Police Vehicle Operation Refresher Course

MCOLES
Registered

COURSE DATES: June 6 or 13 or 20 or 27, 2023

TIME: 8:00 a.m. to 4:00 p.m.

This eight-hour course refreshes trainee's abilities in the operation of the emergency vehicles. Trainees get one hour of classroom time (which includes a portion of the Below 100 program), driving range time, and use of the Virtual Reality Driving Stimulator. Trainees will complete exercises to build better decision making, vehicle handling, and mock pursuits using radio communications. Trainees will refamiliarize with emergency vehicle operation, new vehicle technology (electronic stabilization and traction assist), legalities, liabilities, policies, and procedures.

There will be a one-hour lunch break. Attendees are responsible for their own lunch.

Attendees are required to bring a police vehicle for this training. One police vehicle is needed for every three department attendees.
