

Prior Learning Credit

Special Licensure or Certification

2026  Schoolcraft College 2027

Below is a list of Prior Learning Credit Special Licensure or Certification Options currently accepted at Schoolcraft College. Students should contact the Records office to have their credential assessed.

Those seeking prior learning credit need to be mindful of our policy limitations:

- For certificates, at least half of the credit hours applied to the certificate must be earned at Schoolcraft College.
- For associate degrees, the College will accept a maximum of 45 hours of transfer or equivalency/prior learning credit. Students must complete a minimum of 15 credit hours at Schoolcraft College in their program of study to receive the associate degree.
- For bachelor's degrees, the College will accept a maximum of 90 hours of transfer or equivalency/prior learning credit. Students must complete a minimum of 30 credit hours at Schoolcraft College in their program of study to receive the bachelor's degree.

Art, Music, Media & Communications

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
AVID Pro Tools certification	SRT 122	• Sound Recording Technology Certificate • Sound Recording Technology AAS

Business

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
Current Cosmetology License	Cosmetology, 30 credit block	Cosmetology Management AAS Degree
Current Michigan Realtor's License	RE 110 Real Estate Pre-Licensure	• Real Estate Property Management Skills Certificate • Real Estate Property Management Certificate • Real Estate Property Management AAS Degree

Criminal Justice & Public Safety

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
MCOLES Licensing Exam	CJ 287 Police Academy, 21 credits	• Criminal Justice AAS Degree with Academy
Fire Fighter 1 Completion + Haz Mat Ops Certification	FIRE 113 Fire Fighter 1, 14 credits	• Fire Fighter Technology Certificate • Fire Fighter Technology AAS Degree
Fire Academy Completion	FIRE 127 Fire Academy, 24 credits	• Fire Fighter Technology Certificate • Fire Fighter Technology AAS Degree

Culinary, Brewing & Hospitality

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
ACF Certified Master Chef	Culinary Arts AAS <i>CUL</i> Coursework: CUL 102, 103, 130, 135, 136, 140, 145, 150, 210, 230, 245, 250, 246, 248	- Professional Culinary Arts Certificate - Professional Culinary Arts AAS Degree
ACF Certified Master Pastry Chef	Culinary Arts AAS <i>CUL</i> Coursework: CUL 102, 103, 130, 135, 136, 140, 145, 150, 210, 230, 245, 250, 246, 248	- Professional Culinary Arts Certificate - Professional Culinary Arts AAS Degree
ServSafe Manager Certification	CUL 102 Culinary Sanitation, 2 cr	- Professional Culinary Arts Skills Certificate - Professional Culinary Arts Certificate - Professional Culinary Arts AAS Degree - Culinary Baking and Pastry Arts Certificate
Evaluation details: _____	CUL 303 Block Credit (see information below) Credits: _____	Culinary & Dietary Operations Management BS Degree

CUL 303 is the gateway course for the Culinary bachelor's degree. Students' skills/competencies will be assessed in that course to ensure preparedness for entry into the Bachelor program. After passing CUL 303, the block credit will be posted to their transcript. Students receiving block credit for completing the assessment in CUL 303 will incur no additional charges. A worksheet is available at the end of this document detailing the PLC evaluation for the Culinary and Dietary Operations Management BS.

Education, Human & Social Services

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
Current Child Development Associate Credential (CDA) – Family Childcare	ECE 100 Foundations of Early Childhood Education, 2 cr ECE 110 Child Development, 3 cr ECE 120 Creative Activities, 3 cr ECE 145 Infant and Toddler Education with Field Experience, 5 cr ECE 240 Administration of early Childhood Programs, 3 cr	- Education - Early Childhood Education Certificate - Education - Early Childhood Education AAS Degree
Current Child Development Associate Credential (CDA) - Preschool	ECE 100 Foundations of Early Childhood Education, 2 cr ECE 110 Child Development, 3 cr ECE 120 Creative Activities, 3 cr ECE 135 Preschool Education with Field Experience, 5 cr ECE 240 Administration of early Childhood Programs, 3 cr	- Education - Early Childhood Education Certificate - Education - Early Childhood Education AAS Degree
Current Child Development Associate Credential (CDA) - Infant and Toddler	ECE 100 Foundations of Early Childhood Education, 2 cr ECE 110 Child Development, 3 cr ECE 120 Creative Activities, 3 cr ECE 145 Infant and Toddler Education with Field Experience, 5 cr ECE 240 Administration of early Childhood Programs, 3 cr	- Education - Early Childhood Education Certificate - Education - Early Childhood Education AAS Degree

