### Foreign Languages — 2012–2013 CATALOG

Maybe you plan to visit Europe sometime in your life. Maybe you plan on a career involving international communication. Maybe you just want to read the menus at fancy restaurants. Whatever the case, the ability to speak a foreign language gives you the opportunity to unlock doors outside of the world in which you were raised. In short, it gives you freedom. And, believe it or not, you may even come away with a more enlightened perspective on your own language. Our foreign language courses include Arabic, Chinese, French, German, Italian and Spanish. Check us out—vite, vite!
