WINTER 2024 SCHEDULE
Register November 15 through April 21

Welcome to Winter!

This time of year is always a wonderful opportunity to reflect, set goals, and make plans for the future. Given the current uncertainties of the financial landscape, you may be thinking about how to prepare for retirement or how to best manage your savings. Why not enroll in one of our popular financial planning courses on page 23? You'll be glad you did!

Last year we introduced film screenings as a new enrichment program, and it was a huge success. Join us for the documentary screening of "Freshwater" as you explore the cold waters of Lake Superior along Minnesota's North Shore. Check out the details on page 19.

We have also expanded programming to include culinary & beverage classes in our new Collaborative Learning Studio, which features additional seating and state-of-the-art display screens for close-up views of the demonstrations. Among the new demonstration classes is "Gourmet Burgers and Schoolcraft Brews", featuring the College's award-winning craft beer.

Please check out our video demonstrating how to register for PPL classes www.schoolcraft.edu/ppl/how-to-register or call with any questions. We look forward to seeing you soon!