Current Child Development Associate Credential (CDA) – Birth to Five	ECE 100 Foundations of Early Childhood Education, 2 cr ECE 110 Child Development, 3 cr ECE 120 Creative Activities, 3 cr ECE 135 Preschool Education with Field Experience, 5 cr ECE 145 Infant and Toddler Education with Field Experience, 5 cr ECE 240 Administration of early Childhood Programs, 3 cr	• Education - Early Childhood Education Certificate • Education - Early Childhood Education AAS Degree

Health Professions

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
Current Registered Diagnostic Medical Sonographer RDMS through the American Registry in Diagnostic Medical Sonography (ARDMS)	All DMS courses, 39 credits HIT 100, 2 cr Mathematics, 4 cr	Medical Imaging: Diagnostic Medical Sonography AAS Degree
Valid State of Michigan EMT, EMT-Specialist, or Paramedic License. May be used to complete the EMT-115 prerequisite for the Paramedic Program Application.	EMT 115 Emergency Medical Technology - Basic, 10 cr	• Emergency Medical Technology: EMT Skills Certificate • Emergency Medical Technology: Paramedic AAS Degree
Healthcare Administration Specialist from Medical Education and Training Campus (METC). Joint Service Transcript Program Number: 340-68G10 Patient Administration Specialist L5ABJ4A031 01AA Health Services Management Apprentice	BIOL 236 Human Anatomy and Physiology, 5cr HIT 104 Medical Terminology, 4 cr CIS 120 Software Applications, 3 cr HIT 120 Foundations of Health Information Management Technology, 3 cr HIT 232 Computer Applications in Healthcare, 2 cr HIT 262 Professional Practice Experience, 2 cr	Health Information Technology AAS Degree
LPN License	NURS up to 25.5 credits	Nursing: Licensed Practical Nurse to Registered Nurse Options (LPN to RN)
CP POI Health Care Specialist - Combat Medic Support program	NURS up to 25.5 credits + BIOL 236	Nursing: Licensed Practical Nurse to Registered Nurse Options (LPN to RN)
Certified Pharmacy Technician (CPht) through the Pharmacy Technician Certification Board	PHT 102 Pharmacy Practice and Healthcare, 4 cr PHT 104 Pharmacology for Pharmacy Technicians, 3cr	• Pharmacy Technician Skills Certificate • Pharmacy Technician Certificate • Health Professionals Management AAS for Pharmacy Technicians
Current Registered Radiologic Technologist R.T.(R) through the American Registry of Radiologic Technologists (A.R.R.T.)	All RAD courses, 39 credits HIT 100, 2 cr Mathematics, 4 cr	Medical Imaging: Radiologic Technology AAS Degree
Current Certified Registered Central Service Technician (CRCST) credential	SURG 101 Sterile Processing, 3cr	• Surgical Services: Surgical Technology AAS

through the Healthcare Sterile Processing Association (HSPA)		
Current Certified Surgical Technologist (CST) through the National Board of Surgical Technology and Surgical Assisting (NBSTSA)	All SURG classes, 31.5 cr BIOL 243 Microbiology, 4 cr BIOL 237 Principles of Human Anatomy and Physiology 1, 4 cr BIOL 238 Principles of Human Anatomy and Physiology 2, 4cr	Surgical Services: Surgical Technology AAS Degree
Phlebotomy Technician Certificate (PTC) through the American Society of Phlebotomy Technicians (ASPT) OR Registered Phlebotomy Technician (RPT) through American Medical Technologists (AMT) OR Phlebotomy Technician (PBT) through the American Society for Clinical Pathology (ASCP) OR Certified Phlebotomy Technician (CPT) through the National Healthcareer Association (NHA) OR Certified Phlebotomy Technician (CPT) through the National Healthcare Certification Organization (NHCO) OR National Certified Phlebotomy Technician (NCPT) through the National Center for Competency Testing (NCPT) OR Certified Phlebotomy Technologist (CPT) through the National Phlebotomy Association (NPA) OR Certified Phlebotomy Technician, CPT (AAH) through American Allied Health	MA 115 Phlebotomy, 3 cr	- Medical Assisting: Phlebotomy Skills Certificate - Associate of General Studies using Phlebotomy Skills Certificate - Medical Assisting Certificate - Associate of General Studies using Medical Assisting Certificate
External Certifications plus Written Exam in testing center	PE 121 First Aid and Personal Safety, 2 cr	- Physical Education: Movement Science Certificate - Physical Education Movement Science AAS Degree

