

Core Ability - Use Technology Effectively

Core Ability Indicators					Points	Not Applicable
The artifact demonstrates that the Learner...	3 points	2 points	1 point	0 points		
Indicator #1: Interprets specifications/directions to use technology effectively.	3 points: Artifact demonstrates learner's understanding of specifications / directions necessary for applying the technology correctly and appropriately for the artifact. <input type="checkbox"/>	2 points: Artifact demonstrates learner's understanding of specifications / directions necessary for applying the technology usefully, with minor flaws. <input type="checkbox"/>	1 point: Artifact demonstrates learner's understanding of specifications / directions for basic or rudimentary use of technology; understanding was significantly flawed. <input type="checkbox"/>	0 points: Artifact demonstrates that the learner did not understand the specifications / directions for correct use of technology. <input type="checkbox"/>	Points _____	<input type="checkbox"/>
Indicator #2: Selects procedures, processes, equipment, appropriate tools, and technological resources to produce desired results.	3 points: Artifact reflects the selection of a useful and optimal form of technology. <input type="checkbox"/>	2 points: Artifact reflects the selection of a useful but not optimal form of technology. <input type="checkbox"/>	1 point: Artifact reflects the selection of a related but not completely useful form of technology. <input type="checkbox"/>	0 points: Artifact reflects the application of a form of technology that was not useful. <input type="checkbox"/>	Points _____	<input type="checkbox"/>
Indicator #3: Applies specifications/directions to use technology effectively.	3 points: Artifact reflects that all specifications / directions for use of technology were followed. <input type="checkbox"/>	2 points: Artifact reflects that most specifications / directions for use of technology were followed. <input type="checkbox"/>	1 point: Artifact reflects that some specifications / directions for use of technology were followed. <input type="checkbox"/>	0 points: Artifact reflects that specifications / directions for use of technology were not followed. <input type="checkbox"/>	Points _____	<input type="checkbox"/>
Indicator #4: Uses technology to facilitate the production of desired results.	3 points: Artifact meets all specifications / requirements for the desired final product. <input type="checkbox"/>	2 points: Artifact meets most specifications / requirements for the desired final product. <input type="checkbox"/>	1 point: Artifact meets some specifications / requirements for the desired final product. <input type="checkbox"/>	0 points: Artifact does not meet the specifications / requirements for the desired final product. <input type="checkbox"/>	Points _____	<input type="checkbox"/>

At least seven (7) total points are required for the **whole** core ability to be met. **Total Points** _____

At least two (2) indicators must have received an NA for the overall artifact to equal NA.

Overall Final Score (Check one): **Met** **Not Met** **N.A.***

Additional Information for institutional expectations:

- This artifact appears to be original work by the student Yes No
- This artifact was communicated using college level skills Yes No

*If selecting N.A. please provide a rationale
