Prior Learning Credit

Special Licensure or Certification

2024 Schoolcraft College 2025

Below is a list of Prior Learning Credit Special Licensure or Certification Options currently accepted at Schoolcraft College. Students should contact the Records office to have their credential assessed.

Business

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
Current Cosmetology License	Cosmetology, 30 credit block	Cosmetology Management AAS Degree
Current Michigan Realtor's License	RE 110 Real Estate Pre-Licensure	• Real Estate Property Management Skills Certificate • Real Estate Property Management Certificate • Real Estate Property Management AAS Degree

Criminal Justice & Public Safety

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
MCOLES-approved Police Academy Completion	CJ 287 Police Academy, 21 credits	• Criminal Justice AAS Degree • Criminal Justice AAS Degree with Academy
Fire Academy Completion	FIRE 127 Fire Academy, 21 credits	• Fire Fighter Technology Certificate • Fire Fighter Technology AAS Degree

Culinary, Brewing & Hospitality

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
ACF Certified Master Chef	Culinary Arts AAS *CUL* Coursework: CUL 102, 103, 130, 135, 136, 140, 145, 150, 210, 230, 245, 250, 246, 248	• Professional Culinary Arts Certificate • Professional Culinary Arts AAS Degree
ACF Certified Master Pastry Chef	Culinary Arts AAS *CUL* Coursework: CUL 102, 103, 130, 135, 136, 140, 145, 150, 210, 230, 245, 250, 246, 248	• Professional Culinary Arts Certificate • Professional Culinary Arts AAS Degree
ServSafe Certification	CUL 102 Culinary Sanitation, 2 cr	• Professional Culinary Arts Skills Certificate • Professional Culinary Arts Certificate • Professional Culinary Arts AAS Degree • Culinary Baking and Pastry Arts Certificate
Evaluation details: _____	CUL 303 Block Credit (see information below) Credits: _____	Culinary & Dietary Operations Management BS Degree

CUL 303 is the gateway course for the Culinary bachelor's degree. Student's skills/competencies will be assessed in that course to ensure preparedness to enter the Bachelor program. After passing CUL 303, the block credit will be posted to their transcript. Students receiving block credit because of completing the assessment in CUL 303 will have no additional charges. A worksheet can be found at the end of this document detailing the PLC evaluation for the Culinary and Dietary Operations Management BS.

Education, Human & Social Services

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
Current Child Development Associate Credential (CDA) – **Family Childcare**	ECE 100 Foundations of Early Childhood Education, 2 cr ECE 110 Child Development, 3 cr ECE 120 Creative Activities, 3 cr ECE 145 Infant and Toddler Education with Field Experience, 5 cr	• Education - Early Childhood Education: Child Development Associate (CDA) Skills Certificate • Education - Early Childhood Education Certificate • Education - Early Childhood Education AAS Degree
Current Child Development Associate Credential (CDA) - **Preschool**	ECE 100 Foundations of Early Childhood Education, 2 cr ECE 110 Child Development, 3 cr ECE 120 Creative Activities, 3 cr ECE 135 Preschool Education with Field Experience, 5 cr	• Education - Early Childhood Education: Child Development Associate (CDA) Skills Certificate • Education - Early Childhood Education Certificate • Education - Early Childhood Education AAS Degree
Current Child Development Associate Credential (CDA) - **Infant and Toddler**	ECE 100 Foundations of Early Childhood Education, 2 cr ECE 110 Child Development, 3 cr ECE 120 Creative Activities, 3 cr ECE 145 Infant and Toddler Education with Field Experience, 5 cr	• Education - Early Childhood Education: Child Development Associate (CDA) Skills Certificate • Education - Early Childhood Education Certificate • Education - Early Childhood Education AAS Degree
Current Child Development Associate Credential (CDA) – **Preschool AND** Current Child Development Associate Credential (CDA) - **Infant and Toddler**	ECE 100 Foundations of Early Childhood Education, 2 cr ECE 110 Child Development, 3 cr ECE 120 Creative Activities, 3 cr ECE 135 Preschool Education with Field Experience, 5 cr ECE 145 Infant and Toddler Education with Field Experience, 5 cr	• Education - Early Childhood Education: Child Development Associate (CDA) Skills Certificate • Education - Early Childhood Education Certificate • Education - Early Childhood Education AAS Degree