PE 121 assessment will include both licensure verification (CPR) and an exam at the testing center. Therefore, students will be charged the non-refundable tuition per credit hour prior to taking the exam.

Manufacturing & Engineering Technology

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
-------------------------	--------------------	--------------------------------

ASME GDTP Y14.5 professional certification	CAD 130 Geometric Dimensioning and Tolerance, 3 cr	• Computer Aided Design: Mechanical Design Skills Certificate • Computer Aided Design: Mechanical Design Certificate • Computer Aided Design: Mechanical Design AAS Degree • Engineering Technology Certificate • Engineering Technology AAS Degree • Mechatronics Technology AAS Degree • Metallurgy and Materials Science AAS Degree • Advanced Manufacturing Certificate • Advanced Manufacturing AAS Degree
PMMI Level 1: Industrial Electricity 1	ELECT 137 DC Circuits and Mathematical Modeling, 5 cr ELECT 138 AC Circuits and Mathematical Modeling, 5 cr OSH 111 Occupational Safety and Health for General Industry, 2 cr	No programs contain all three courses.
PMMI Level 2: Industrial Electricity 2	ELECT 139 Diodes and Transistors, 3 cr	• Biomedical Engineering Technologist AAS Degree • Electronic Technology Skills Certificate • Electronic Technology Certificate • Electronic Technology AAS Degree
PMMI Level 1: Fluid Power	ELECT 145 Fluid Power, 4 cr	• Electronic Technology AAS Degree • Mechatronics Technology AAS Degree
PMMI Level 1: Mechanical Components 1. PMMI Level 2: Motors and Motor Controls	ELECT 218 AC/DC Motors, 3 cr	• Biomedical Engineering Technologist AAS Degree • Electronic Technology AAS Degree • Mechatronics Technology AAS Degree
PMMI Level 1: Programmable Logic Controllers (PLC)	ELECT 251 Programmable Logic and Industrial Controls, 4 cr	• Electronic Technology AAS Degree • Mechatronics Technology AAS Degree
Siemens Level 1	ELECT 131 Basic Measurement and Reporting Skills, 3 cr ELECT 137 DC Circuits and Mathematical Modeling, 5 cr ELECT 138 AC Circuits and Mathematical Modeling, 5 cr ELECT 145 Fluid Power, 4 cr ELECT 251 Programmable Logic and Industrial Controls, 4 cr	Electronic Technology AAS Degree
SACA Certified Industry 4.0 Associate Basic Operations	MECH 101	• Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree
SACA Certified Industry 4.0 Associate Advanced Operations	MECH 111	• Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree
SACA Certified Industry 4.0 Associate IIoT, Networking & Data Analytics	MECH 131	• Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree

