

Dear Parents,

The Personal & Professional Learning Department of Schoolcraft College, with generous financial support by the Bosch Community Fund, the Rockall Fund and the PPL Community Outreach Fund is pleased to announce that scholarship funds are available for Kids on Campus Summer 2023.

For your application to be complete, please include:

- KOC Application Form
- KOC Registration and Emergency Form
- KOC Waiver

Applications will be reviewed on a rolling weekly basis until the funds are exhausted. Please select your three top camps. We will try to honor your first choice but may not be able to do so if a camp is full. The scholarship will cover the costs of one camp per person.

So that we can share the excitement that KOC brings to campers with our donors, recipients of a scholarship are required to share their experience in some way. Examples of ways a camper can share their experience include: taking a photo of a camp project and telling about their experience, a letter summarizing the camp they participated in and what they learned, an art piece, or a video from camp. Completed projects should be turned in on the last day of camp to the KOC Headquarters in the Biomedical Technology building, room 167 or to Before and After Care in the Liberal Arts Building, room LA440.

Families of awarded students will be contacted by e-mail within two weeks of receipt of the application.

Thank you for your interest in the Kids on Campus program.

Sincerely,

The Staff of the Personal & Professional Learning Department

Important Notes:

- Some camps fill quickly and cannot be overloaded. If your child is awarded a scholarship for a camp that is full you will be contacted via e-mail. Please be prepared with a first, second and third camp option.
- If your child has his/her heart on a camp that may fill, the only way to secure that spot is to pay for the class and get a refund if your child is awarded a scholarship.
