- A.** The College agrees to deduct dues from the salaries of employees covered by this Agreement from whom it has received written authorization.
- B.** The College shall remit to the Association dues deducted from each employee’s paycheck within seven (7) days of said deduction. This deduction shall be accompanied by a list of employees from whom deductions have been made.
- C.** Not later than August 1 of each year, the President of the Association shall inform the Executive Director of Human Resources or designee of the dues structure of the Association for the forthcoming dues deduction period. The authorized deduction of dues shall be made in uniform amount as specified by the Association, from each employee’s paycheck beginning with the first pay date after September 1, and ending with the last pay date in June. Payroll deductions will be made only in such cases where the employee voluntarily files with the employer proper written authorization. Such authorization shall remain in effect from year to year unless written notification is given to revoke same. Collections of special Association fines, etc., are not part of the dues and shall be the responsibility of the Association and not a part of the payroll deduction process.

ARTICLE VI

EMPLOYMENT STATUS

A. Probationary Employment

1. Probationary employment shall be the initial twelve (12) months of employment by the College.
2. During the probationary period, no grade promotions or transfers shall be granted.
3. During the probationary period, employees shall be covered by health insurance as per the insurance contract. Dental, Life, Optical, Short-Term Disability and Long-Term Disability insurance shall be provided to employees at the onset of employment in accordance with College-wide benefit start dates.
4. During the probationary period at least three (3) written evaluations shall be made by the immediate supervisor and these written reviews shall become part of the employee's employment record. These reports are designed to protect the rights of the employee and the College by making both parties aware of the individual's progress.
5. The initial evaluation must be done at the end of three (3) months of employment. The second evaluation will be done after six (6) months of employment, with a final probationary evaluation completed prior to the end of the probationary period.
6. After each evaluation a conference shall be held between the employee and supervisor to discuss the evaluation. The file copy shall be signed by the employee and a copy presented to the employee. The employee's signature indicates awareness of the contents of the evaluation and does not necessarily indicate the employee's concurrence.
7. The probationary employee may make a written response, which shall be placed in the employee's personnel file to accompany the evaluation.
8. At the conference, the supervisor shall inform the employee, in writing, of any observed deficiencies.
9. A probationary employee may be dismissed, with the approval of the Executive Director of Human Resources or designee, without recourse to this Agreement.

B. Regular Employment

1. Regular status is a designation to indicate that an employee has completed a probationary period.
2. Regular status makes an employee eligible for grade promotions and/or job reclassification.
3. Maintenance of regular status is contingent always upon satisfactory performance.

Annual performance reviews shall be made part of the employee's employment record. The annual performance review form is attached, for information purposes only. (Exhibit A)

4. The annual performance review shall be written. It shall be discussed with the employee and signed by both the employee and the supervisor responsible for the evaluation. A copy shall be furnished to the employee and the employee is entitled to answer, explain or clarify the evaluation, but not change it. The employee's response shall be attached to the performance review which is to be placed in the personnel file.
5. Regular status shall not be affected except by death, retirement, resignation, or by the termination process as outlined in Article XV.
6. There will be only one official personnel file for each employee. This file will be maintained in the Human Resources Department. The employee will have the right, upon request, to examine the personnel file, the only exclusion being confidential pre-employment credentials and pre-employment recommendations of an evaluative nature. The employee will make an appointment with the Human Resources Department to examine the personnel file. A member of the Human Resources Department will be present when the employee inspects the file, and the employee may be accompanied by a member of the Association.
7. When evaluations or annual performance reviews, disciplinary reports, or similar materials are placed in a personnel file, the employee shall be furnished a copy within ten (10) days. The employee shall have ten (10) days after the receipt of the material to write a rebuttal. Any rebuttal will be attached to the original material in the file.

ARTICLE VII

WORKING YEAR, WEEK AND HOURS

A. Full-time Schedules

A full-time employee is defined as any member of the bargaining unit working forty (40) hours per week, and the normal working day shall consist of eight (8) hours, commencing at 8:00 a.m. and ending at 5:00 p.m. Exceptions to the normal working day shall be handled through the posting of the variance at the time the position is filled.