NIMS Measurement, Materials and Safety. NIMS CNC Turning: Operations. NIMS CNC Milling: Operations	MFG 102 Basic Machining Processes, 3 cr	• Computer Aided Design: Mechanical Design Skills Certificate • Computer Aided Design: Mechanical Design Certificate • Computer Aided Design: Mechanical Design AAS Degree • Engineering Technology Skills Certificate • Engineering Technology Certificate • Engineering Technology AAS Degree • Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree • Metallurgy: Applied Physical Certificate • Metallurgy and Materials Science AAS Degree • Advanced Manufacturing Skills Certificate • Advanced Manufacturing Certificate • Advanced Manufacturing AAS Degree • Welding: Fabrication Technology AAS Degree
NIMS CNC Milling: Programming. NIMS CNC Milling: Set Up and Operation	MFG 103 Basic Computer Numerical Control (CNC), 3 cr	• Metallurgy and Materials Science AAS Degree • Advanced Manufacturing Skills Certificate • Advanced Manufacturing Certificate • Advanced Manufacturing AAS Degree
NIMS CNC Turning: Programming. NIMS CNC Turning: Set Up and Operation	MFG 203 Advanced Computer Numerical Control (CNC), 3 cr	• Advanced Manufacturing Certificate • Advanced Manufacturing AAS Degree
OSHA 30-hour card	OSH 111 Occupational Safety and Health for General Industry, 2 cr	• Engineering Technology Skills Certificate • Engineering Technology Certificate • Engineering Technology AAS Degree • Metallurgy: Applied Physical Certificate • Metallurgy and Materials Science AAS Degree • Advanced Manufacturing AAS Degree • Supply Chain Management AAS Degree • Welding: Pre-Apprenticeship Certificate • Welding: Fabrication Technology AAS Degree
OSHA 30-hour card in Construction	OSH 112 Occupational Safety and Health for Construction, 2 cr	• Engineering Technology Skills Certificate • Engineering Technology Certificate • Engineering Technology AAS Degree • Real Estate Property Management AAS Degree • Welding: Pre-Apprenticeship Certificate • Welding: Fabrication Technology AAS Degree
FANUC Handling Tool Operations and Programming certification OR SACA Certified Industry 4.0 Associate Robot System Operations	ROBAT 101, 3 cr	• Electronic Technology AAS Degree • Engineering Technology Skills Certificate • Engineering Technology Certificate • Engineering Technology AAS Degree • Mechatronics Technology Skills Certificate • Mechatronics Technology Certificate • Mechatronics Technology AAS Degree • Advanced Manufacturing AAS Degree
Department of Labor Apprenticeship Certificate	All Electives, 16 cr ENGR 100 Introduction to Engineering and Technology, 3 cr	• Engineering Technology AAS Degree

	OSH 111 Occupational Safety and Health for General Industry, 2 cr OR Osh 112 Occupational Safety and Health for Construction, 2 cr	
Certified Welder Program – Shielded Metal Arc Welding (SMAW): certification to D1.1 SMAW 3g and 4g	WELD 113 Shielded Metal Arc Welding (S.M.A.W.), 3 cr	•Engineering Technology AAS Degree •Welding: Fabrication Certificate •Welding: Pre-Apprenticeship Certificate •Welding: Fabrication Technology AAS Degree
Certified Welder Program – Gas Tungsten Arc Welding (GTAW): certification will state GTAW aluminum, stainless, and carbon steel	WELD 119 Gas Tungsten Inert Arc Welding (G.T.A.W./T.I.G.), 3 cr	•Engineering Technology AAS Degree •Advanced Manufacturing AAS Degree •Welding: Fabrication Certificate •Welding: Fabrication Technology AAS Degree

Science, Technology, Engineering & Mathematics (STEM)

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)
Current CompTIA Network+ certification	CIS 171 Introduction to Networking, 3cr	•Biomedical Engineering Technologist AAS Degree •Computer Information Systems: Information Technology Foundation Skills Certificate •Computer Information Systems: Application Developer Skills Certificate •Computer Information Systems: Programming Certificate •Computer Information Systems: Programming AAS Degree •Computer Information Systems: Computer Systems Support Certificate •Computer Information Systems: Computer Systems Support AAS Degree •Business Information Technology Certificate •Business Information Technology AAS Degree •Electronic Technology AAS Degree •Supply Chain Management AAS Degree

