Welcome to Kids on Campus Summer 2026!

Each summer we are thrilled to welcome children of all ages to Kids on Campus (KOC). The energy, excitement and enthusiasm that the kids bring can be felt around the entire campus.

Our goal each summer is for kids to have a fun, educational and safe experience at Schoolcraft. To help achieve that goal, please review our parent handbook.

The handbook has all your child's camp housekeeping information in one convenient location.

See the KOC Parent Handbook for answers to your frequently asked questions and for our program rules and guidelines. Visit schoolcraft.edu/koc to print a copy or call 734-462-4600 to have a copy mailed to you.

We are looking forward to Kids on Campus 2026. While here, if there is anything we can do to improve your family's camp experience, please contact the KOC Headquarters at 734-462-4600.
