DETERMINE TUITION AND FEES

Payment is due within 3 business days, including holidays, from the date of registration.

If you do not pay in full, have financial aid in place, or commit to our payment plan option, you could be dropped from your classes for non-payment. You are responsible for dropping any classes you are not attending, even if you have a Financial Aid award on your offer letter in Ocelot Access greater than zero.

Use the table on page 3 to determine your tuition and fees. Locate the number of credit hours you will be taking for the term, then go to the Total Column for Resident or Non-Resident Rates. The total includes all fees as outlined in the table.

The college verifies a student’s residency at admission and for each semester’s registration. To qualify for Resident Tuition Rates, students must reside within Schoolcraft College’s district, which includes the public school districts of Clarenceville, Garden City, Livonia, Northville, Plymouth- Canton and part of Novi.

FINANCIAL AID AND COLLEGE FEES

FINANCIAL AID

The first step in qualifying for Financial Aid is to fill out the Free Application for Federal Student Aid (FAFSA) online at fafsa.gov.

Schoolcraft's FAFSA code is 002315.

Once a student qualifies for Financial Aid, it is applied to the student's account each semester based on the start date of classes to pay for tuition and fees. Any excess funds can then be used to purchase books and necessary class supplies at the Schoolcraft Bookstore.

Schoolcraft College students may qualify for one of the following financial aid programs:

Grants

A grant is a form of financial aid that does not have to be repaid. It is based primarily on demonstrated financial need.

Scholarships

Generally based on academic merit or particular area of study and does not have to be repaid. Apply for Schoolcraft Scholarships at schoolcraft.edu/scholarships. The FAFSA may not be a requirement for all scholarships.

Work Study

Students are placed in jobs on campus and wages are paid in part by the work-study program. For more information, contact Career Services at 734-462-4421 or email careerservices@schoolcraft.edu.

Student Loans

You must complete a FAFSA application to qualify for student loans. If you would like to request a student loan, you must submit a Loan Request Form. Information and steps are found at schoolcraft.edu/aid/loans. All student loans must be repaid after graduation or not maintaining half time enrollment.

For more information about Financial Aid programs visit schoolcraft.edu/aid or contact the Office of Financial Aid at 734-462-4433.

- The Financial Aid Department will send financial aid information to only your SCmail account.
- The FAFSA must be completed every year that you wish to apply for Financial Aid. The FAFSA usually is available beginning October 1st each year.

FEE DESCRIPTIONS

Registration Fee

This fee is a refundable fee charged one time per semester regardless of how many credit hours a student registers for during the semester. This fee is \$44 per semester.

Service Fee

This fee defrays the cost of several free services that Schoolcraft provides to students, such as career services, student activities, graduation, parking and admittance to the SC Fitness Center each semester the student is registered. This fee is \$9 per credit.

Lab Fees/Learning Management Fees

This fee is used to cover the cost of special materials, equipment, student assistants, specialized support and other services. Our learning management system fee (currently Blackboard) is \$12 per class, with an additional fee of \$10 for classes held in computer labs, allowing the use of additional technology that is otherwise not available in a standard classroom.

Excess Contact Hours Fees

The College charges \$139 per excess contact hour with a maximum of 4 excess contact hours per class. An excess contact hour occurs when the weekly class meeting hours exceed the class credit hours. For example, if Biology meets 4 hours per week, but Biology is a 3 credit hour class, the student is charged a \$139 excess contact hour fee. If a Nursing class meets 10 hours per week, but the Nursing class is a 4 credit hour class, the student will be charged a \$556 excess contact hour fee.

Instructional Equipment Fee

This fee is used to defray the increasing cost of maintaining, upgrading, and replacing the wide variety of electronic equipment and personal computers used in our classrooms. Software purchases, maintenance agreements, and upgrades are also covered by this fee. Every student is charged \$11 per credit hour for this fee.

Infrastructure Fee

This fee is used to defray the increasing costs associated with maintaining and enhancing the College's buildings, facilities, and campus grounds. Deferred maintenance and depreciation of campus infrastructure is also covered by this fee. Every student is charged \$9 per credit hour for this fee.

COURSE FORMATS

Traditional (On Campus)

Traditional courses include set meeting times held live on a physical campus. Traditional courses require students to attend and actively participate in on-campus class sessions for the duration of the semester.

Online (ONL)

Online (ONL) courses do not include set meeting times but will have assignment deadlines. ONL courses require students to log in to a learning management system and consistently participate in each online course section during a given semester. Participation includes engaging in module activities, interacting in asynchronous online discussions, and submitting assignments within the course by their respective due dates. Assignments may include online group projects to further build community and mimic real-world experiences. NOTE: Online MATH courses require several on-campus proctored exams.

Key to course formats

- T Traditional
- O Online
- H Hybrid (Online & Traditional or Synchronous Remote & Traditional)
- I Internship
- S SYNC (Synchronous Remote)
- M Multiple course offerings (Traditional or Synchronous Remote plus at least one other format including O or H)

Synchronous Remote (SYNC)

Synchronous remote (SYNC) courses include set meeting times with each meeting held as a live virtual session via a web conferencing tool. SYNC courses require students to log in, attend, and participate in each SYNC live class session during a given semester. Active participation includes engaging in live discussions and submitting completed assignments in the course by their respective due dates. Assignments may include online group projects to further build community and mimic real-world experiences.

Hybrid (HYB)

Hybrid (HYB) courses combine on-campus live set meeting times and asynchronous online course work. HYB courses require students to attend and participate in the live on-campus classroom sessions, as scheduled. The asynchronous online course portion does not include set meeting times on-campus or via live web conferencing. Students participate in asynchronous online discussions and submit completed assignments in the course by their respective due dates. Assignments may include online group projects to further build community and mimic real-world experiences.

STUDENT RESOURCES

Academic Advising

An academic advisor will recommend courses and help you with an academic plan. Schedule an appointment by calling 734-462-4429.

You are required to meet with an academic advisor if:

- You want to register for more than 18 credit hours in fall or winter semesters.
- You want to register for more than 9 credit hours in spring or summer sessions.
- You are new to college, on academic probation, dismissal or have a registration hold.

Career Mentorship & Placement

Career Mentorship and Placement serves as a community connector for employers and job seekers. Our services include support for resume, cover letter, interview preparation, mentorship, and job placement opportunities. Contact us at 734 462-4421 or email careeradvantage@schoolcraft.edu.

Computers and Technology

All students enrolled in credit classes are given a user ID and password that provides access to the school's wireless network, SC mail, and Blackboard Learn system. If you need computer access, please visit the Bradner Library or visit schoolcraft.edu/information-technology.

Disability Support Services

The Disability Support Services office ensures students have equal access to programs and activities by facilitating accommodations and by providing encouragement and support for individuals with disabilities.

For more information visit schoolcraft.edu/dss, email us at dss@schoolcraft.edu, or call 734-462-4330.

Drop or Withdrawal Policy

Dropping a class during the refund/schedule adjustment period means the student no longer wishes to attend the class and wants to receive a refund. Dropped courses do not appear on the official transcript and no grade is issued for dropped courses.

Students may withdraw from classes online through Ocelot Access on or before the last day for withdrawal. Withdrawing from a class means the student no longer wishes to attend the class, but will not receive a refund because the refund/schedule adjustment period has ended. Withdrawing from a class will result in a "W" grade on the official college transcript.

For more information about drop and withdrawal, visit schoolcraft.edu/registration/processes/drop-and-withdrawal
