

Basic Math Refresher For Adults

Thinking of going back to college or studying for a test? Do you have math anxiety? If you want to improve your math skills and feel better about it, then this class is for you! Become more competent in basic arithmetic operations, fractions, decimals, percents, problem solving and test taking skills, and be introduced to basic algebra and geometry. You can do all of this while you reduce anxiety and, dare we say, enjoy doing math.
