

Personal & Professional Learning

PPL Student,

Personal & Professional Learning offers a variety of certificate programs. These programs are offered for personal enrichment and professional development. Students can take them at their leisure, or they can work toward a certificate.

To better serve our students, we like to keep track of their progress in our certificate programs. Students may change their intent at any time.

Are you intending to complete one of the following certificate programs?

Photography (Six core classes and four electives + a free portfolio review capstone class)

Digital Sculpting with AutoDesk Alias (Four core classes)

Dementia Care (Five core classes and two electives)

Event Planning (Four core classes)

What is motivating you to pursue a certificate?

Career advancement

New career

Starting a business

Personal enrichment