Associate of General Studies - Credit for Apprenticeships evaluated by MI-CCAP

Licensure/Certification	Course and Credits	Schoolcraft College Program(s)/Degrees
APPRENTICESHIP: International Brotherhood of Electrical Workers - Electrical Training Alliance – 2nd Year Lineman Bundle APPRENTICESHIP: International Brotherhood of Electrical Workers - Electrical Training Alliance – 3rd Year Lineman Bundle	20 credits for General Credits. 29 credits for General Credits	Associate of General Studies
APPRENTICESHIP: International Brotherhood of Electrical Workers - Electrical Training Alliance – 1 st Year Lineman Bundle	2 credits for OSH 112 6 credits for General Credits	Associate of General Studies Welding: Pre-Apprenticeship Certificate Welding: Fabrication Technology AAS Degree Engineering Technology Skills Certificate Engineering Technology Certificate Engineering Technology AAS Degree
APPRENTICESHIP: International Union of Painters and Allied Trades (IUPAT) - International Finishing Trades Institute Coatings Application Specialist	3 credits for COMA-000, Communications General Credit 3 credits for BUS-000, Business General Credit 3 credits for BUS-MGMT, Business Management General Credit 36 credits for General Credit	Associate of General Studies
APPRENTICESHIP: International Union of Painters and Allied Trades (IUPAT) - International Finishing Trades Institute Drywall Finisher	3 credits for COMA-000, Communications General Credit 3 credits for BUS-000, Business General Credit 3 credits for BUS-MGMT, Business Management General Credit 3 credits for CIS-000, Computer Information Systems General Credit 33 credits for General Credit	Associate of General Studies
APPRENTICESHIP: International Union of Painters and Allied Trades (IUPAT) - International Finishing Trades Institute Glazier	3 credits for BUS-000, Business General Credit 2 credits for PE-000, CPR/First Aid General Credit 40 credits for General Credit	Associate of General Studies
APPRENTICESHIP: International Union of Painters and Allied Trades (IUPAT) - International Finishing Trades Institute Painter-Director Apprenticeship	3 credits for BUS-000, Business General Credit 42 credits for General Credit	Associate of General Studies