B. Flexible Schedules

1. The use of a flexible day, forty (40) hour workweek is permitted. Unless the use of a flexible workweek is caused by the closing of a building, it shall be by mutual agreement between the affected employee(s) and the appropriate administrator.
2. With the approval of the administrator, an employee may be permitted to work additional hours one or more days per week and will receive overtime pay during the same pay period (total hours to be worked for straight time pay shall be 40 hours per week or 80 hours per pay period). In accordance with Section (B)(5), compensatory time may be accrued and the employee may use such time, based upon written request and approval, within a reasonable period up to nine (9) months after working the additional hours.
3. Whenever a holiday, snow day or other emergency College closing falls during an employee's regularly scheduled day, the remainder of the week or pay period shall be worked as though each employee worked the scheduled shift on the day the College was closed.

4. Whenever the employee uses a sick day, a vacation day, or a personal business day on a normally scheduled flex day, the adjustment of hours may be made, and each day treated as 8 hours of absence. The same guideline is used for half days with the hours adjusted accordingly.
5. Compensatory time shall be used in those cases where the College requests that the employees work additional hours and where there is mutual agreement that additional time shall be taken off rather than the employee receiving overtime pay for the hours worked.
6. Within the eight (8) hour day, full-time employees are entitled to a one (1) hour unpaid lunch break and two (2) fifteen-minute paid breaks daily. The lunch break may not be eliminated or combined with the daily breaks on a regular basis to adjust the work day. Lunches and breaks will be taken as per Section E of this Article.

C. The working year for bargaining unit employees shall consist of fifty-two weeks.

D. The working week shall consist of forty (40) hours, Monday through Friday unless the position is posted which includes Saturday/Sunday.

1. The administration will set work schedules and make work assignments which can reasonably be completed in the allotted time.
2. A full-time bargaining unit employee shall be given twenty-four (24) hours' notice if possible, when expected to extend the working day beyond the normal eight (8) hours.

E. Lunch Periods and Breaks

1. All full-time employees shall be entitled to a duty-free, unpaid lunch period of one (1) hour. Individual lunch periods shall begin no earlier than three (3) hours after the start of the shift or any later than five (5) hours after the start of the shift.
2. Full-time employees shall be granted two (2) fifteen minute paid breaks daily. Such breaks shall not be taken at the beginning or end of the work day or routinely taken to extend the lunch period, but shall be taken as otherwise agreed to by the employee and the supervisor.

F. Overtime and Compensatory Time

1. Overtime rate (time and one-half) will be paid or compensatory time (time and one-half) will be given to all full-time bargaining unit employees for over forty (40) hours in any one week, or for over eight (8) hours in any one day if working a five (5) day week, or over the scheduled hours per day if working a flexible workweek.
2. Whenever an employee is required to return to work after the completion of the employee's regularly scheduled working hours, the employee shall receive pay for the actual time worked at time and one-half the regular rate or a minimum of three (3) hours pay at the straight time hourly rate, whichever is the greater.
3. When overtime hours are required the regular employees in the area where the overtime need arises will be given the opportunity to work overtime before any overtime work is offered to part-time or student employees. Such overtime work shall be allocated among the qualified regular employees in the area as equitably as practicable.

G. Shift Premium

Any employee covered by this contract who starts work at or after 11:00 a.m. shall be paid a premium of seventy-five cents (.75) per hour. Any employee covered by this agreement who works Saturday or Sunday as part of the employee's regular work week, shall be paid a premium of one dollar (1.00) per hour.

