Gallagherj14@michigan.gov

Please remember to bring your MCOLES number for recognition of the completed training on your Individual Employment History (if applicable).

This course is delivered by first responders and mental health professionals for police officers, mental health professionals, correctional staff, 911 operators, and other emergency first responders to aid in identifying and engaging with those in a mental/behavioral health crisis. Learners will practice techniques to de-escalate and initiate effective solutions.

This course requires a 4-hour online course prior to in-person attendance. Please follow the link below to create an account through M-VTC and complete the prerequisite course.