Health Professions

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
Current Registered Diagnostic Medial Sonographer RDMS through the American Registry in Diagnostic Medical Sonography (ARDMS)	All DMS courses, 39 credits HIT 100, 2 cr Mathematics, 4 cr	Medical Imaging: Diagnostic Medical Sonography AAS Degree
Valid Michigan EMT License in good standing. May be used to meet the EMT prerequisite of the Paramedic application.	EMT 115 Emergency Medical Technology - Basic, 10 cr	• Emergency Medical Technology: EMT Skills Certificate • Emergency Medical Technology: Paramedic Certificate • Emergency Medical Technology: Paramedic AAS Degree

Valid Michigan Paramedic License in good standing. Prior learning credit is offered only for the purpose of degree completion and does not represent completion of the core Paramedic course work of the degree issuing program. Prior learning credit will not be offered for the purpose of advanced placement in the Paramedic program, nor will the Prior learning credit be used to achieve qualification to challenge the National Registry of Emergency Medical Technicians exam, or state of Michigan assessments.	EMT 210 Paramedic Technology - Module 1, 10 cr EMT 220 Paramedic Technology - Module 2, 10.5 cr EMT 230 Paramedic Technology - Module 3, 9 cr	• Emergency Medical Technology: Paramedic Certificate • Emergency Medical Technology: Paramedic AAS Degree
Healthcare Administration Specialist from Medical Education and Training Campus (METC). Joint Service Transcript Program Number: 340-68G10 Patient Administration Specialist L5ABJ4A031 01AA Health Services Management Apprentice	BIOL 236 Human Anatomy and Physiology, 5cr HIT 104 Medical Terminology, 4 cr CIS 120 Software Applications, 3 cr HIT 120 Foundations of Health Information Management Technology, 3 cr HIT 232 Computer Applications in Healthcare, 2 cr HIT 262 Professional Practice Experience, 2 cr	Health Information Technology AAS Degree
LPN License	NURS up to 25.5 credits	Nursing: Licensed Practical Nurse to Registered Nurse Options (LPN to RN)
CP POI Health Care Specialist - Combat Medic Support program	NURS up to 25.5 credits + BIOL 236	Nursing: Licensed Practical Nurse to Registered Nurse Options (LPN to RN)
Pharmacy Technician Certification Board (PTCB) or Exam for the Certification of Pharmacy Technicians (ExCPT). **Community** Credential.	HIT 104 Medical Terminology, 4 cr PHT 102 Pharmacy Practice and Healthcare, 4 cr PHT 104 Pharmacology for Pharmacy Technicians, 3cr PHT 114 Community Pharmacy Simulation Lab, 5 cr PHT 117 Community Pharmacy Practicals, 4 cr	• Pharmacy Technician Skills Certificate • Pharmacy Technician Certificate • Pharmacy: Health Professionals • Management AAS for Pharmacy Technicians
Pharmacy Technician Certification Board (PTCB) or Exam for the Certification of Pharmacy Technicians (ExCPT). **Hospital** Credential.	HIT 104 Medical Terminology, 4 cr PHT 102 Pharmacy Practice and Healthcare, 4 cr PHT 104 Pharmacology for Pharmacy Technicians, 3cr PHT 124 Hospital Pharmacy Simulation Lab, 5 cr PHT 127 Hospital Pharmacy Practicals, 4 cr	• Pharmacy Technician Skills Certificate • Pharmacy Technician Certificate • Pharmacy: Health Professionals • Management AAS for Pharmacy Technicians

Pharmacy Technician Certification Board (PTCB) or Exam for the Certification of Pharmacy Technicians (ExCPT). **Community AND Hospital** Credential.	HIT 104 Medical Terminology, 4 cr PHT 102 Pharmacy Practice and Healthcare, 4 cr PHT 104 Pharmacology for Pharmacy Technicians, 3cr PHT 114 Community Pharmacy Simulation Lab, 5 cr PHT 117 Community Pharmacy Practicals, 4 cr PHT 124 Hospital Pharmacy Simulation Lab, 5 cr PHT 127 Hospital Pharmacy Practicals, 4 cr	• Pharmacy Technician Skills Certificate • Pharmacy Technician Certificate • Pharmacy: Health Professionals • Management AAS for Pharmacy Technicians
Current Registered Radiologic Technologist R.T.(R) through the American Registry of Radiologic Technologists (A.R.R.T.)	All RAD courses, 39 credits HIT 100, 2 cr Mathematics, 4 cr	Medical Imaging: Radiologic Technology AAS Degree
Current Certified Registered Central Service Technician (CRCST) credential through the Healthcare Sterile Processing Association (HSPA)	SURG 101 Sterile Processing, 3cr	• Surgical Services: Sterile Processing Skills Certificate • Surgical Services: Surgical Technology AAS
External Certifications plus Written Exam in testing center	PE 121 First Aid and Personal Safety, 2 cr	• Physical Education: Movement Science Certificate • Physical Education Movement Science AAS Degree
PE 121 assessment will include both licensure verification (CPR) and an exam at the testing center. Therefore, students will be charged the non-refundable tuition per credit hour prior to taking the exam.		