H. Paid Holidays

1. The following paid holidays will be allowed to all full-time employees provided that the College is not in session, and provided they fall within the scheduled work year:

Independence Day	Christmas Day
Labor Day	New Year's Eve Day
Thanksgiving Day	New Year's Day
Day after Thanksgiving Day	Martin Luther King, Jr. Day
Christmas Eve Day	Memorial Day

2. Should any of the above holidays fall on a Saturday, the first preceding work day shall be observed as the holiday. Should any of the above holidays fall on a Sunday, the first succeeding work day shall be observed as the holiday.
3. Full-time employees who are required to work the above named holidays or days observed as named holidays (see H.2.) will be paid double time for hours worked (holiday pay plus straight time) and be given equivalent hours added to their vacation bank.
4. Payment for holidays will not be provided to employees on leave or to those employees who for some other reason did not work the day preceding and/or following the holiday, except those on approved sick leave, compensatory day, or vacation day.
5. An employee assigned by the appropriate administrator to work special holidays (as determined by the College President) to provide uninterrupted vital and necessary services will be granted equivalent time added to the employee's vacation time. Such assignments must be made not later than December 1.

ARTICLE VIII

EMERGENCY CLOSING

- A.** If it becomes necessary for the College to close for any reason, those employees who were regularly scheduled to work shall not report to work but shall receive compensation at the straight time rate for the hours they were scheduled to otherwise work but for the closing. Employees scheduled for personal business, sick leave or vacation shall be paid as above without having a day deducted from any bank.
- B.** Should the College require any employee to work despite the closing of the College, that employee shall be compensated double-time for all hours actually worked, including hours that may be designated as overtime. For example: an employee's scheduled shift ends at 4:30pm. At 3:30pm, the College closes and the employee works until 5:30pm. The employee would be compensated two (2) hours at the double-time rate.

ARTICLE IX

WORK LOADS AND ASSIGNMENTS

- A.** In order for each College employee to understand the assigned duties and responsibilities, the Human Resources Department shall develop and maintain job descriptions for each job classification. These descriptions will include a brief job summary, listing of major responsibilities, and a detailed outline of typical duties.

Such job descriptions shall be given to employees at the time of hire or in no event later than three (3) months from the date of hire or at any time upon request. The immediate supervisor and/or the appropriate administrator shall meet with each employee annually regarding changes, alterations, or clarifications of job descriptions. A copy of a revised job description will be furnished to the employee when updated.

Revised job descriptions shall be forwarded to the Association President, who will distribute same to the Union members.

- B.** Employees, at the time of hire, will be assigned to the proper job classification according to Exhibit B.
- C.** When any new positions, not included in the rate schedule, are established, the College may designate the job classification, rate structure and working conditions consistent with the provisions of this Agreement.
- D.** A non-member of the bargaining unit shall not perform duties appropriately assigned to bargaining unit members. The use of co-op students, work study students, student aides, temporary employees hired for peak work periods, or as otherwise provided in this Agreement, and regular part-time employees is permitted. When any bargaining unit member is on layoff status, the College may not reassign the work of a position previously held by a bargaining unit member to a non-bargaining unit member, until offered to a qualified bargaining unit member.

ARTICLE X

RECLASSIFICATION AND VACANCIES

A. Reclassification

The reclassification of bargaining unit office positions is the responsibility of the Executive Director of Human Resource or designee after consultation with the department head.

1. Positions of regular status employees may be reviewed for reclassification. Such request for a review may be initiated by either the employee or the supervisor after the employee completes the appropriate form and the supervisor verifies that the information contained on the form is an accurate reflection of the job responsibilities. Necessary changes to the position review form shall be made after discussing said changes with the Union President.
2. The review shall be conducted by the Executive Director of Human Resources or designee in consultation with the appropriate department head(s). Decision on reclassification shall be the responsibility of the Executive Director of Human Resources or designee.
3. The review shall be conducted in a timely manner, but shall not exceed sixty (60) calendar days from the date the request is received by the Executive Director of Human Resources or designee, unless extended by mutual agreement between the Executive Director of

Human Resources or designee and the initiator. If the request is approved, it will be retroactive to the date of initiation.

4. If the result of the position review is not acceptable to the employee, the appeal procedure may be obtained from the Human Resources Department.

B. Vacancies

All postings for bargaining unit positions shall be posted for five (5) work days, during which time bargaining unit employees may bid on such vacancies. At the conclusion of the five (5) work days, if no bargaining unit employees apply, the vacancy will be reposted and internal and external applications shall be accepted.

Any bargaining unit employee who meets the minimum qualifications shall be tested, if necessary, and then interviewed. If the employee does not qualify, the employee shall be so notified prior to the College interviewing other candidates.

