**2010-2011
 Test Preparation
 Workshops**

Schoolcraft College
 Continuing Education and
 Professional Development/
 Learning Assistance Center

Our test preparation workshops feature the most up-to-date materials and a highly effective approach to achieving higher scores, including:

- Diagnostic pre-testing and personal assessment
- Remedial review
- In-class problem-solving, concepts and strategies
- Practice test reinforcement
- Post-exam and final personal assessment

Each workshop begins with a diagnostic test, using actual retired exams. Not only will students have this first-hand test-taking experience, the test results will generate a personalized score report that shows areas of strengths and weaknesses. This personal score report will be provided to each student at the second class meeting, to help determine the study approach necessary for success.

Students in GRE, GMAT or LSAT Workshops receive:

- Diagnostic exam, using actual retired tests.
- Personal score report.
- Student textbook.
- CD-ROM with computer-adaptive practice tests that automatically adapt to the students' proficiency level as they progress through the tests.
- In-class problem solving, concepts and essential strategies for answering difficult questions.
- Review of each required testing point.
- Post-exam, using actual retired tests.
- Additional personal score report showing student's progress, sent to the student after completion of the workshop.

Some comments from our students:

"Good format and presentation. I especially liked the pre- and post-test analysis."

"The instructors were the most valuable aspect of this course. They both went above and beyond the call of duty. They were friendly, knowledgeable and accessible."

"Explanations in the book and by the instructors, plus learning new techniques that I wasn't aware of, were most helpful to me."

Please note: Student success is dependent upon class participation as well as ample study time outside of class.

It is the policy of Schoolcraft College that no person shall, on the basis of race, color, national origin, gender, age, marital status, creed or handicap, be excluded from participating in, be denied benefits of, or be subjected to discrimination during any program or activity or in employment.