Manufacturing & Engineering Technology

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
ASME GDTP Y14.5 professional certification	CAD 130 Geometric Dimensioning and Tolerance, 3 cr	• Computer Aided Design: Mechanical Design Skills Certificate • Computer Aided Design: Mechanical Design Certificate • Computer Aided Design: Mechanical Design AAS Degree • Engineering Technology Certificate • Engineering Technology AAS Degree • Mechatronics Technology AAS Degree • Metallurgy and Materials Science AAS Degree • Advanced Manufacturing Certificate • Advanced Manufacturing AAS Degree
PMMI Level 1: Industrial Electricity 1	ELECT 137 DC Circuits and Mathematical Modeling, 5 cr ELECT 138 AC Circuits and Mathematical Modeling, 5 cr OSH 111 Occupational Safety and Health for General Industry, 2 cr	

PMMI Level 2: Industrial Electricity 2	ELECT 139 Diodes and Transistors, 3 cr	• Biomedical Engineering Technologist AAS Degree • Electronic Technology Skills Certificate • Electronic Technology Certificate • Electronic Technology AAS Degree
PMMI Level 1: Fluid Power	ELECT 145 Fluid Power, 4 cr	• Electronic Technology AAS Degree • Mechatronics Technology AAS Degree
PMMI Level 1: Mechanical Components 1. PMMI Level 2: Motors and Motor Controls	ELECT 218 AC/DC Motors, 3 cr	• Biomedical Engineering Technologist AAS Degree • Electronic Technology AAS Degree • Mechatronics Technology AAS Degree
PMMI Level 1: Programmable Logic Controllers (PLC)	ELECT 251 Programmable Logic and Industrial Controls, 4 cr	• Electronic Technology AAS Degree • Mechatronics Technology AAS Degree
Siemens Level 1	ELECT 131 Basic Measurement and Reporting Skills, 3 cr ELECT 137 DC Circuits and Mathematical Modeling, 5 cr ELECT 138 AC Circuits and Mathematical Modeling, 5 cr ELECT 145 Fluid Power, 4 cr ELECT 251 Programmable Logic and Industrial Controls, 4 cr	Electronic Technology AAS Degree
SACA Certified Industry 4.0 Associate Basic Operations	MECH 101	• Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree
SACA Certified Industry 4.0 Associate Advanced Operations	MECH 111	• Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree
SACA Certified Industry 4.0 Associate IIoT, Networking & Data Analytics	MECH 131	• Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree
NIMS Measurement, Materials and Safety. NIMS CNC Turning: Operations. NIMS CNC Milling: Operations	MFG 102 Basic Machining Processes, 3 cr	• Computer Aided Design: Mechanical Design Skills Certificate • Computer Aided Design: Mechanical Design Certificate • Computer Aided Design: Mechanical Design AAS Degree • Engineering Technology Skills Certificate • Engineering Technology Certificate • Engineering Technology AAS Degree • Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree • Metallurgy: Applied Physical Certificate • Metallurgy and Materials Science AAS Degree • Advanced Manufacturing Skills Certificate • Advanced Manufacturing Certificate • Advanced Manufacturing AAS Degree • Welding: Fabrication Technology AAS Degree