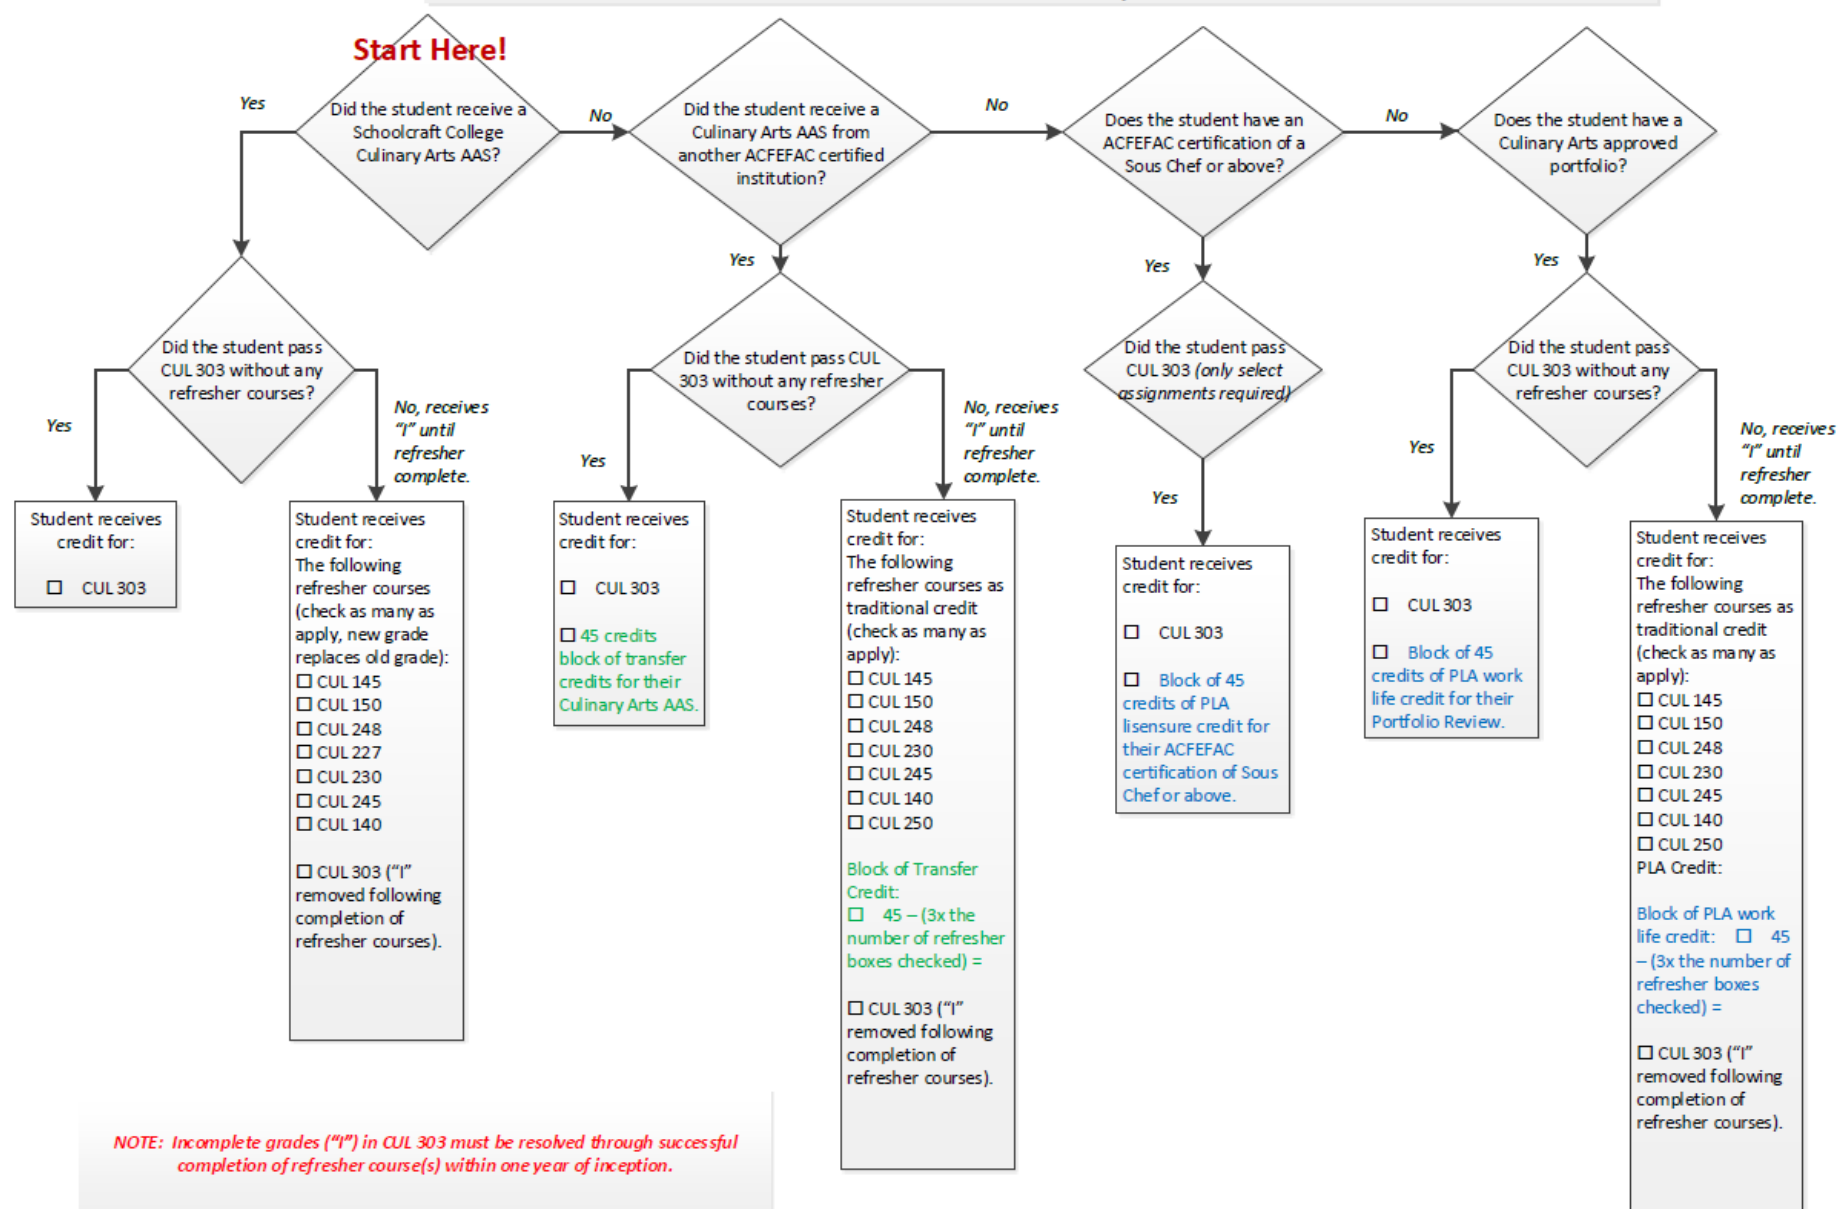

APPRENTICESHIP: Sheet Metal/Air/Rail & Transportation - International Training Institute for the Sheet Metal and Air Conditioning Industry (ITI) • Architectural Sheet Metal Curriculum • Building Information Modeling (BIM) Curriculum • Heating, Ventilation, and Air Conditioning (HVAC) Curriculum • HVACR Residential New Construction Installer for Sheet Metal Mechanics • Industrial Welding Curriculum • Refrigeration and Air Conditioning Technology • Servicing Environmental Systems Curriculum • Sheet Metal Apprentice Core Curriculum • Sheet Metal Business 101 Curriculum • Sheet Metal Lean Construction Curriculum • Sign Industry Curriculum • Testing, Adjusting and Balancing (TAB) Curriculum • Welding Curriculum • Welding for the Sheet Metal Industry Curriculum	Students will be awarded GEN-CRED in the amount listed below, depending on apprenticeship, unless noted otherwise: • Architectural Sheet Metal Curriculum – 36 credits • Building Information Modeling (BIM) Curriculum – 31 credits • Heating, Ventilation, and Air Conditioning (HVAC) Curriculum – 36 credits • HVACR Residential New Construction Installer for Sheet Metal Mechanics – 12 credits • Industrial Welding Curriculum – 36 credits • Refrigeration and Air Conditioning Technology – 43 credits • Servicing