Returning Students

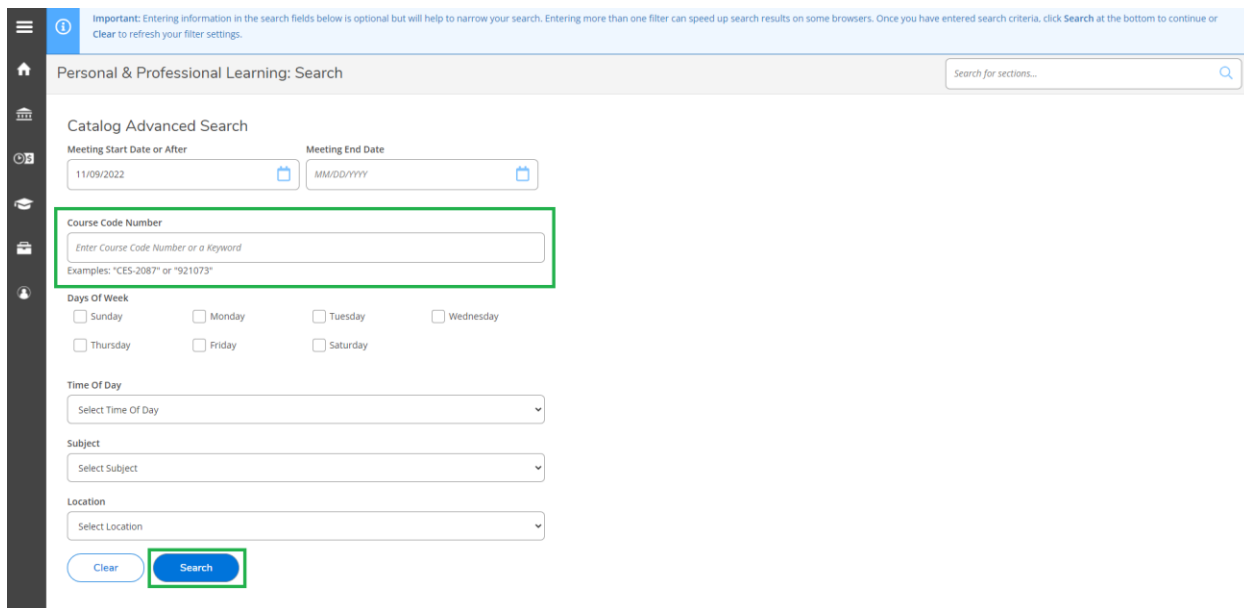

If you have taken classes before, use the links below to register quickly, drop classes, print your schedule, or view unofficial transcripts. Your User ID consists of the lower-case initial of your first name and your 7-digit Schoolcraft ID. Your original password was emailed to you after your first registration. If you have forgotten your password, use the "Forgot Your Password" link on the login page for help.

3B. If you logged in, you will click **Register and Pay**, located on the right.

4. Enter the CES **OR** 6-digit section number for your desired class in the **Course Code Number** box and click **Search**. No other information is needed. Entering the CES number will allow you to select from all the different days and times that class is offered. Entering the Section number will take you to the exact day and time you desire.

5. If the search does not work, **do not** use your browser's back button. Click on the **Back to Course Catalog** to return to the search page. When you find the class you want, click **Select** on the right hand side. This will open a window that will show you the course details. If everything looks correct, click the blue **Add Section** button on the bottom right of that window.