1. The Association President shall be notified of postings as they are advertised.
2. Vacancies will be filled, whenever possible, by bargaining unit employees who have the necessary skills and who are interested in changing work assignments. The employee's skills, proficiencies, qualifications, length of time at the College and other relevant factors will be considered; employees who have received discipline (written reprimand and/or suspension) are not eligible to apply for a transfer for the first two years following such discipline. All other factors being equal, the number of months of service shall be the determining factor.
 - a. Transfers shall be the responsibility of the Executive Director of Human Resources or designee after consultation with the department head.
 - b. An employee shall not be retested if the initial testing was completed successfully.

When an employee applies for a position which requires additional or different skills, testing may be necessary in the new skill area.

- c. Any employee who requests and receives a transfer shall not be eligible to request another transfer within the same or lower pay grade until the employee has completed at least one year in the position, unless mutually waived by the department administrator and the employee. The acceptance of a position upon re-call from layoff shall not be considered a "request" under this section.
- d. Employees who receive a transfer or promotion will serve a six (6) month probationary period from the date of transfer, unless mutually waived by the Executive Director of Human Resources or designee and the appropriate administrator. The six (6) month probationary period will not apply to involuntary transfers.
- e. The President of the Association shall be notified in writing at the time any vacancy is filled or any reclassification is determined.

ARTICLE XI

SENIORITY

Seniority shall be defined as length of continuous service with the employer and shall be subject to the following conditions:

- A.** Seniority shall be computed from the latest date of hire. For the purpose of this contract, “date of hire” means the first day actually worked as a bargaining unit employee. Time spent on a leave of absence of six (6) months or more shall not count towards seniority.
- B.** Seniority shall be on a bargaining unit-wide basis.
- C.** When an employee completes the probationary period the employee shall be entered on the seniority list and the employee’s seniority shall be computed from the latest date of hire. There shall be no seniority among probationary employees.
- D.** The seniority lists on the date of this Agreement shall show the names of all bargaining unit employees. Within thirty (30) days after ratification of the Agreement, Human Resources shall provide the Association with a current seniority list of all bargaining unit employees. The President of the Association shall be notified of all additions to the seniority list.
- E.** An employee shall be removed from the seniority list for the following reasons:
 - 1. Resignation
 - 2. Discharge and the discharge is not reversed through the grievance procedure
 - 3. Death
 - 4. Retirement
 - 5. Layoff for length of employment not to exceed one (1) year.
 - 6. Voluntarily accepts another position outside of the bargaining unit.
 - 7. Failure to return from a leave of absence.
 - 8. Job abandonment.

ARTICLE XII

PAID SICK AND EMERGENCY LEAVE

A. Sick Leave

- 1. Newly hired employees shall be credited with sick days on the basis of eight (8) hours for each calendar month (or major fraction thereof) from the date of hire through the end of the fiscal year.
- 2. On July 1 of the following fiscal year (after employment), one hundred twenty (120) hours will be credited at the beginning of each fiscal year to each full-time employee of the College; this may accumulate to a maximum of nine hundred sixty (960) hours.

3. Should an employee accumulate nine hundred sixty (960) hours and be entitled to additional sick hours, the excess (over nine hundred sixty (960) hours) shall be placed in a common bank. This common bank may be drawn upon should a Union member have an extended illness of one month or longer. Should this employee have less than the days required to meet the waiting period for Short Term Disability (fourteen (14) calendar days), the employee may request up to eighty (80) hours from the bank. This bank shall be considered a common bank only, and the days shall be transferred only for the purpose of satisfying the fourteen (14) calendar day waiting period prior to the onset of Short-Term Disability (see Article XVII.F). A request for the specific number of days required shall be forwarded to the Executive Director of Human Resources or designee with the medical documentation regarding the reason for the absence and the expected duration of same.
4. Accumulated sick leave with regular pay may be used by the employee for any personal illness or injury. Persons injured on the job must file Worker's Compensation forms.
 - a. No sick leave will be charged whenever an employee's absence is covered by Worker's Compensation.
 - b. A person receiving Worker's Compensation may utilize personal sick leave days in one-half (1/2) day or one (1) day increments to supplement Worker's Compensation, so long as the use of said days does not make more than whole.
5. Accumulated sick leave with regular pay may also be used for emergencies created by illness or injury to the immediate family of the employee within the household or responsibility.
6. Employees working less than twelve (12) months per year or less than forty (40) hours per week shall receive sick leave on a pro rata basis.