Environmental Systems Curriculum – 36 credits • Sheet Metal Apprentice Core Curriculum – 36 credits • Sheet Metal Business 101 Curriculum – 1 credit for BUS-000, Business General Credit • Sheet Metal Lean Construction Curriculum – 2 credits • Sign Industry Curriculum – 26 credits • Testing, Adjusting and Balancing (TAB) Curriculum – 36 credits • Welding Curriculum – 36 credits • Welding for the Sheet Metal Industry Curriculum – 43 credits	Associate of General Studies Students who hold certifications in welding, such as SMAW and GTAW, can be eligible for prior learning credit in specific welding courses. This may reduce the number of general credits awarded to stay within the current policy of 45 credits of transfer or prior learning credit from all sources.
APPRENTICESHIP: Laborers' International Union of North America • Aboveground Drilling • Asbestos Abatement Supervisor • Asbestos Abatement Worker • Asphalt Worker • Basic Line and Grade • Concrete Overlays • Concrete Polishing	Students will be awarded GEN-CRED in the amount listed below, depending on apprenticeship, unless noted otherwise: • Aboveground Drilling – 2 credits • Asbestos Abatement Supervisor – 2 credits • Asbestos Abatement Worker – 2 credits • Asphalt Worker – 2 credits • Basic Line and Grade – 2 credits	Associate of General Studies