NIMS CNC Milling: Programming. NIMS CNC Milling: Set Up and Operation	MFG 103 Basic Computer Numerical Control (CNC), 3 cr	• Metallurgy and Materials Science AAS Degree • Advanced Manufacturing Skills Certificate • Advanced Manufacturing Certificate • Advanced Manufacturing AAS Degree
NIMS CNC Turning: Programming. NIMS CNC Turning: Set Up and Operation	MFG 203 Advanced Computer Numerical Control (CNC), 3 cr	• Advanced Manufacturing Certificate • Advanced Manufacturing AAS Degree
OSHA 30-hour card in General Industry	OSH 111 Occupational Safety and Health for General Industry, 2 cr	• Engineering Technology Skills Certificate • Engineering Technology Certificate • Engineering Technology AAS Degree • Metallurgy: Applied Physical Certificate • Metallurgy and Materials Science AAS Degree • Advanced Manufacturing AAS Degree • Supply Chain Management AAS Degree • Welding: Pre-Apprenticeship Certificate • Welding: Fabrication Technology AAS Degree
OSHA 30-hour card in Construction	OSH 112 Occupational Safety and Health for Construction, 2 cr	• Engineering Technology Skills Certificate • Engineering Technology Certificate • Engineering Technology AAS Degree • Real Estate Property Management AAS Degree • Welding: Pre-Apprenticeship Certificate • Welding: Fabrication Technology AAS Degree
FANUC Handling Tool Operations and Programming certification OR SACA Certified Industry 4.0 Associate Robot System Operations	ROBAT 101	• Electronic Technology AAS Degree • Engineering Technology Skills Certificate • Engineering Technology Certificate • Engineering Technology AAS Degree • Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree • Advanced Manufacturing AAS Degree
Advanced S.M.A.W. certification	WELD 113 Shielded Metal Arc Welding (S.M.A.W.), 3 cr	• Engineering Technology AAS Degree • Welding: Fabrication Certificate • Welding: Pre-Apprenticeship Certificate • Welding: Fabrication Technology AAS Degree
Advanced G.T.A.W./T.I.G. certification	WELD 119 Gas Tungsten Inert Arc Welding (G.T.A.W./T.I.G.)	• Engineering Technology AAS Degree • Advanced Manufacturing AAS Degree • Welding: Fabrication Certificate • Welding: Fabrication Technology AAS Degree
AWS - Sense Level 1 (completion of modules 1 and 3-6)	WELD 113 Shielded Metal Arc Welding (S.M.A.W.), 3 cr WELD 119 Gas Tungsten Inert Arc Welding (G.T.A.W./T.I.G.) WELD 205 Welder's Print Reading, 2 cr	• Welding: Fabrication Certificate • Welding: Fabrication Technology AAS Degree

Science, Technology, Engineering & Mathematics (STEM)

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
Current CompTIA Network+ certification	CIS 171 Introduction to Networking, 3cr	• Biomedical Applications Post - Associate Certificate • Biomedical Engineering Technologist AAS Degree • Computer Information Systems: Information Technology Foundation Skills Certificate • Computer Information Systems: Application Developer Skills Certificate • Computer Information Systems: Programming Certificate • Computer Information Systems: Programming AAS Degree • Computer Information Systems: Computer Systems Support Certificate • Computer Information Systems: Computer Systems Support AAS Degree • Business Information Technology Certificate • Business Information Technology AAS Degree • Electronic Technology AAS Degree • Supply Chain Management AAS Degree
Current CompTIA Security+ certification	CIS 172 Network Security Fundamentals, 3 cr	• Biomedical Applications Post - Associate Certificate • Biomedical Engineering Technologist AAS Degree • Computer Information Systems: Information Technology Foundation Skills Certificate • Computer Information Systems: Networking Specialist Certificate • Computer Information Systems: Networking Specialist AAS Degree • Computer Information Systems: Computer Systems Support Certificate • Computer Information Systems: Computer Systems Support AAS Degree • Computer Information Systems: Cybersecurity Certificate • Computer Information Systems: Cybersecurity AAS Degree • Computer Information Systems: Post-Associate Certificate • Computer Information Systems: Cisco and Network Technology Skills Certificate
Current CompTIA A+ certification	CNT 130 Computer Hardware and Troubleshooting, 3 cr CNT 133 Computer Software and Troubleshooting, 3 cr	• Business Information Technology Certificate • Business Information Technology AAS Degree • Computer Information Systems: Computer Systems Support Certificate • Computer Information Systems: Computer Systems Support Certificate