B. Personal Business Leave

After the period of probationary employment, and with the approval of the supervisor, thirty-two (32) personal business hours may be used by any regular employee in each fiscal year. Personal Business Leave must be requested by advance written notice. The request will be honored if the operation can continue with the best interest of the College being served.

In the case of an emergency requiring the use of Personal Business Leave, the employee is required to contact the supervisor or appropriate administrator prior to the beginning of the shift.

Personal Business Leave will be deducted from the employee's sick leave bank.

C. Bereavement

In the event of a death of an employee's immediate family or household member, the employee will be granted paid leave, not chargeable to sick time, not to exceed three (3) working days.

The employee will notify the immediate supervisor of the intended absence.

Immediate family member is defined as a spouse, child, father, mother, brother, sister, step parents; father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, and daughter-in-law; grandparent, grandchild; aunt and uncle if resided in the same household or if the primary caregiver, foster child, or children assigned by the court.

Extenuating circumstances that would necessitate more than the days enumerated above may be approved at the discretion of Human Resources and would be subtracted from the employee's sick leave or vacation time.

D. Jury Duty

An employee who is called for and reports for jury duty shall receive full wages for the duration of the jury duty and may retain the daily jury duty fee paid by the court. Mileage allowance is not considered a jury duty fee.

The employee must furnish satisfactory evidence to their supervisor that jury duty was performed. The provisions of this section are not applicable to any employee who without being summoned, volunteers for jury duty.

4. An employee on leave of absence shall notify Human Resources in writing of the intention to return from leave or request an extension of leave, at least one (1) month prior to the expiration of the leave of absence. 5. The position of an employee on leave of absence, shall, if filled, be filled with a temporary employee until such time as the regular employee returns from leave of absence, resigns, or is terminated in accordance with C above.
6. An employee returning at the completion of a leave of absence shall be assigned to the same position which the employee held at the time the leave commenced. If that position no longer exists, and the employee has sufficient seniority, the employee shall be reassigned to a position within the same classification. If the classification no longer exists, and the employee has sufficient seniority, the employee shall be reassigned to a substantially equivalent position.

An employee who is pregnant may continue in active employment as

A. Discipline

No employee shall be disciplined, reprimanded, or discharged without just cause.

It is the College's practice to advise employees of performance or disciplinary issues and provide them the opportunity to correct the issue. Employee discipline will fall into one of the following three (3) categories:

1. Attendance
2. Work Performance

3. Policy, Work Rule & Regulation

The formal disciplinary process steps are documented on the Employment Action/Disciplinary Notice form and placed in the employee's personnel file. All Employment Action/Disciplinary Notice forms are to be reviewed by the Executive Director of Human Resources or designee for approval prior to meeting with the employee. The formal disciplinary process steps are as follows:

1. Verbal Reprimand (will be documented)
2. Written Reprimand
3. Suspension
4. Termination

In addition, both sides may mutually agree to skip a step in the progressive discipline process depending on the severity of the offense.

- B.** Any employee who is absent for three (3) consecutive work days who fails to make a report of the absence to the immediate supervisor may be discharged by the Executive Director of Human Resources or designee.
- C.** Any employee who is discharged forfeits all rights except for unused earned vacation time which is paid for at the pay rate then in effect for the employee.
- D.** Human Resources will notify the employee of an investigatory meeting and whether the meeting will pertain to attendance, work performance or policy/work rule violation.

E . Involuntary Transfer

If the employee is transferred two grade levels or more below his/her current classification, the employee shall receive the rate of pay one grade level below his/her current classification. In the event of a transfer to a higher grade level, the employee will receive the rate of pay designated to the position in which he/she is being transferred.
