Veterans Benefits Acknowledgement

I hereby acknowledge that I will abide by the following statements in order to be eligible for veteran's benefits and to remain eligible for enrollment at Schoolcraft College.

1. I understand that I cannot be certified until I have submitted all of the necessary paperwork to the Schoolcraft College VA Certifying Official. Delays in submitting paperwork will result in a delay of receipt of benefits.
2. I understand my certification for each term will not be forwarded to the VA until I have registered for classes at the college. VA processing times may vary depending on demand.
3. I understand that dropping or withdrawing from one or more classes may result in an overpayment of benefits, and I am liable for repayment of overpayments to the VA. I am also liable for tuition payments to Schoolcraft College as outlined by the withdrawal policy in the school's publications. **It is best to contact the VRC before withdrawing from classes.**
4. I understand that I **must attend class during finals week** or my benefits may be affected depending upon my final grade.
5. I understand that only courses that are part of my declared program are eligible for VA benefits. If I have questions regarding eligible classes, I will contact the VRC.
6. I understand that my VA benefit payment will be issued to me, and that I am responsible for my full tuition balance.
7. I understand that if I fail to maintain a prescribed standard of academic progress (2.0 and above), VA will be promptly informed so that benefit payments can be discontinued.
8. Chapter 30 and 1606 benefit users will be required to verify monthly enrollment with the VA through the WAVE system (Web Automated Verification of Enrollment) 1-877-2378 or www.gibill.va.gov
