF, the parties hereto have set their signatures on the day and year first written above.

Schoolcraft College and the Faculty Forum

Re: Agreement to create a Committee to modify the existing Evaluation Process

This Letter of Agreement (Evaluation LOA) is entered into between the Schoolcraft College Board of Trustees (College) and the Faculty Forum of Schoolcraft College (the "Faculty Forum") (collectively, the Parties) who agree as follows:

WHEREAS, the College and the Faculty Forum have been engaged in negotiations to modify the “Agreement between the Board of Trustees of the Schoolcraft College District and the Faculty Forum of Schoolcraft College August 2018 to August 2021” (Collective Bargaining Agreement);

WHEREAS, Article V and Article XIV of the Collective Bargaining Agreement address the right of the College to evaluate Faculty, and both Articles refer to the process to be used in connection with such evaluations;

WHEREAS, both Parties recognize the need to modify the existing evaluation process and that the best method of accomplishing this is through a committee (Evaluation Re-Development Committee); and

WHEREAS, both Parties wish to avoid waiting for the Committee to complete its work before closing negotiations; and further agree that it is their mutual interest to enter into this Evaluation LOA.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, the Parties hereby agree to the following:

1. An Evaluation Re-Development Committee shall be created and comprise the following:
