CRIME SCENE EVIDENCE TECHNICIAN COURSE

MCOLES REGISTERED

COURSE DATES: May 10 - 21, 2027

TIME: 8:30 a.m. – 5:00 p.m.

This course is taught by current and retired members of law enforcement (both local and state) with years of experience in processing crime scenes. The course is designed to provide officers with the fundamentals of evidence processing and the skills necessary to properly investigate a crime scene. It will include hands-on training, lecture, and discussion in the following areas:

- Collection/preservation of evidence
- Crime scene and evidence photography
- Latent prints
- Footwear/tire impressions
- DNA, blood splatter interpretation, and serology
- Hairs/fibers
- Trace, hit/run, paint, arson, footwear, and tire track evidence
- Firearms, tool mark, and physical match
- Cause and manner of death
- Two full days of solving mock crimes

EQUIPMENT NEEDED:

Crime scene camera, including flash (bring owner's manual and batteries/charger for camera and flash), tripod, PC cord, filters, etc., flashlight, and 3–4 of each type of evidence bags your police department uses. Bring eye and ear protection for range day. *There will be a one-hour lunch break. Attendees are responsible for their own lunch.*

CESP: 6252 | COURSE FEE: $995

LOCATION: Firearms Training Center, 31623 Industrial Rd., Livonia, MI 48150

TO REGISTER:

Email registration form with attendee(s) name(s) and MCOLES number(s) along with billing and contact information to leis@schoolcraft.edu
The registration form can be found at the website schoolcraft.edu/leis
This is an MCOLES registered class and is approved for 302 funds. & CPE Approved.
Officers must bring their MCOLES number.