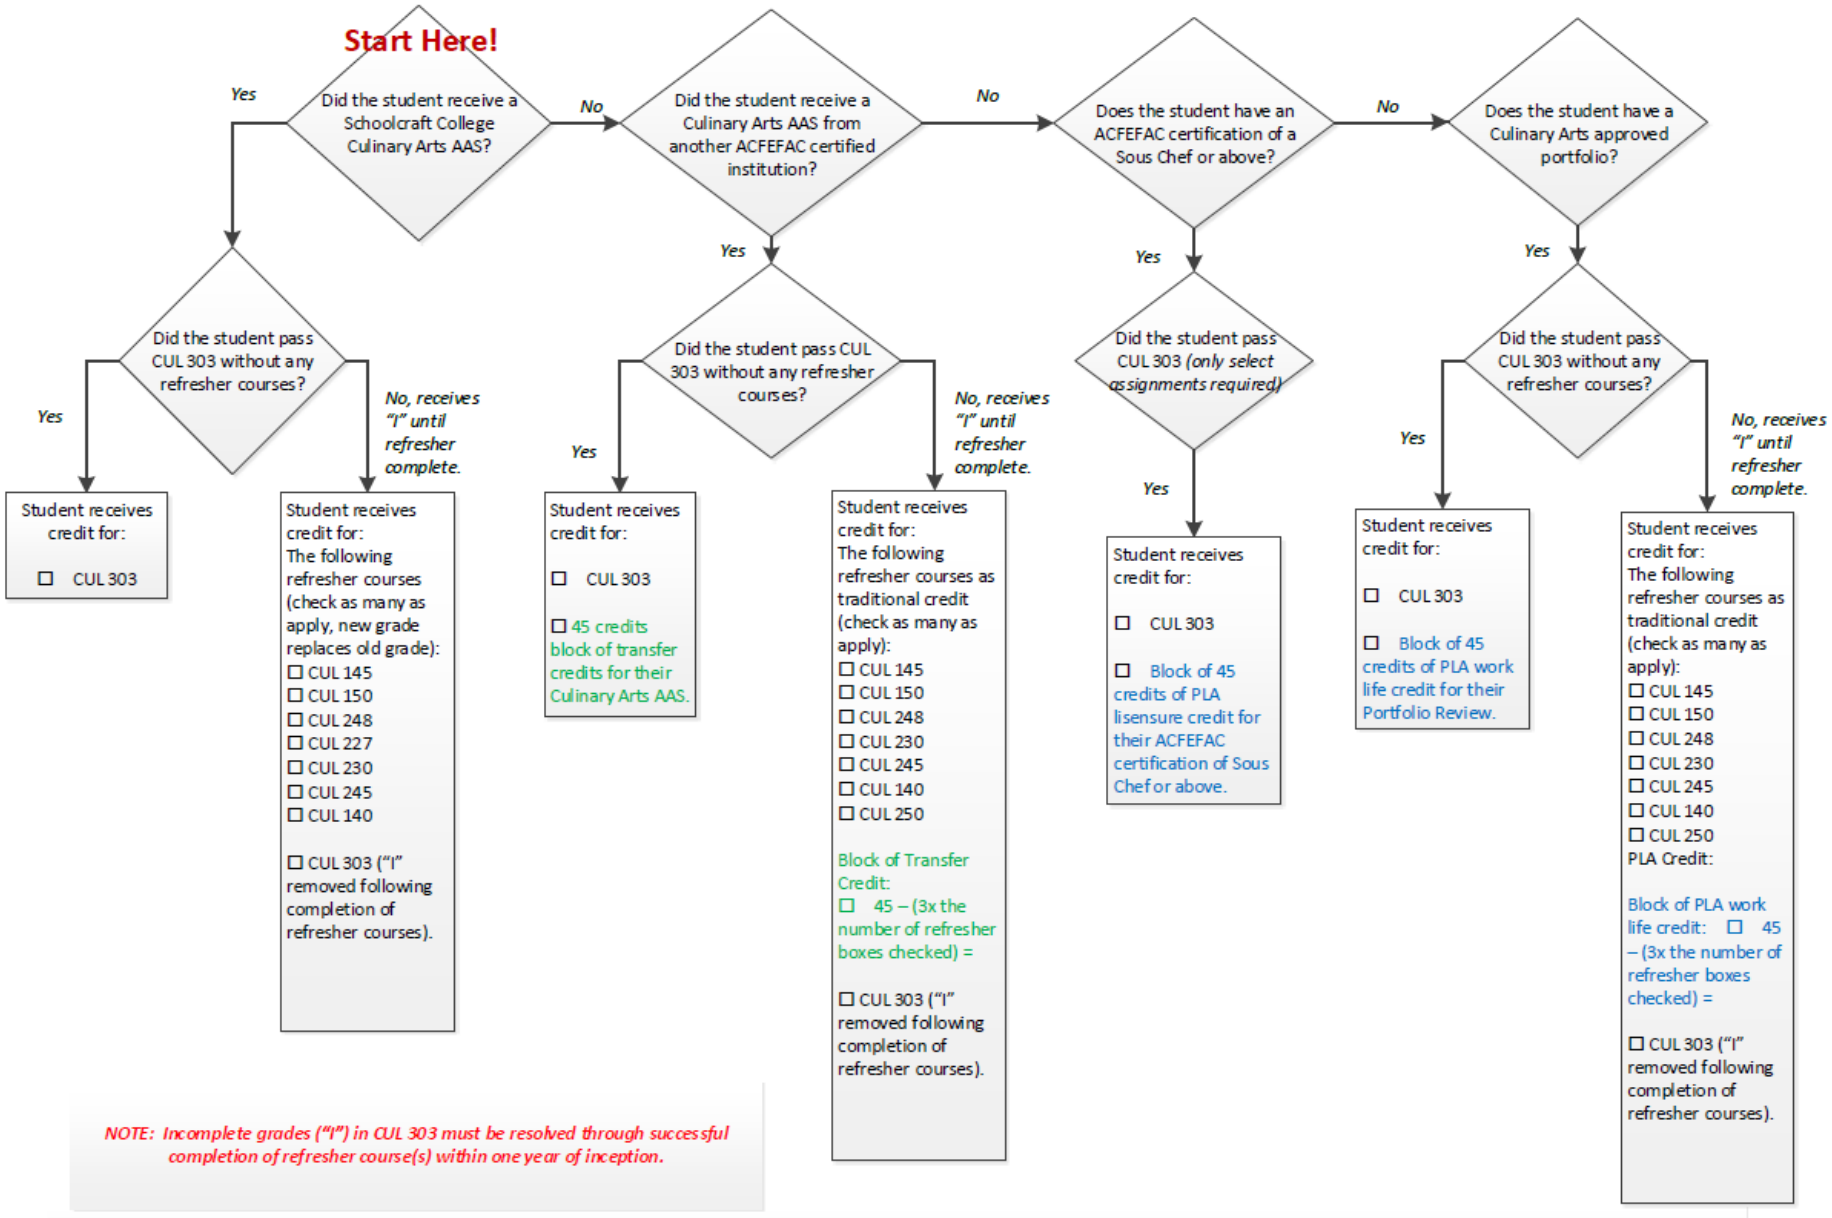
Current CompTIA Cloud+ certification	CNT 176 Cloud Network Technologies, 3 cr	• Computer Information Systems: Networking Specialist Certificate • Computer Information Systems: Networking Specialist AAS Degree • Computer Information Systems: Cybersecurity AAS Degree • Computer Information Systems: Post-Associate Certificate • Computer Information Systems: Cisco and Network Technology Skills Certificate
Current Cisco Certified Network Associate (CCNA) certification	CNT 210 CCNA Networking 1, 4 cr CNT 220 CCNA Networking 2, 4 cr CNT 230 CCNA Networking 3, 4 cr	• Computer Information Systems: Networking Specialist Certificate • Computer Information Systems: Networking Specialist AAS Degree • Computer Information Systems: Cisco and Network Technology Skills Certificate
Current Cisco Certified Network Associate (CCNA) Cyber Ops certification OR Current Cisco Certified CyberOps Associate certification	CNT 244 Cybersecurity Operations, 3 cr	• Computer Information Systems: Cybersecurity AAS Degree • Computer Information Systems: Cisco and Network Technology Skills Certificate

Those seeking prior learning credit need to be mindful of our policy limitations:

- For certificates, at least half of the credit hours applied to the certificate must be earned at Schoolcraft College.
- For associate degrees, the College will accept a maximum of 45 hours of transfer or equivalency/prior learning credit. Students must complete a minimum of 15 credit hours at Schoolcraft College in their program of study to receive the associate degree.
- For bachelor's degrees the College will accept a maximum of 90 hours of transfer or equivalency/prior learning credit. Students must complete a minimum of 30 credit hours at Schoolcraft College in their program of study to receive the bachelor's degree.

Evaluation of Credits to Confer Following Successful Completion of CUL 303

Culinary Faculty utilize this document to gather information for the PLA form.
Note: Program Supportive and General Education Credits conferred in the traditional manner and are not related to this form.



NOTE: Incomplete grades ("I") in CUL 303 must be resolved through successful completion of refresher course(s) within one year of inception.

*Student Name:*_____ *Culinary Arts Faculty Signature:* _____
