# Introduction to **ROBOTICS**

In today's work force robotics is now becoming the new normal and Schoolcraft College keeps our students up to speed. Gain the skills to start a career in a **fast growing field** and earn an **industry recognized credential** from the Smart Automation Certification Alliance (SACA). SACA credentials set our students apart, providing them the skills and qualifications they need to be a leader in the industry.

## What Time Works for You?

**Course:** **ROBOTICS INTRO**

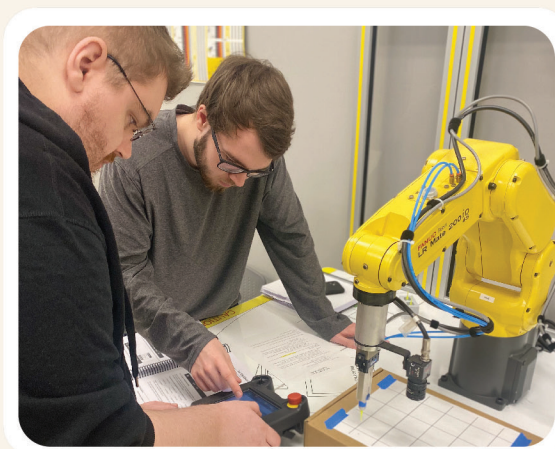

ROBAT101

**Location:** Manufacturing & Engineering Center

**Times:** Tue 6:00pm - 9:52pm  
January 09, 2023 - May 01, 2023  
OR

Tue/Thur 10:00am - 2:13pm  
January 09, 2023 - March 06, 2023

OR  
Tue/Thur 10:00am - 2:13pm  
March 14, 2023 - May 01, 2023

Fall 2022 Robotics Students