• Concrete Worker-Basic • Construction Craft Laborer Core • Construction: Trench and Excavation Safety • Decorative Concrete Finishes • Global Positioning Systems • Green Roof Installation • Hazardous Waste 40-hour • Hazardous Waste 80-hour • Hazardous Waste Limited Access • Hazardous Waste Supervisor • ICRA for Occupied Facilities, Worker • Landscape 2 (Irrigation) • Landscape 3 (Erosion Control/Drainage) • Landscape 4 (Retention Walls/Pavers) • Lead Abatement Supervisor • Lead Abatement Worker • Mason Tending I and Mason Tending II • Microbial Remediation • Nuclear Power Plant Worker • Permit-Required Confined Space • Pipelaying • Pipeline Technology • Radiological Worker II • Restoration Supervisor • Restoration Technician • Roadway Construction • Scaffold Builder Technology I • Scaffold Builder Technology II • Signaling • Solar Panel Installation • Total Station Fundamentals • Traffic Control Supervisor • Tunnel Safety for Laborers	• Concrete Overlays – 1 credit • Concrete Polishing – 1 credit • Concrete Worker-Basic – 2 credits • Construction Craft Laborer Core – 18 credits • Construction: Trench and Excavation Safety – 1 credit • Decorative Concrete Finishes – 1 credit • Global Positioning Systems – 3 credits • Green Roof Installation – 1 credit • Hazardous Waste 40-hour – 2 credits • Hazardous Waste 80-hour – 3 credits • Hazardous Waste Limited Access – 1 credit • Hazardous Waste Supervisor – 1 credit • ICRA for Occupied Facilities, Worker – 2 credits • Landscape 2 (Irrigation) – 3 credits • Landscape 3 (Erosion Control/Drainage) – 3 credits • Landscape 4 (Retention Walls/Pavers) – 3 credits • Lead Abatement Supervisor – 2 credits • Lead Abatement Worker – 2 credits • Mason Tending I and Mason Tending II – 5 credits • Microbial Remediation – 2 credits • Nuclear Power Plant Worker – 1 credit • Permit-Required Confined Space – 1 credit • Pipelaying – 1 credit • Pipeline Technology – 2 credits • Radiological Worker II – 1 credit • Restoration Supervisor – 1 credit • Restoration Technician – 2 credits • Roadway Construction – 1 credit • Scaffold Builder Technology I – 2 credits	
---	---	--

	- Scaffold Builder Technology II – 2 credits - Signaling – 1 credit - Solar Panel Installation – 1 credit - Total Station Fundamentals – 2 credits - Traffic Control Supervisor – 1 credit - Tunnel Safety for Laborers – 2 credits	
APPRENTICESHIP: Michigan Trowel Trades Apprenticeship and Training - Bricklayer - Cement Mason - Pointer Cleaner Caulker - Tile Finisher - Tile Setter	2 credits for OSH 112 3 credits for MATH 102 3 credits for COMA-000, Communications General Credit 3 credits for BUS-MGMT, Business Management General Credit 34 – GEN CRED, General Credits	Associate of General Studies Welding: Pre-Apprenticeship Certificate Welding: Fabrication Technology AAS Degree Engineering Technology Skills Certificate Engineering Technology Certificate Engineering Technology AAS Degree
APPRENTICESHIP: Michigan Statewide Carpenters and Millwrights - Millwright - Carpenter	2 credits for OSH 112 3 credits for MATH 102 3 credits for COMA-000, Communications General Credit 3 credits for PE-000, CPR/First Aid General Credit 34 – GEN CRED, General Credits	Associate of General Studies Welding: Pre-Apprenticeship Certificate Welding: Fabrication Technology AAS Degree Engineering Technology Skills Certificate Engineering Technology Certificate Engineering Technology AAS Degree
APPRENTICESHIP: Michigan Statewide Carpenters and Millwrights Floor Layer	3 credits for COMA-000, Communications General Credit 3 credits for PE-000, CPR/First Aid General Credit 3 credits for BUS-MGMT, Business Management General Credit 3 credits for MATH 102, Technical Math 2 credits for OSH 112 31 – GEN CRED, General Credits	Associate of General Studies
APPRENTICESHIP: Ironworkers International / International Association of Bridge, Structural, Ornamental and Reinforcing Iron Workers Ironworkers Core Curriculum	2 credits for OSH 112 3 credits for PE-000, CPA/First Aid General Credit 3 credits for COMA-000, Communications, General Credit 3 Credits for MATH 102, Technical Math 3 credits for WELD 110 3 credits for WELD 113 3 credits for WELD 115 3 credits for WELD 120 21 – GEN CRED, General Credits	Associate of General Studies Advanced Manufacturing AAS Degree Engineering Technology Skills Certificate Engineering Technology Certificate Engineering Technology AAS Degree Welding: Pre-Apprenticeship Certificate Welding: Fabrication Certificate Welding: Fabrication Technology AAS Degree Metallurgy: Applied Physical Certificate Metallurgy and Materials Science AAS Degree

Evaluation of Credits to Confer Following Successful Completion of CUL 303

Culinary Faculty utilize this document to gather information for the PLA form.
 Note: Program Supportive and General Education Credits conferred in the traditional manner
 and are not related to this form.

Student Name: _____

Culinary Arts Faculty Signature: _____
